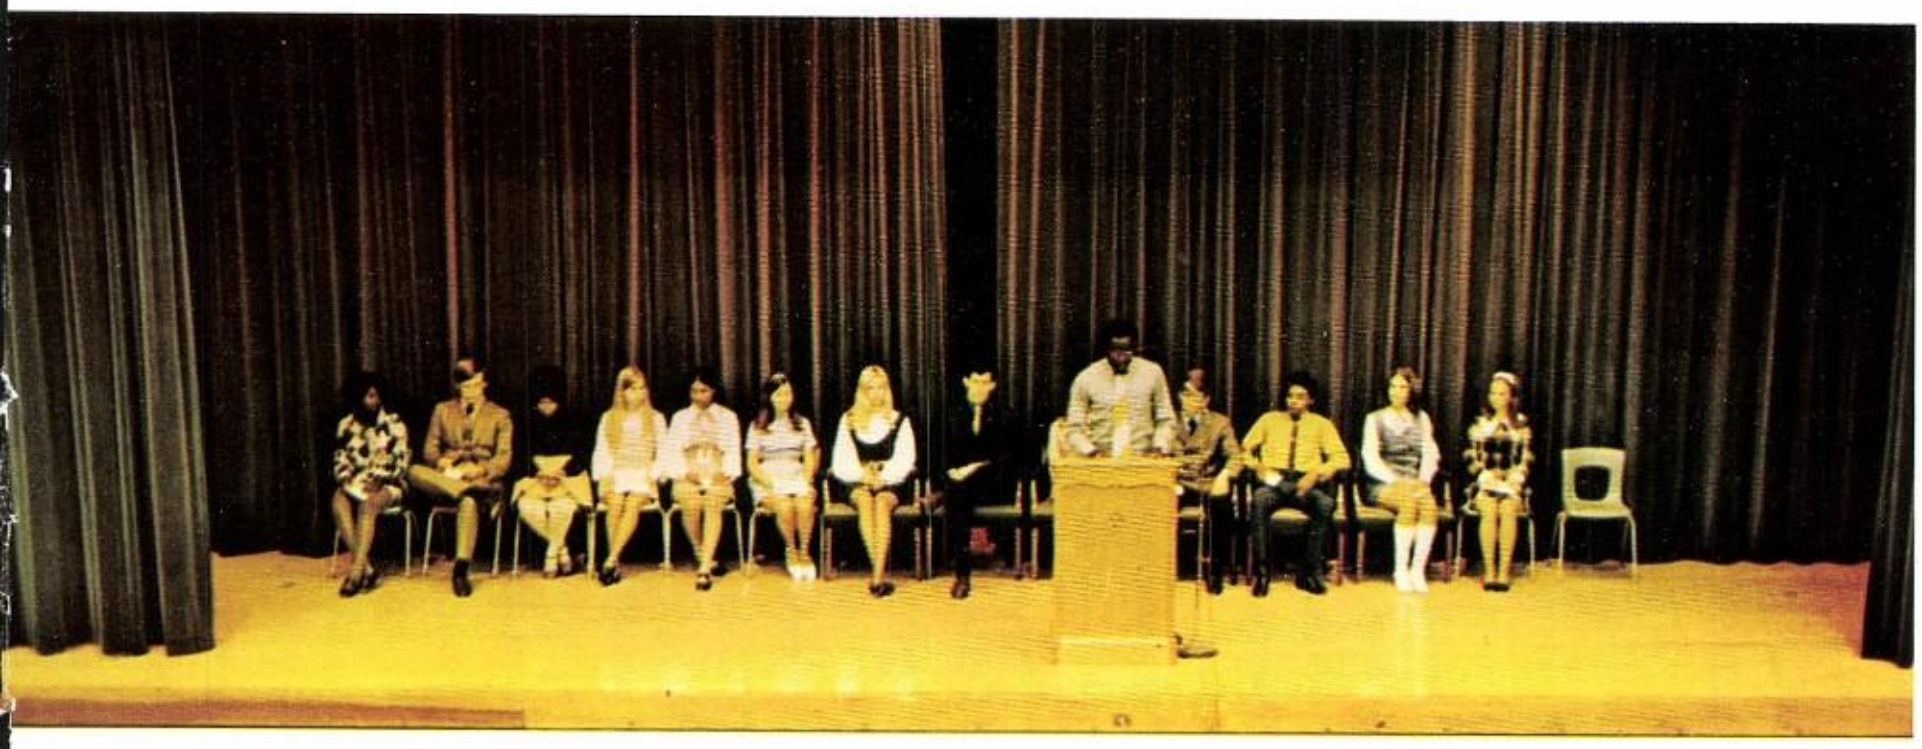
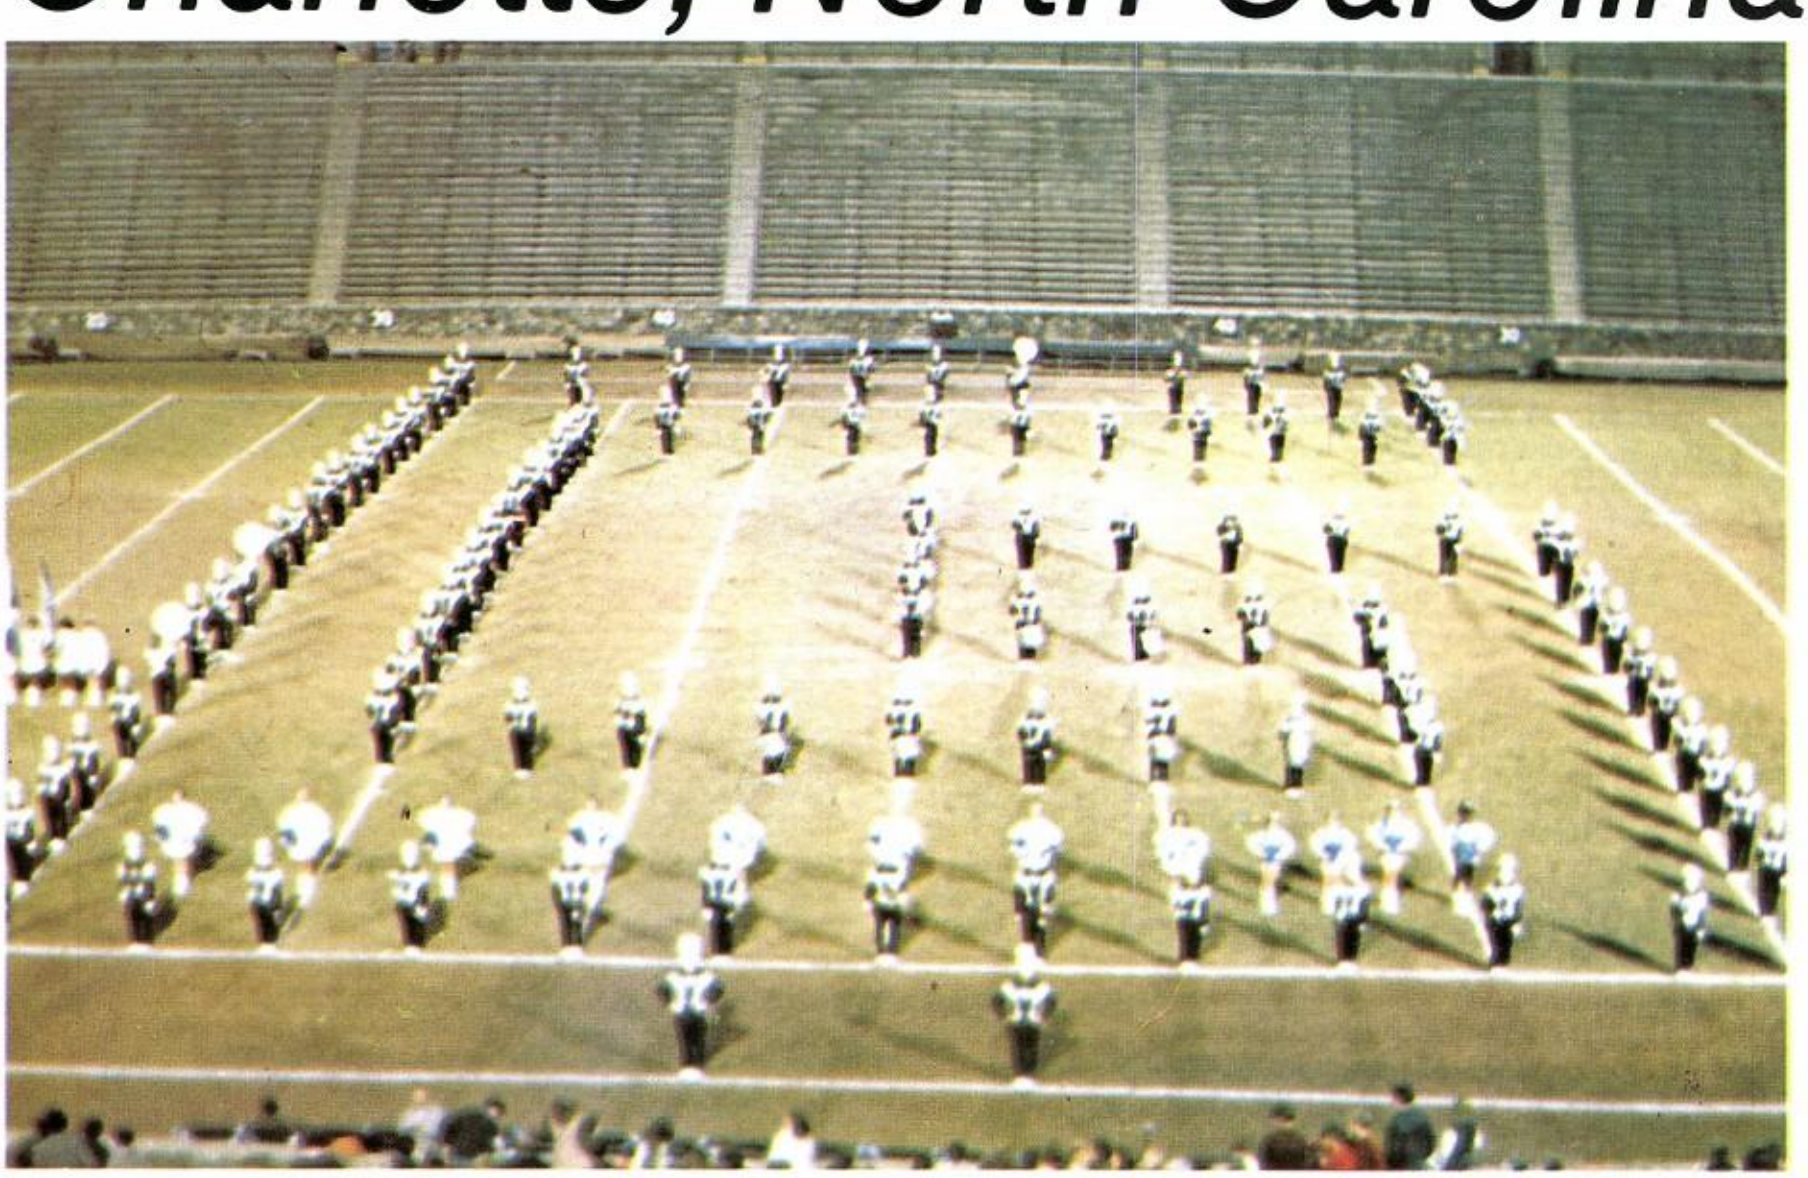
Garinger High School

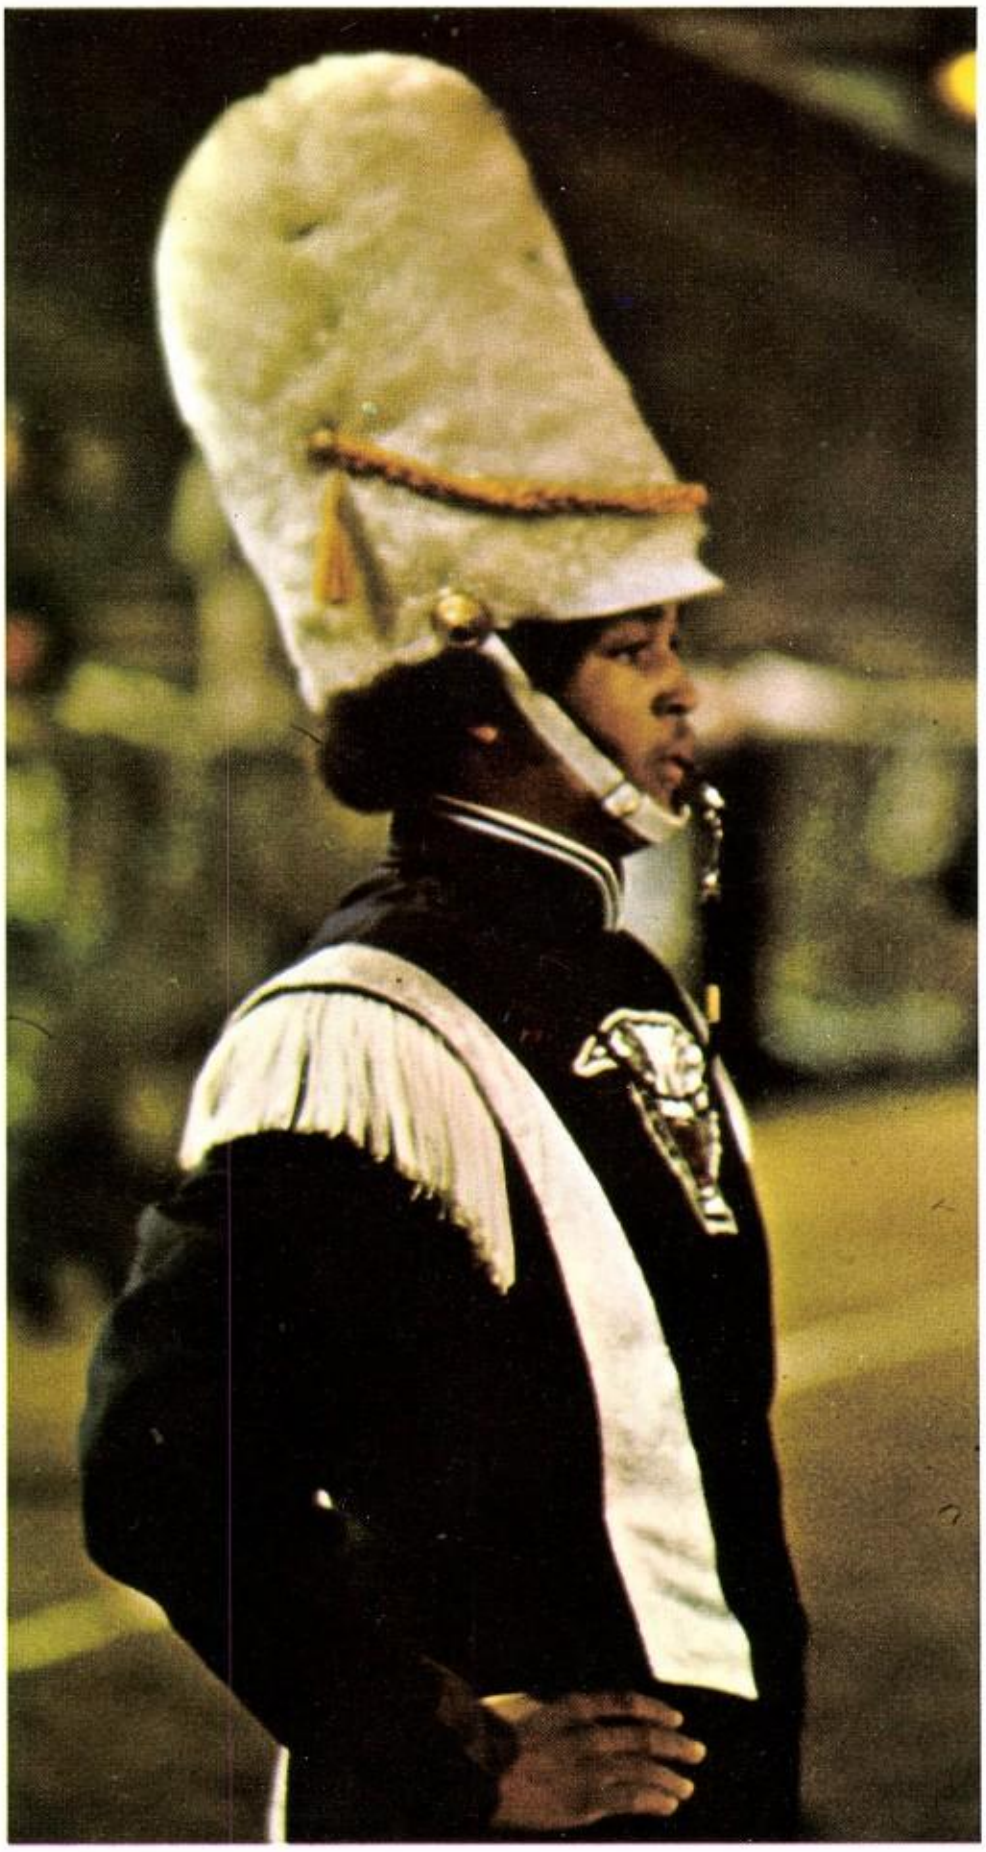
Vol. LXII

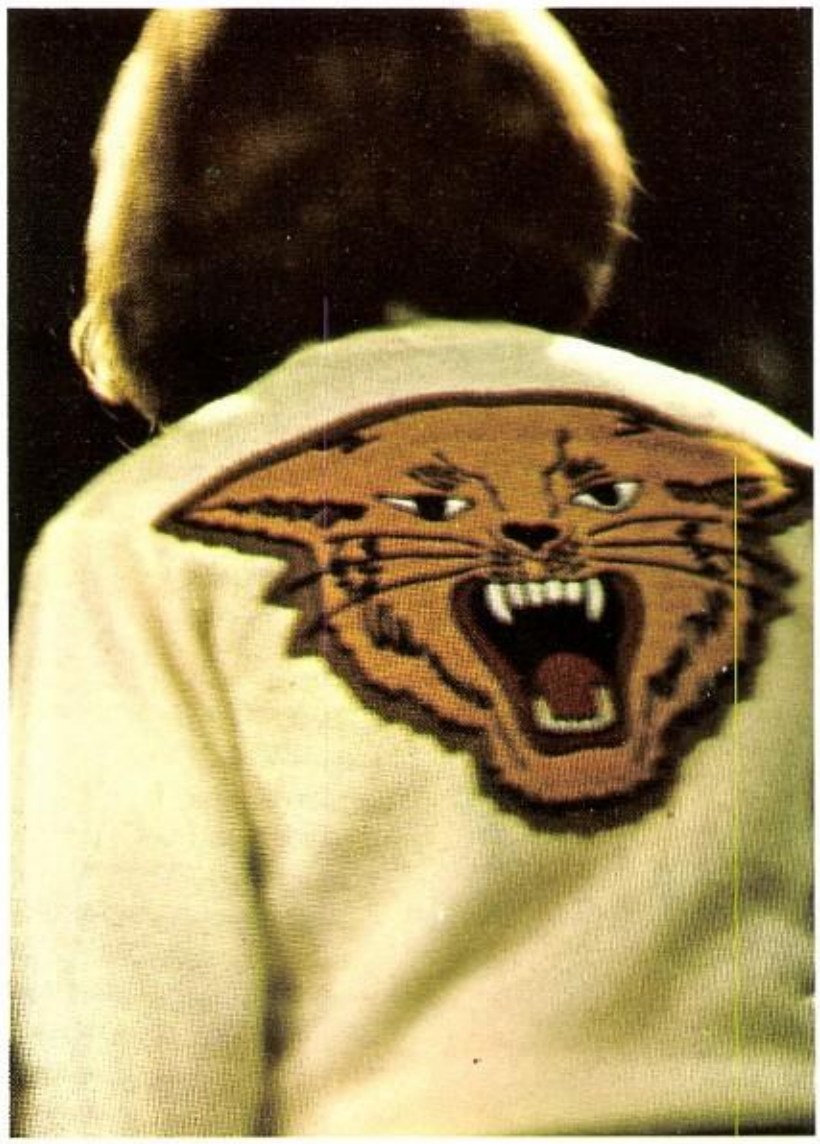


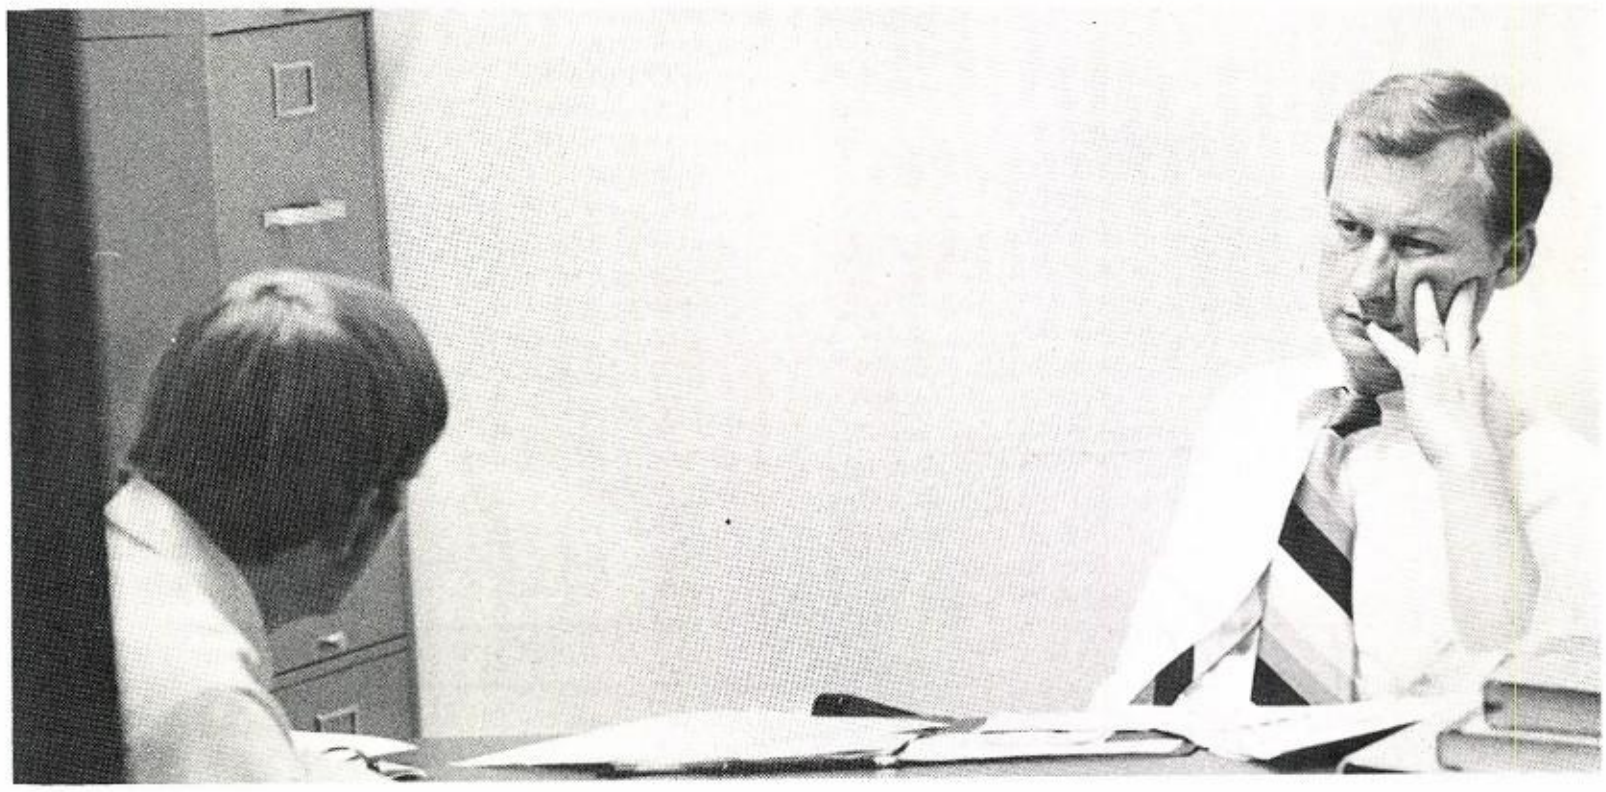
1971

Charlotte, North Carolina





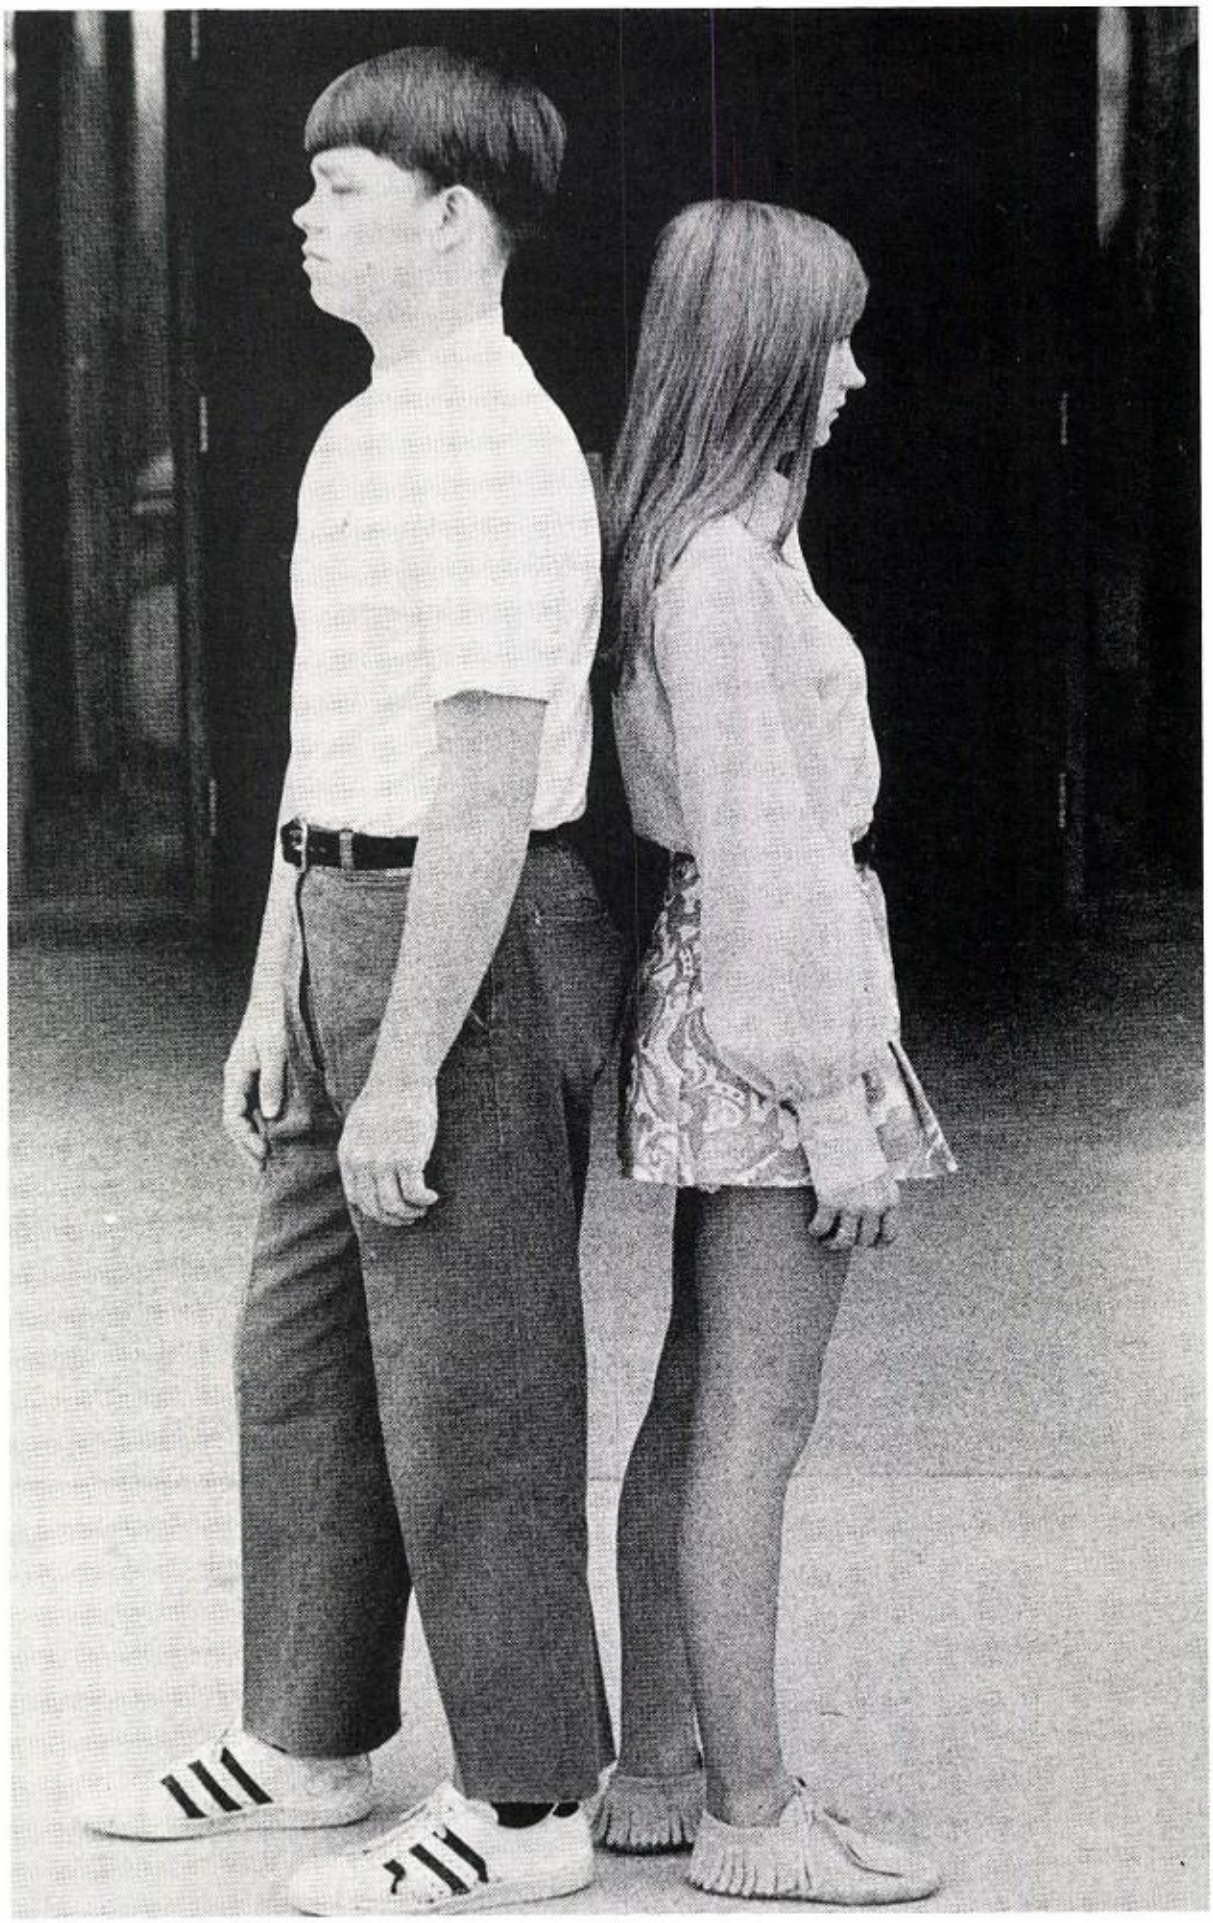


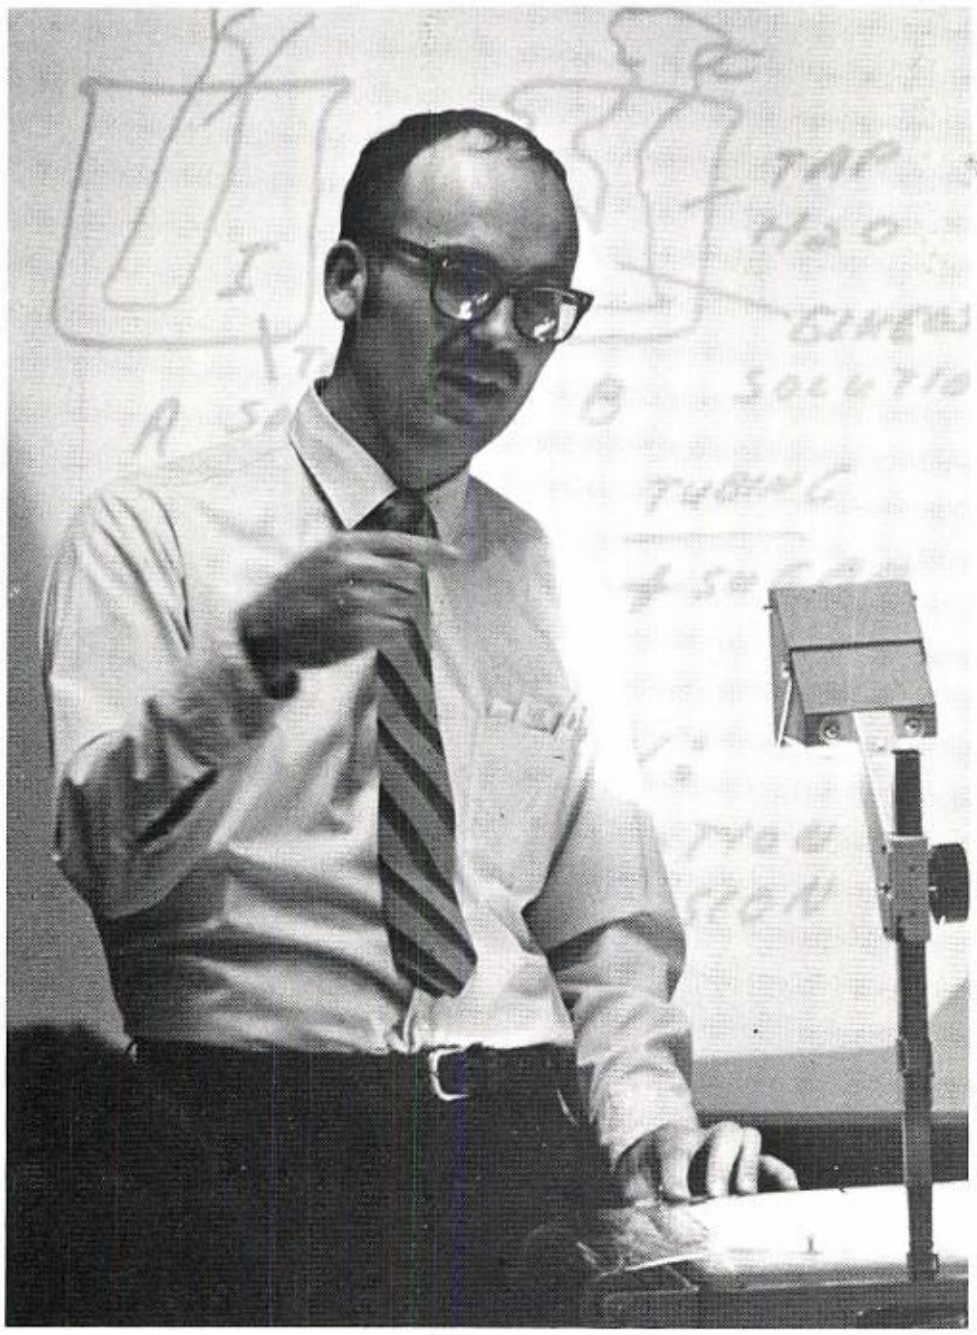


Garinger High School . . . a community consisting of students from all areas of life, unique in themselves yet blended to exist as one student body.

Sophomores wander into a new experience, lost in a crowd of new faces. Juniors walk in a care free atmosphere secure in familiar surroundings and friendships. And finally, seniors move reminiscently through buildings and thoughts and gradually into dreams of the future, no longer as a crowd or even a small group, but as an individual, prepared for life.

Together the three classes make Garinger and Garinger makes each one an individual.





Faculty

Dr. Stern Serves as New Principal

Many new faces appeared at Garinger this year. Mr. Wallace, our new assistant principal sees that buses, classroom attendance, and related activities function in the proper manner.

Dr. Stern, having served as assistant principal at Garinger, is not new to the campus. Both Dr. Stern and Mr. Wallace have worked together to make Garinger a school its students can speak of with pride.

So this is what goes on in here.

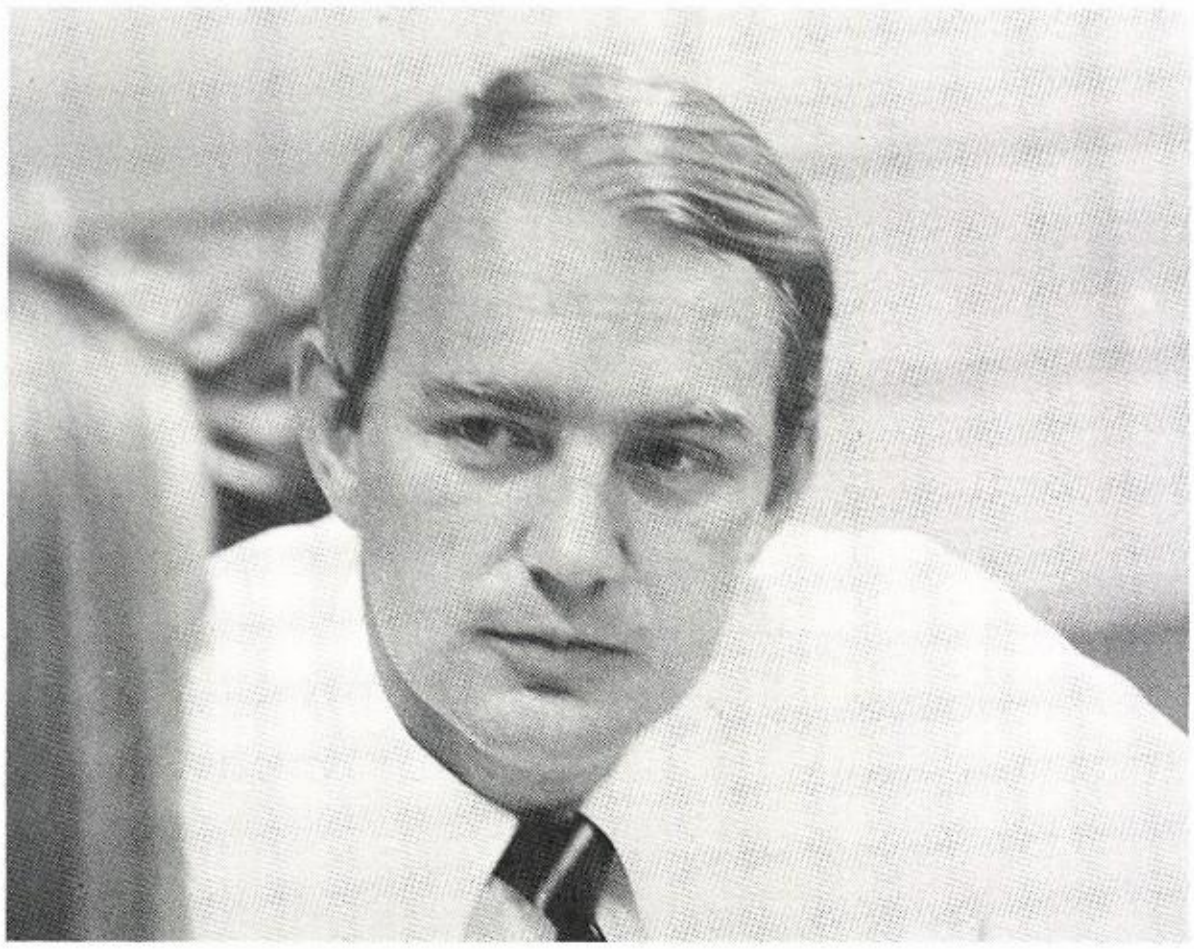
Employment, colleges, class selections, these are just a few of the many areas where Garinger's counselors perform their vital service.

For the students who like to have extra spending money, there are special counselors to supply him with information concerning job openings. To the high school senior, college applications can be confusing. Counselors are available to assist students in filling out forms necessary for entering college. Class selections are important for any student. Students not planning to attend college should take commercial or vocational courses to prepare them for business school or occupations, and our counselors advise them accordingly.

Without the advice of Garinger's counselors, the school would be filled with many confused students.

English Benefits Students



Mr. Reich devotes time to students.

Dickens, Hawthorne, Shakespeare are all familiar names to the English student. Studying works of these men and others provide the student with a comprehensive background in literature.

Reading difficulties are approached realistically using the laboratory method and individualized instruction. Success has been measured by the student's over all improvement in reading speed and comprehension.

Grammar also plays an important part in the study of the English language. In keeping with the dynamic characteristics of the language, our analytical techniques are continually changing. For this reason new grammar textbooks are being used this year.

Personalities are broadened in the study of English, which benefits the student throughout his future.

History Intrigues Students

"Think historically." These are magic words for the history scholar. Students should be able to learn from mistakes in the past and how to solve problems in today's world.

Courses such as World History, United States History, Government and Black History give the student a broad view of different cultures and their beliefs.

Centuries ago, people looked toward the future with hopeful eyes. Today we look back at the past with amazement and appreciation at what our ancestors accomplished.

Math Increases Knowledge

Knowledge, understanding, and common sense are gained in the study of mathematics. Regardless of further plans each student is urged to increase his knowledge by taking one of the courses offered in math. These courses range from General Math I for those interested in the fundamentals of mathematics, to Math Analysis, for those wishing a more advanced study.

Due to the wide variety of courses offered, each student should be able to encounter some interest in math.

Science Gives Understanding

To understand the sciences we must probe into the knowledge man has gained from centuries of research. Garinger's science department has excelled in providing the student with a comprehensive background in the fundamentals of sciences and their practical use.

Studying Biology, Chemistry, and Physics gives our students an understanding and appreciation of life and the relationship of the many elements that compose our world.

Library Annexes New Equipment

Filmstrips, recordings, and transparencies from numerous departments were stationed in the library to centralize these materials for easy use by faculty members. Western art slides and a new microfilm reader were among the new equipment placed in the library's care.

Garinger's library, not only unique in structure but also in size, boasts over 22,000 books. These along with periodicals are used by students in research and pleasure. Attendance in the library is regulated by scheduled classes, permits, and a sign-in sheet at the door.

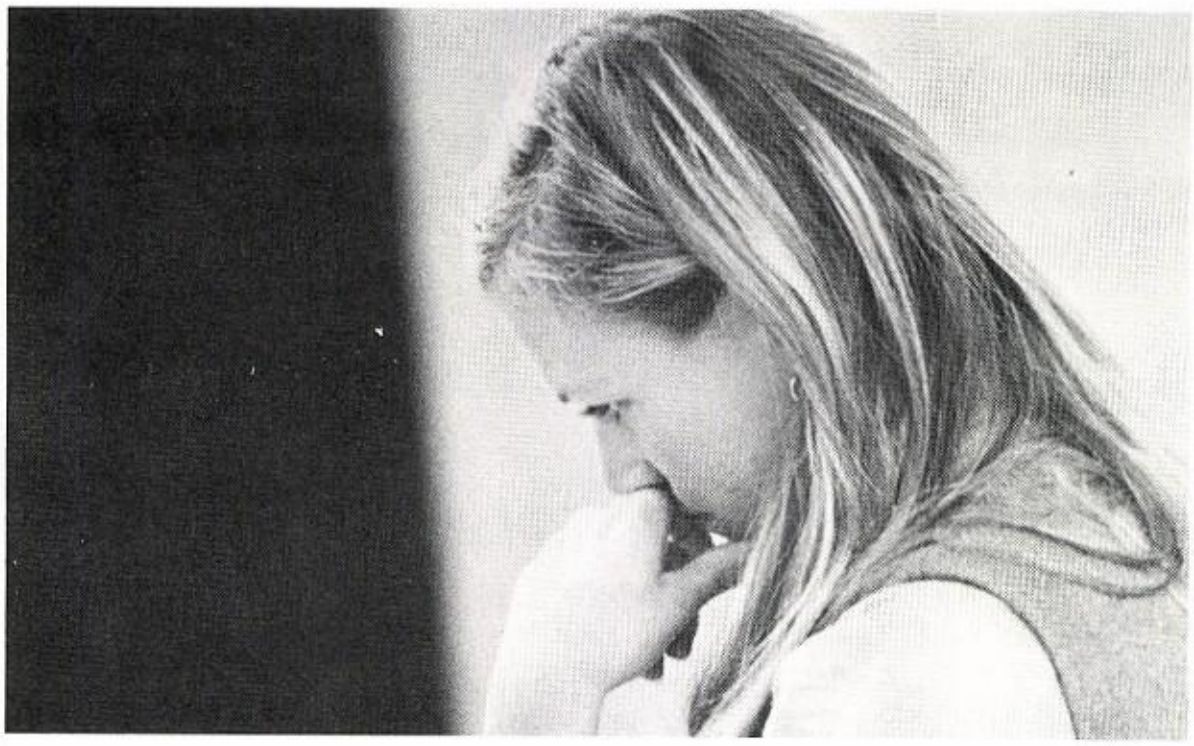
Foreign Languages Aid Travelers



Teachers conduct classes in foreign languages.

Mastering a foreign language requires a great deal of time, patience, and encouragement. Through continued study, our language department maintains a high degree of competence in their abilities to instruct our students in French, Spanish, German and Latin. By studying these languages, the student is encouraged to see himself as a citizen of the world and to develop an appreciation for those with different cultures.

Students Prepare for Future

Garinger's Commercial department offers numerous courses helpful in the future. Co-operative Office Occupation provides students with an office job during school hours. Typing, shorthand and data processing are some of the courses offered to prepare students for future employment and security.

Home Ec. Interests Boys and Girls

Boys and girls both should find an interest in the Home Economics department. In Boys Home Economics, boys learn important skills needed in either bachelor or family life.

Girls can find interest in courses ranging from Home Economics I to Co-operative Home Economics I Occupations. CHEO is a new course at Garinger this year. Students spend one hour a day in class and ten hours a week on the job. Employment can be found in clothing, child care, foods and others.

With the help of the Home Economics department, students should be better able to organize future homes and plans.

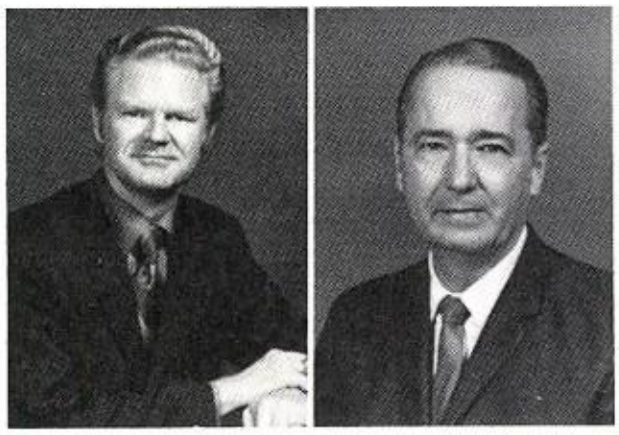
'Cats Show Merit through Music



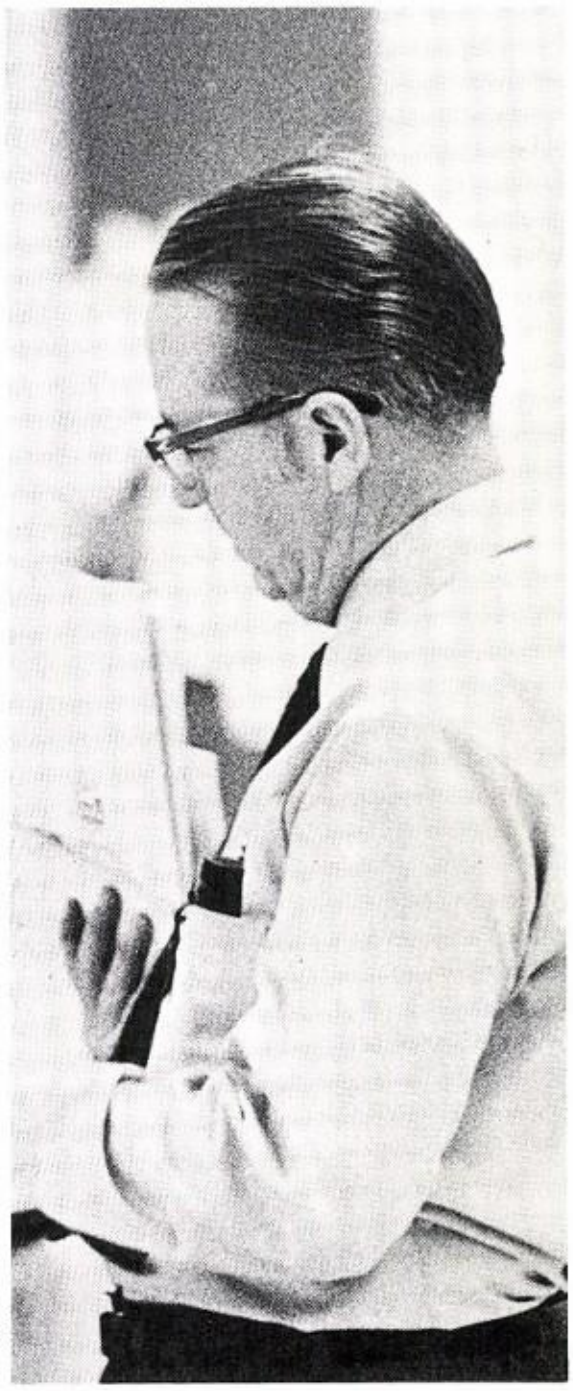
Mr. Robert Maddox
Mr. John Sanders

Choral and instrumental music are both offered at Garinger. Our school is proud of the many contests and awards this department has won. Last year out band won a superior rating in competition with bands throughout the state, and this year we should do as well.

Any form of music requires skill and talent and these are encouraged and developed with considerable success.

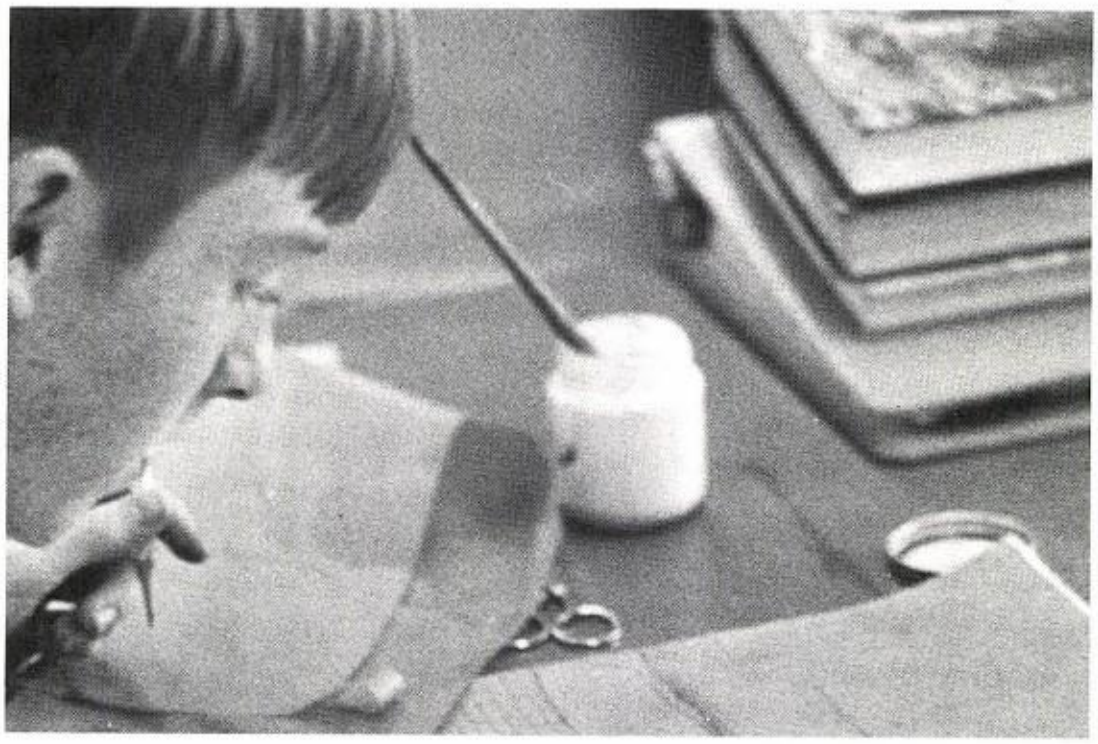
Under the skillful guidance of Mr. Sanders and Mr. Maddox, our music department presents a course that emphasizes music as an expression of man, and the results can easily be recognized in the positive response of the student.

Music makes the world go 'round.



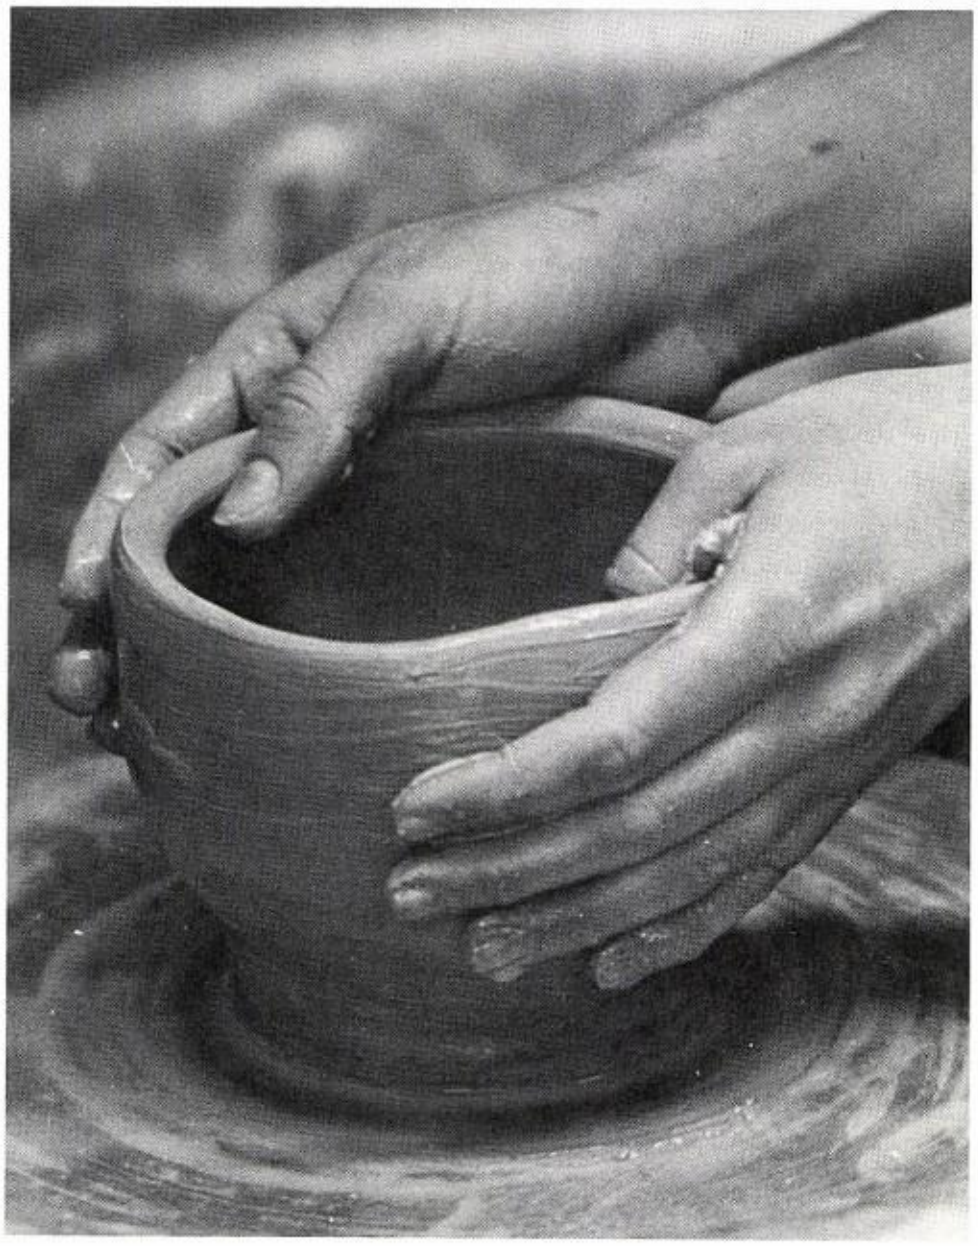
Is this a C flat or a B natural?

Art Stimulates Students

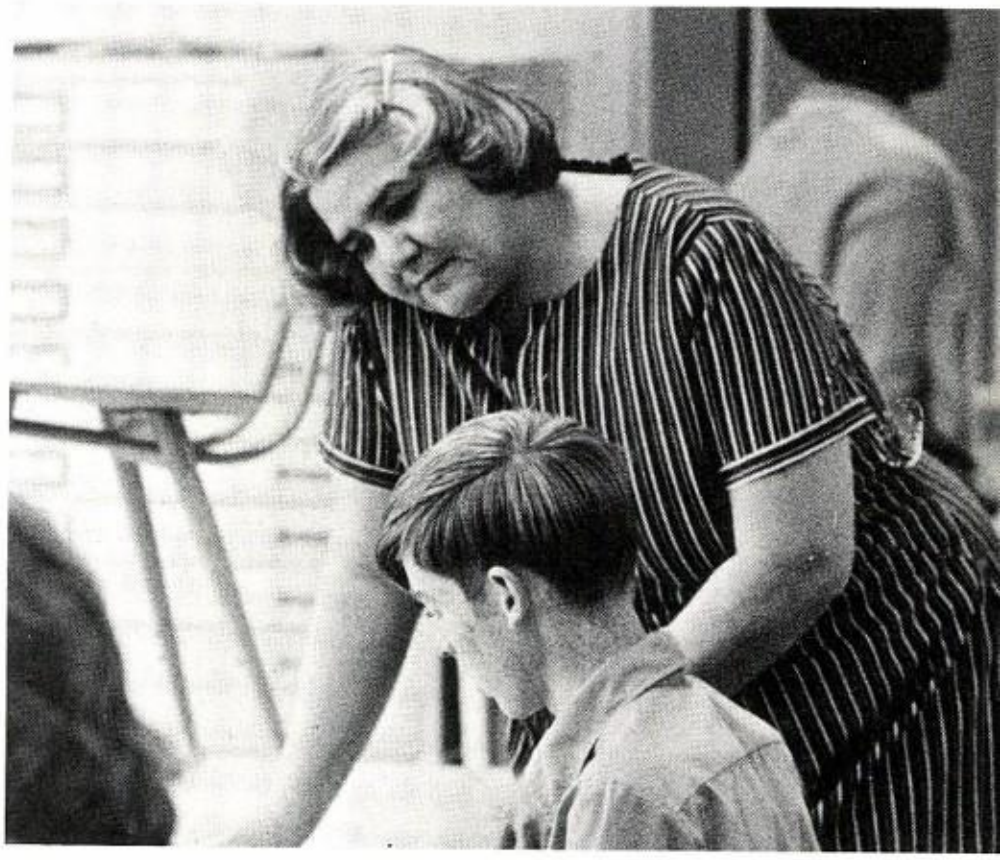


Student's are able to express themselves through art.

Today's art is the reflection of man's world as the artist sees it. Miss King constantly encourages and stimulates the student to express himself through the various techniques she teaches. Her success is evident in the quality of the students' art on display around the school, and the number of students who go on to further development in the world of art.



Skillful hands produce wonderous things.



Miss Wilma King

Phys. Ed. Develops Personality

Good sportsmanship and co-operation with others are stressed in Physical Education. This course helps Garinger's students feel and look better. Activities such as speedball, basketball and track improve the students' co-ordination and ability to work with others. Our excellent facilities along with our able instructors contribute to the smooth functioning of the Physical Education Department.

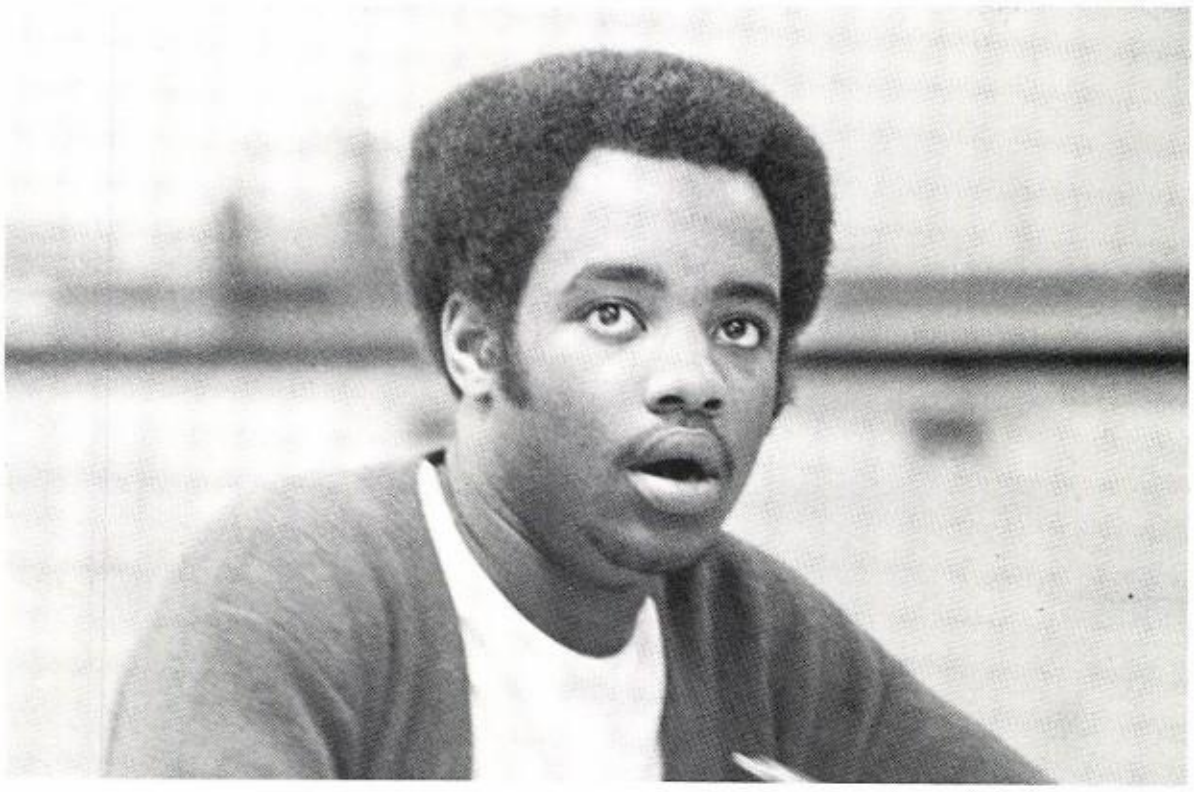
Driver's Ed. Promotes Driving Skills

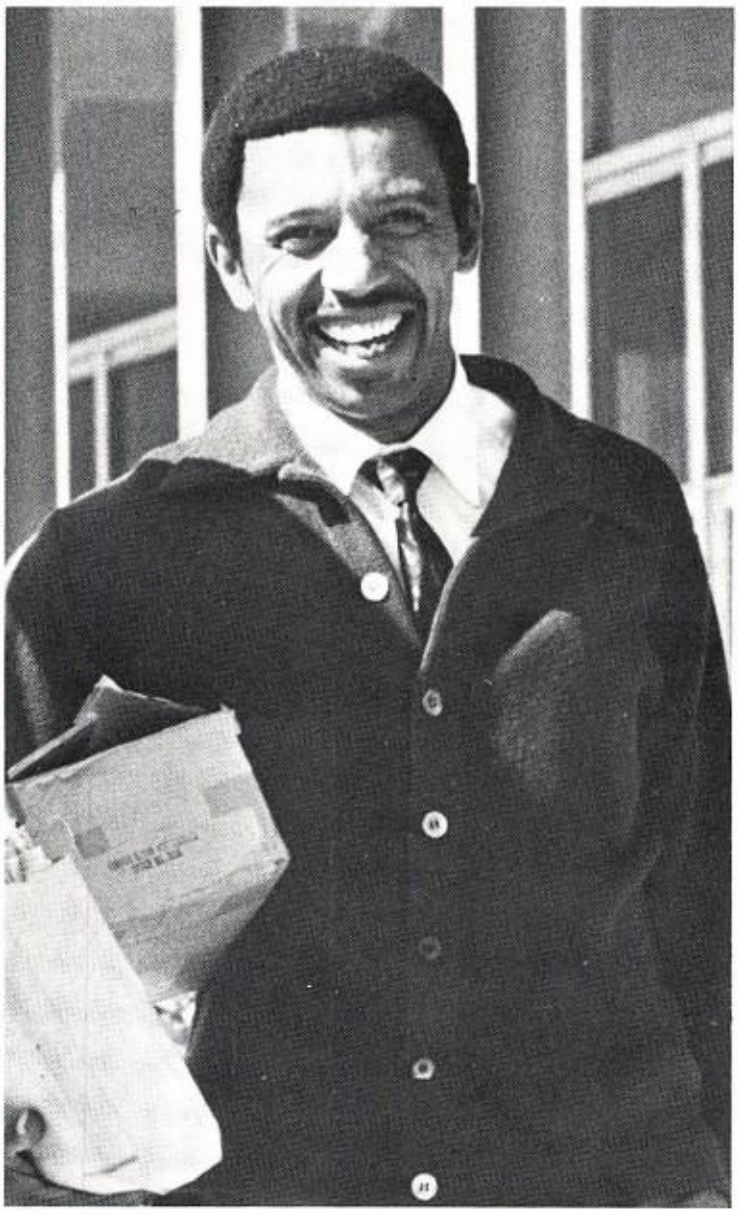


Turn the corner, push the brake and clutch in and honk the horn at the same time!

Driver's Education is for the purpose of promoting safety and teaching prospective drivers the proper way to drive. Each student is given the opportunity to take this course in his sophomore year.

Basic facts of driving are learned in the classroom phase. Students are then put behind the wheel to develop skill from the knowledge they have gained in the classroom.

Upon completion of this course, the student should be in a position to drive defensively and safely with a constant awareness of others in mind.



Only the strong survive.

Vocations Provide Opportunities

Students wishing experience in a variety of fields should investigate the vocational department. Industrial Co-operative Training and Distributive Education provide the student with employment after school. If the student is pleased with the job he is eligible for full time employment upon graduation.

Students may also learn skills in drafting, printing, and radio broadcasting. Girls can find an interest in Fashion Merchandising, which gives them experience in choosing fashionable styles.

By and large, the vocational department teaches practical skills which enable the student to assume a responsible adult role in our society.

Staffs Aid Wildcats

Garinger students were met with a new cafeteria system this year. A new federal policy made it necessary for students to buy a standardized meal for the price of thirty-five cents. With the help of the cafeteria staff, Garinger students get the nutrition needed for a busy day.

Garinger's custodial staff works constantly to keep our campus clean, warm, and functional. Their numerous responsibilities contribute to making our school an environment where learning is a pleasure as well as a necessity.

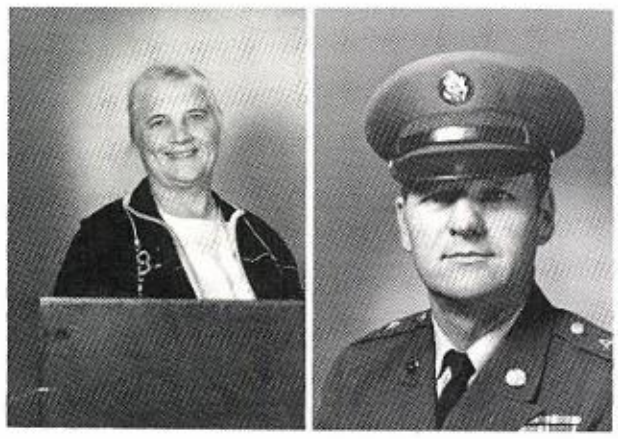
Bible, ROTC, Build Characters



Miss Janet Robinson
Sgt. Frank C. Synak

Garinger's Bible department strives to give the student a better understanding of the Bible. Classes are not constructed so as to lean towards one religion but to teach the Bible as history. Each year the Bible department, along with the choral department conducts the Christmas and Easter programs.

Reserve Officers Training Corps, is a new course at Garinger this year. Students learn military fundamentals such as American Military History, drills and ceremonies. Developing good citizens is ROTC's primary goal and the able leaders strive to achieve it.

B. J. Thomas Selected 1971 Beauties

B. J. Thomas consented to judge Garinger's class beauties this year. He is a talented singer, well-known for such hits as "Hooked On A Feeling", "I Just Can't Help Believing", and "Most of All". Of all his many recordings, the one that brought him the most acclaim was "Raindrops Keep Falling On My Head". Burt Bacharach and Hal David chose B. J. to record the song for the sound track of the film "Butch Cassidy and the Sundance Kid". It was selected to receive the Academy Award for the "Best Song".

B. J. was contacted through Miss Roberta Skopp of Steve Tyrell Enterprises, Ltd. and his choices are pictured on the following pages.

Chief Marshals

Chief marshals: Bob Creed, Charlie Kirby, Leslie Davis, Patty Wedel, Gary Robinson, and Vernon Piehl.

One of the greatest honors that can be given to a member of the junior class is that of being a commencement marshal. These students are outstanding members of their class, nominated for their position by homeroom teachers, and chosen through secret ballot by a faculty committee. The chief qualities considered in their selection are scholarship, citizenship, service, and personal appearance.

Much of the credit for the excellence of Garinger's graduation exercises belongs to the marshals, whose organization and management of the events helps them to run smoothly. They are present at both the baccalaureate service and the graduation exercises, distributing programs and escorting guests to their seats. The chief marshals are chosen by the marshals themselves, and those so honored escort seniors to their seats and, later, to the stage to receive their diplomas.

Governor's School

Two Garinger students attended Governor's School last summer. They are Bill Lands for art, and Mona Jones for instrumental music. They were chosen to go to the school, which is in Winston-Salem, on the basis of their exceptional ability in their particular talent. Each studied their individual field during the session which lasted 8 weeks.

Each year Governor's School gives many gifted high school students an opportunity to study in greater depth the areas in which they are especially talented.

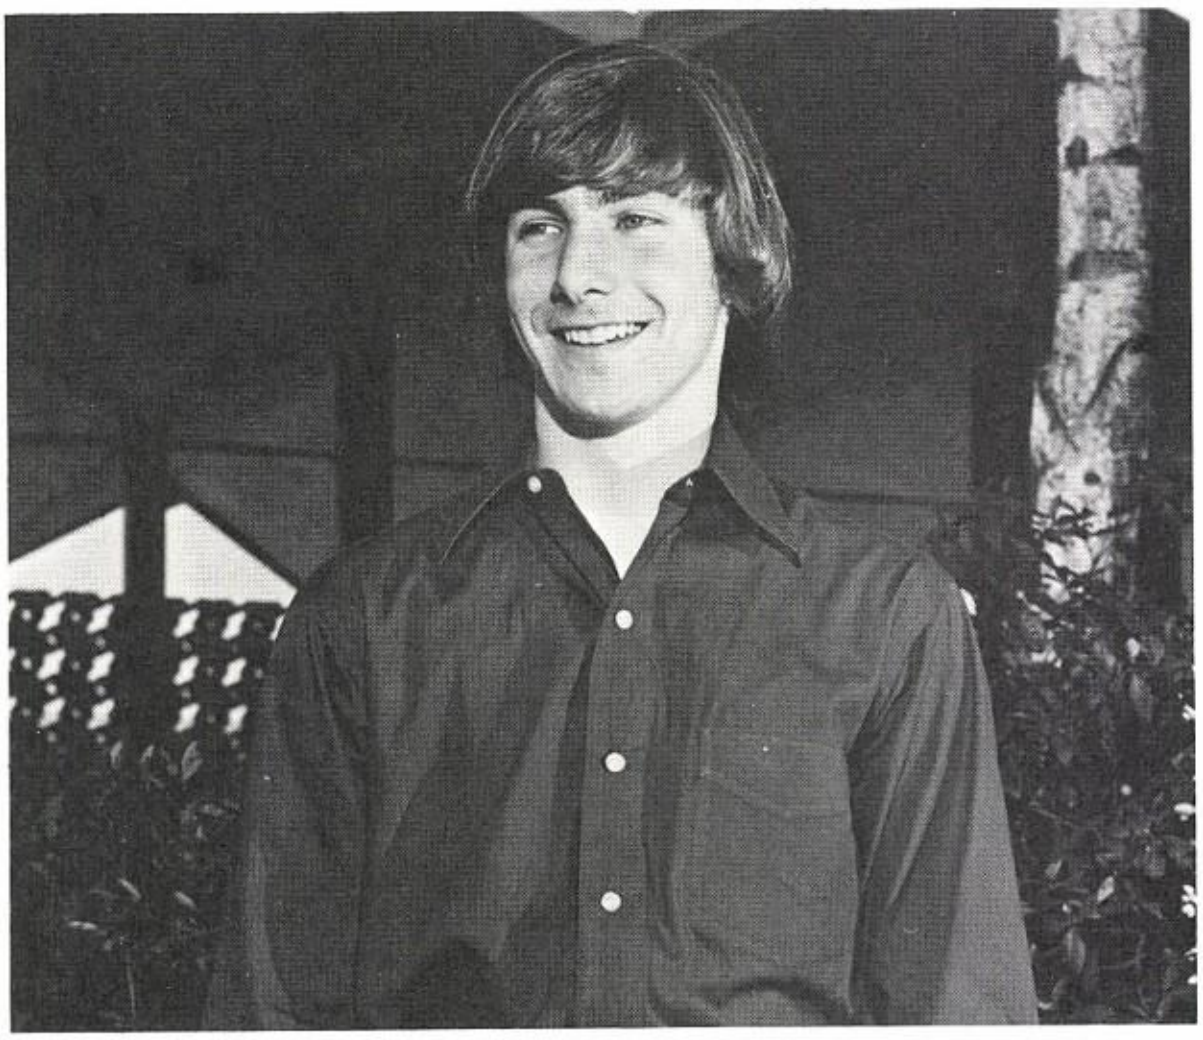
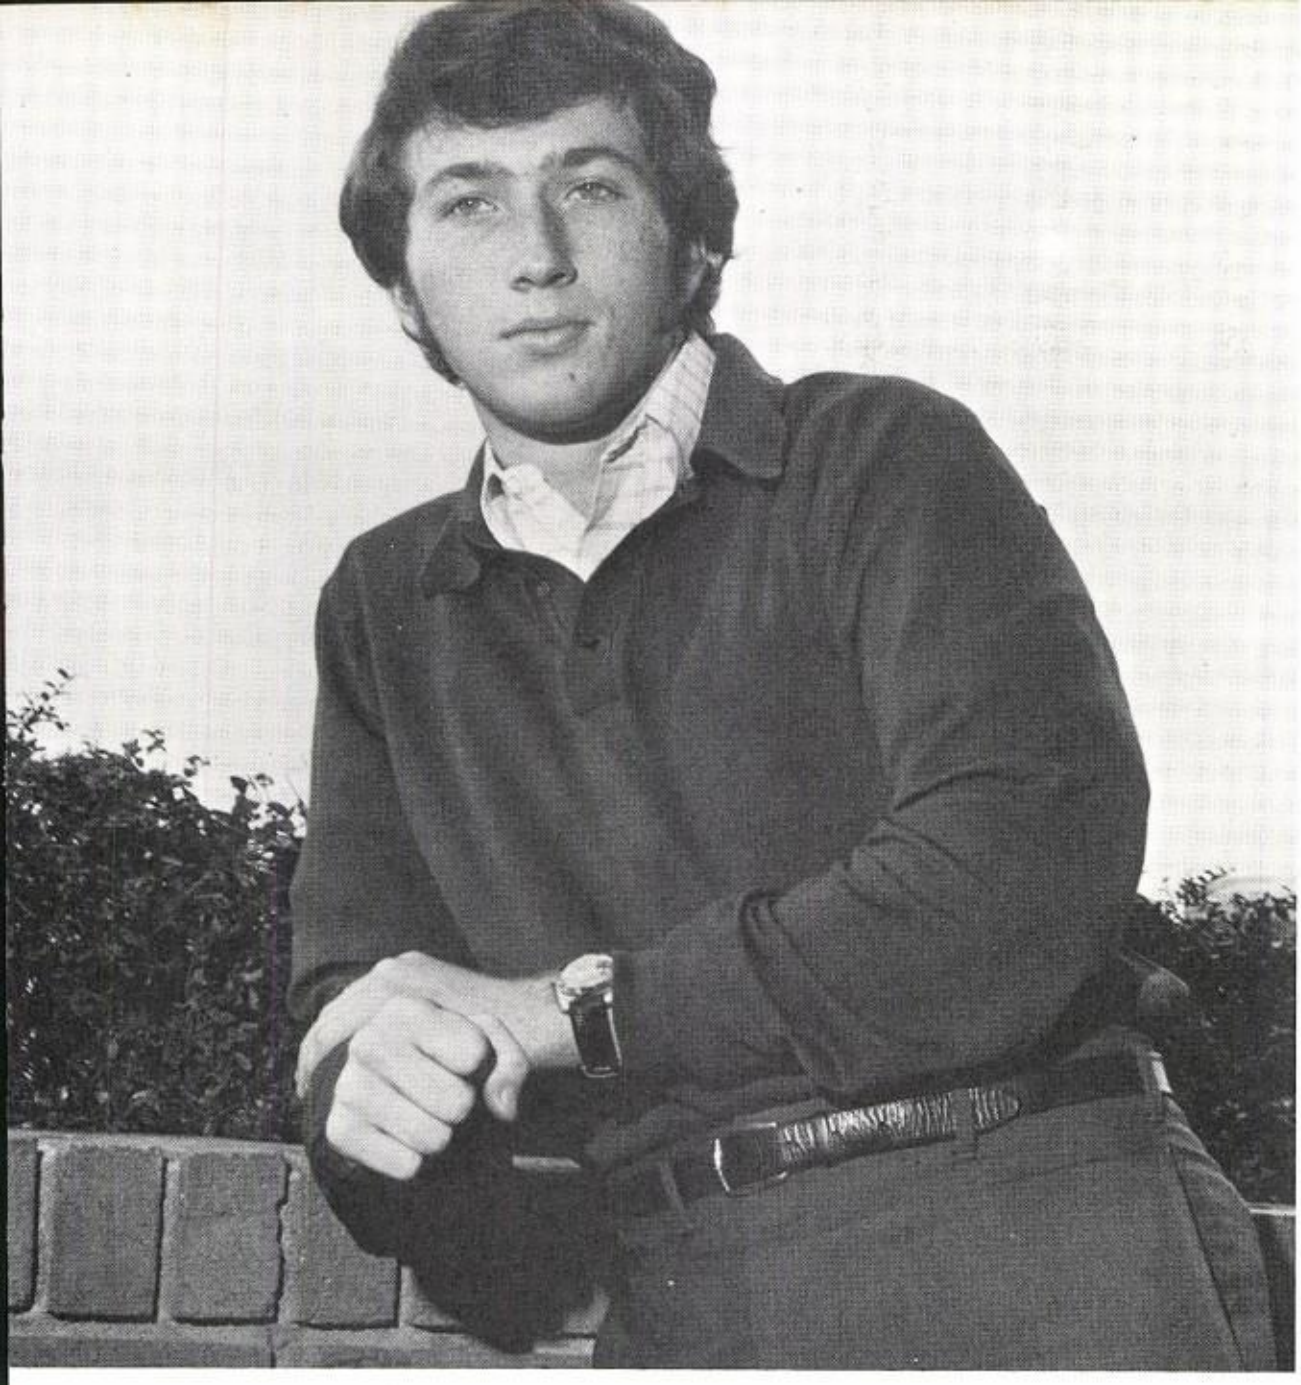
Mike Moody - Ugliest Man on Campus?



That is doubtful, but Mike did win the title in the so-named contest sponsored by the Sophomore class.

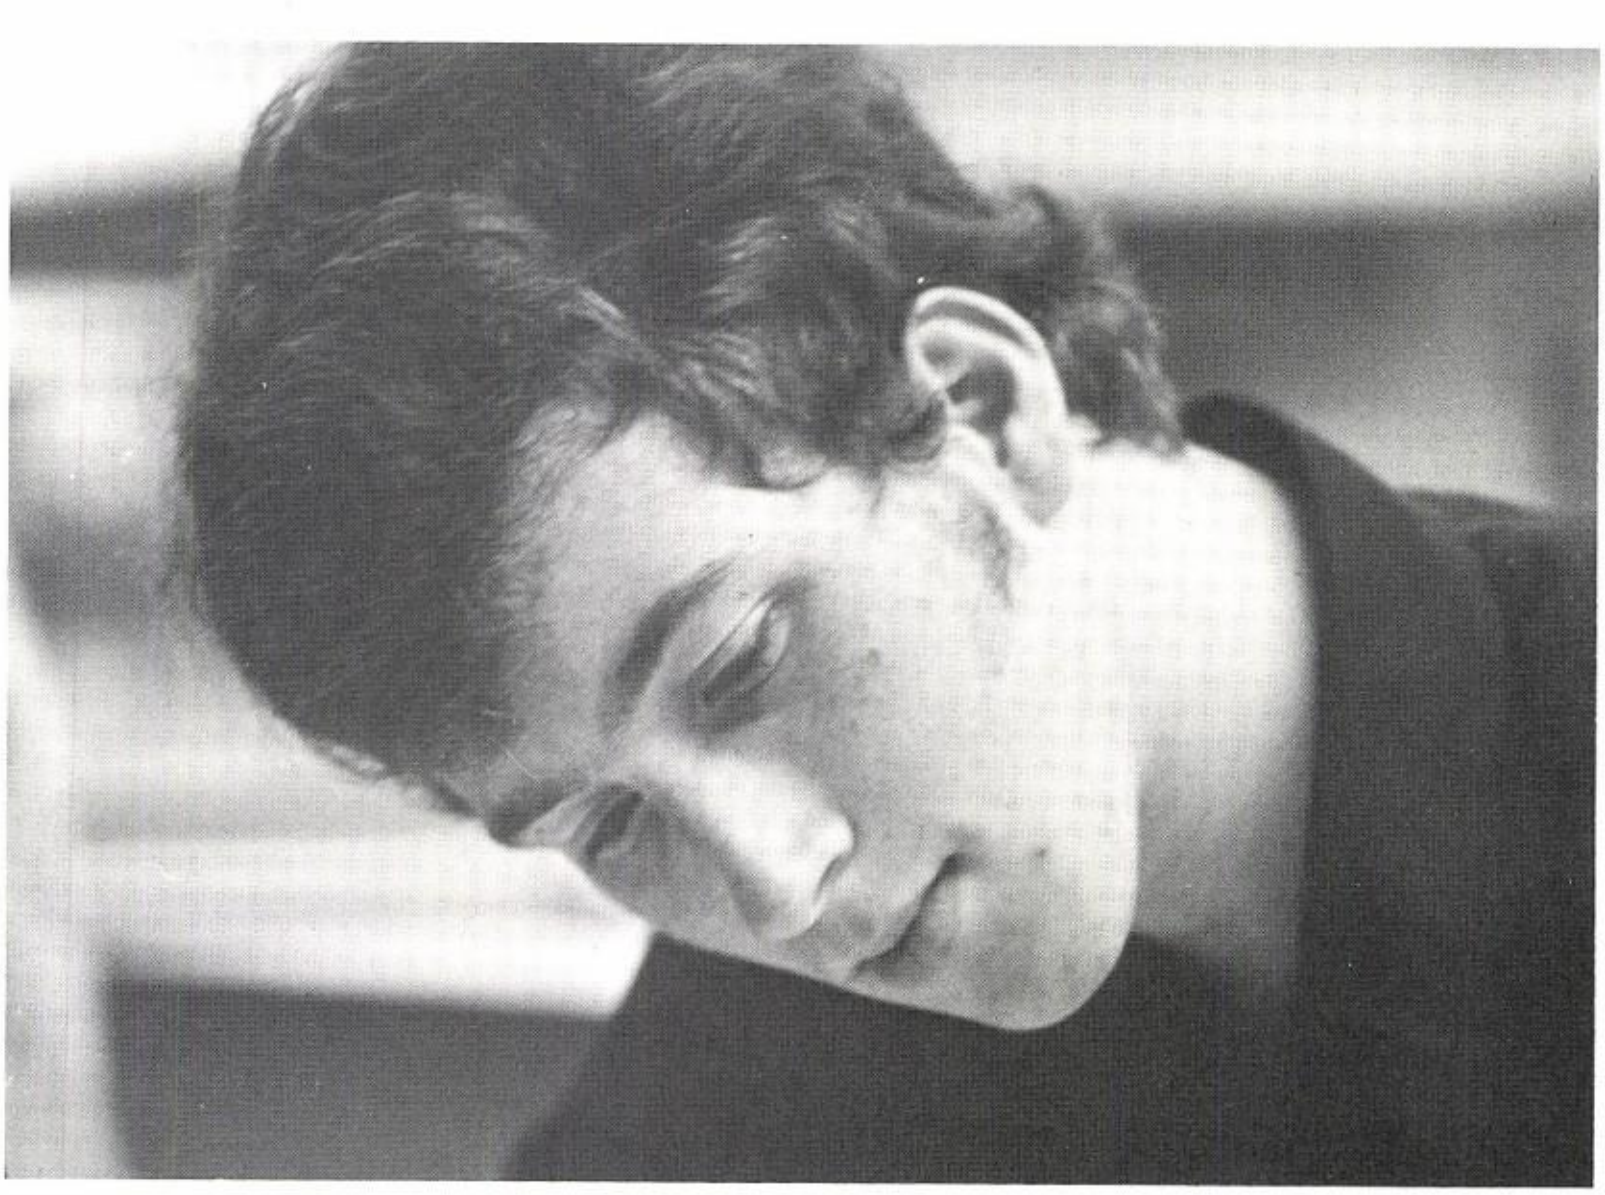
Since the contest was a money raising project, votes were cast at a penny each. Of the six nominees, including seniors Charlie Kirby and Eddie McGinnis, juniors Mike Moody and Pete Morgan, and sophomores Alex Alexander and Jeff Davis, Mike Moody received the largest number of votes. It could be suggested that, instead of being the ugliest candidate, Mike simply has the richest friends.



Monty Willis Received Harvard Book Award.

Monty Willis was chosen by members of the faculty and the principal to receive the Harvard Book Award on the basis of his outstanding character and scholastic ability.

Presented each year to a rising senior boy, the Harvard Book is a collection of articles written by alumni of Harvard University. In addition to being an honorary award, it is an inspiration to the boy who receives it to maintain his level of achievement in college.



Monty was selected because of his outstanding scholastic ability.

at 1970 - 71 Homecoming

On October ninth, Garinger hosted Independence High School at the twelfth annual Homecoming game at Memorial Stadium. Following the Garinger tradition, the crowning of Robbie Isenhour as the Homecoming Queen climaxed the halftime activities. Attended by the members of her court, Patty Wedel and Beverly Cureton, Robbie was crowned by Mr. Edward Sanders, former Garinger principal. Last year's Homecoming Queen, Carol Wedel, presented her with a bouquet of red roses.

Bob and Howard Attended Boys' State

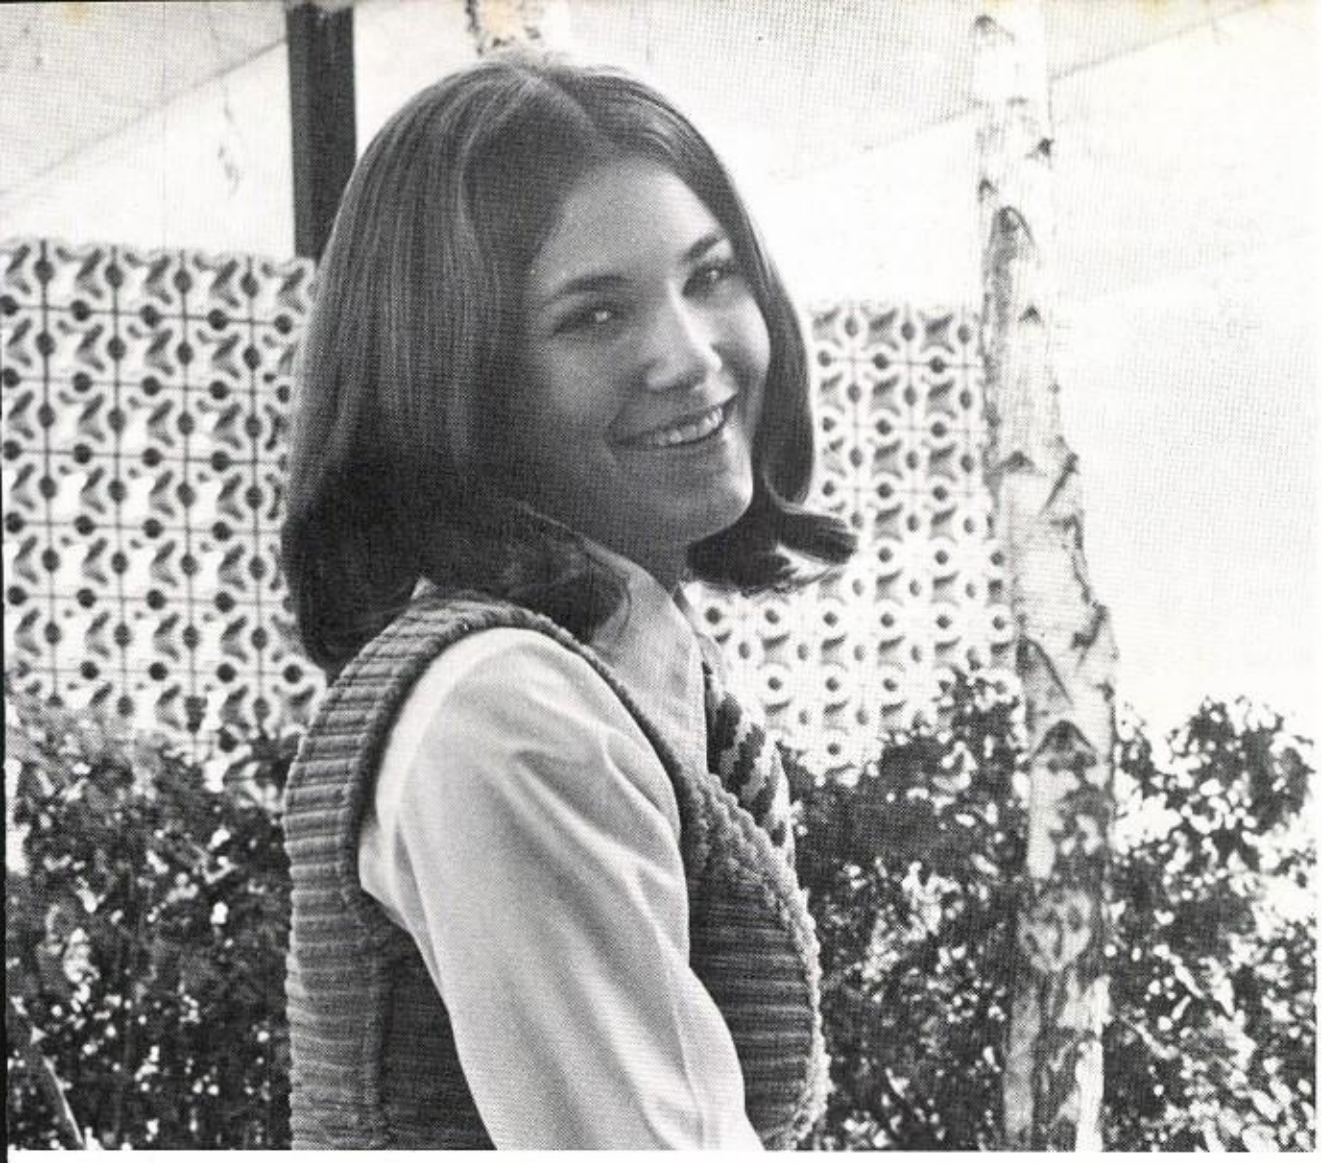
Boys' State is an American Legion sponsored event, organized to give certain rising senior boys an opportunity to learn more about state and local government.

Bob Creed and Howard Long were chosen to go to Boys' State last summer. While there, they participated in mock political conventions and elections. They were also involved in the organization of legislative houses, which went through the procedures of passing laws.

Pat Renaud - National Merit Semi - Finalist

On the basis of her scores on the National Merit Test which she took last February, Pat Renaud was chosen as a semi-finalist, competing for a National Merit scholarship. As a semi-finalist, Pat was asked to write an essay concerning her future plans and goals.

In order to qualify as a finalist, a student must be endorsed by her school and receive high scores on the Scholastic Aptitude Test. Although selection for a scholarship is based on the student's scholastic ability, the amount granted is determined by the individual's financial needs.



Patty Selected for Award

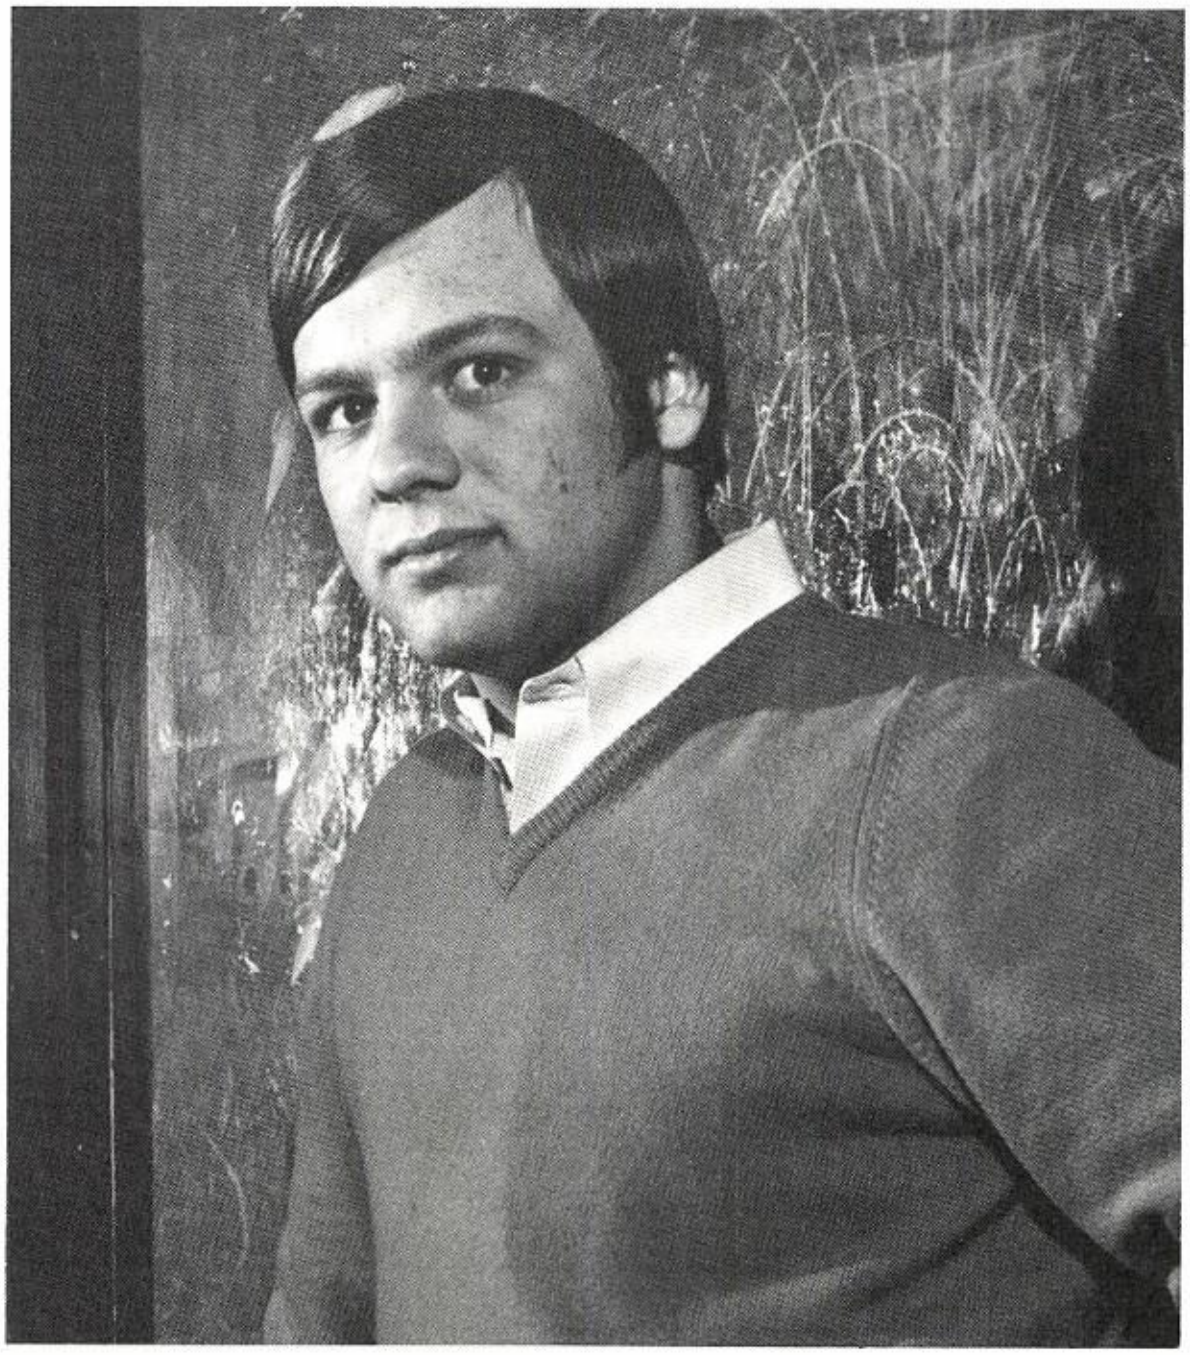
From nearly twenty-five nominees, Patty Wedel was chosen by the senior class to receive the D.A.R. Award. Presented by the Battle of Charlotte Chapter of the Daughters of the American Revolution, the award honors a senior girl who demonstrates not only patriotism and citizenship, but also dependability, leadership, and scholarship. Patty was an excellent representative in the competition with D.A.R. Award winners from other Charlotte high schools.

Morehead Semi - Finalist

Seven senior boys were selected by the Garinger Faculty Nominating Committee as nominees for the Morehead Scholarships, given each year by the University of North Carolina at Chapel Hill. They were David Autrey, Bob Creed, Mike Gathings, Keith Jefferson, Charlie Kirby, Vernon Piehl, and Monty Willis. These seven boys, and the nominees from the other area high schools, were interviewed by a local committee.

Mike Gathings was one of the twelve outstanding students who were recommended to the District Morehead Committee, one of ten similar interviewing committees in the state.

The Morehead Scholarships are honorary grants which cover all expenses for four years of undergraduate study at Chapel Hill. Selections for the grants are made on the basis of good character, leadership, scholastic ability and attainments, physical vigor in extracurricular activities, and outstanding citizenship, integrity, and courage.



Mike Gathings was one of Charlotte's semi-finalists.

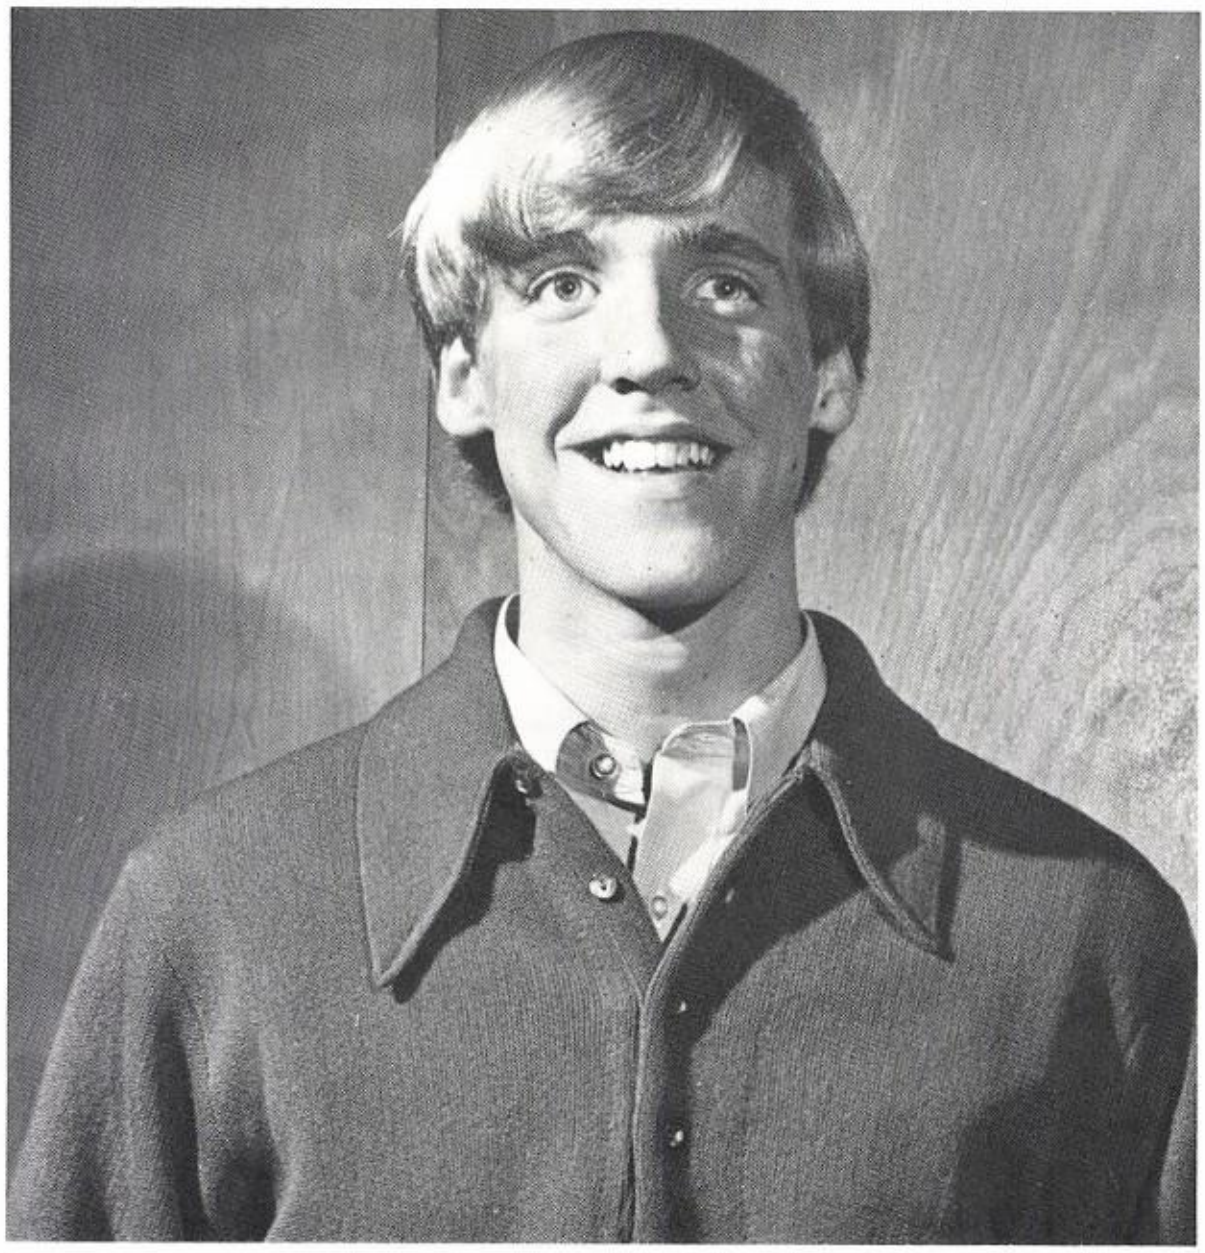
Carrousel Princess - Robbie Isenhour

Miss Robbie Isenhour was chosen by the senior class to be Garinger's Carrousel Princess for 1970-1971. Robbie represented Garinger in the annual Carrousel Parade on Thanksgiving Day and in the Huntersville Parade on December twelfth. She was presented at the Band Showcase and competed with other outstanding girls from North and South Carolina for the title of Carrousel Queen for 1971. During the competition, the Princesses are judged on the basis of beauty, grace, poise, and regal bearing. Robbie is a lovely example of all of these notable qualities.

N.C.A.S.C. President

In November, Don Hughston was elected to preside over the newly formed North Carolina Association of Student Councils. The N.C.A.S.C. is the result of a merger of the former North Carolina Association of Student Councils and the North Carolina Student Council Congress, of which Don was president in his sophomore year.

The N.C.A.S.C. is a subsidiary of the National Association of Student Councils and includes all student councils in the state that wish to be members. The association endorses state-wide youth programs and sponsors leadership workshops in the summer. In addition to attending those last summer, Don represented North Carolina at the Student Burgess in Colonial Williamsburg and at the national convention in Indianapolis, Indiana. He also went as Garinger's representative to the National Leadership Conference in Hot Springs, Arkansas.



Don Hughston was elected at first convention of the N.C.A.S.C.

Randy Sansbury's speech won honors in the Voice of Democracy contest.

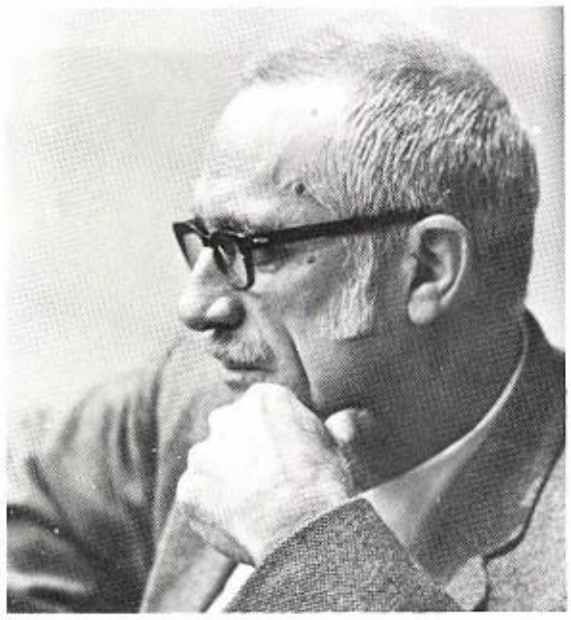
Voice of Democracy

This year, Randy Sansbury won the twenty-fourth annual Voice of Democracy Contest, sponsored by the Veterans of Foreign Wars of the United States and the Ladies' Auxiliary to the V.F.W. The contest is a broadcast scriptwriting scholarship program for high school students who wish to voice their opinions on patriotic themes. This year's theme was "Freedom - Our Heritage". Randy's three to five minute speech won him top honors at Garinger, for which he received a twenty-five dollar U.S. Savings Bond and a medal.

Mrs. Hawn was greatly responsible for the success of the contest at Garinger.

The National Honor Society

Mrs. Greta Kistler



Mr. Karl Sawyer

Membership of the Garinger chapter of the National Honor Society is composed of juniors and seniors who have demonstrated qualities of leadership, character, and service and have maintained at least a 3.0 scholastic average during three consecutive semesters at Garinger.

It is the purpose of the society to recognize outstanding students and to encourage their growth in the qualities on which membership is based. Officers are elected on a semester basis, and advisors Karl Sawyer and Mrs. Greta Kistler provide added leadership to the society.

Valentine Queen Chosen

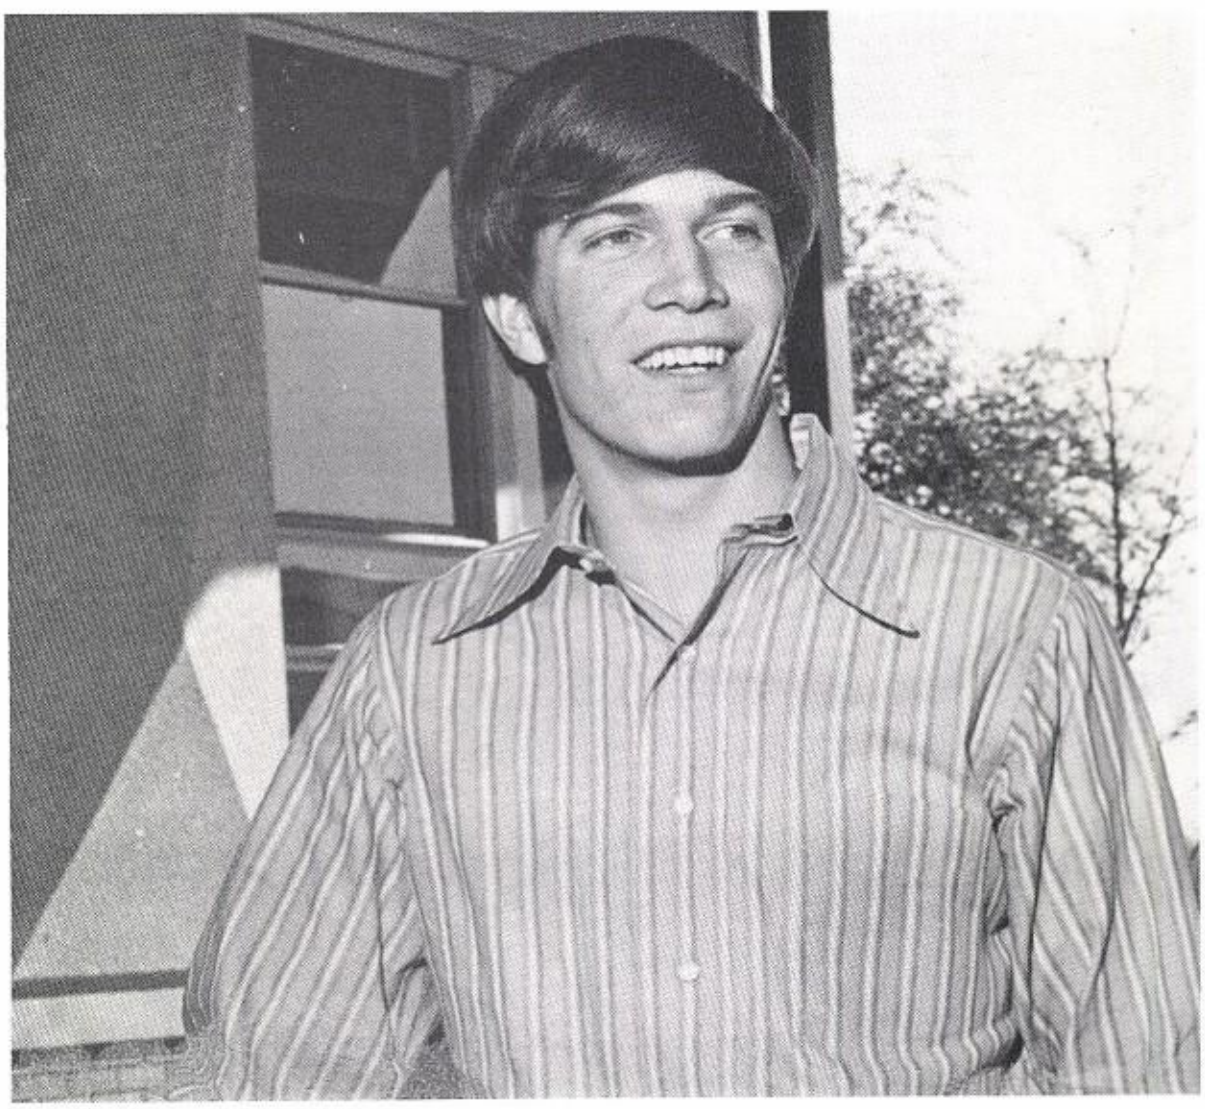
Valentine Queen and Court: Julie Farrington, Brenda Lee, Marcia Brooks, Pat Williams Queen, Pat Downey, Jeanne Waller, and Vonda Cureton.

Pat Williams was crowned as this year's Valentine Queen on Friday, February 12, during intermission of the play "The Old Man's Money". She and the members of her court were chosen by their respective classes from a group of girls nominated by the Rambler staff. The court included seniors Pat Williams, Marcia Brooks, and Pat Downey, juniors Brenda Lee and Jeanne Waller, and sophomores Vonda Cureton and Julie Farrington.

Dan Cupid - Greg Belk

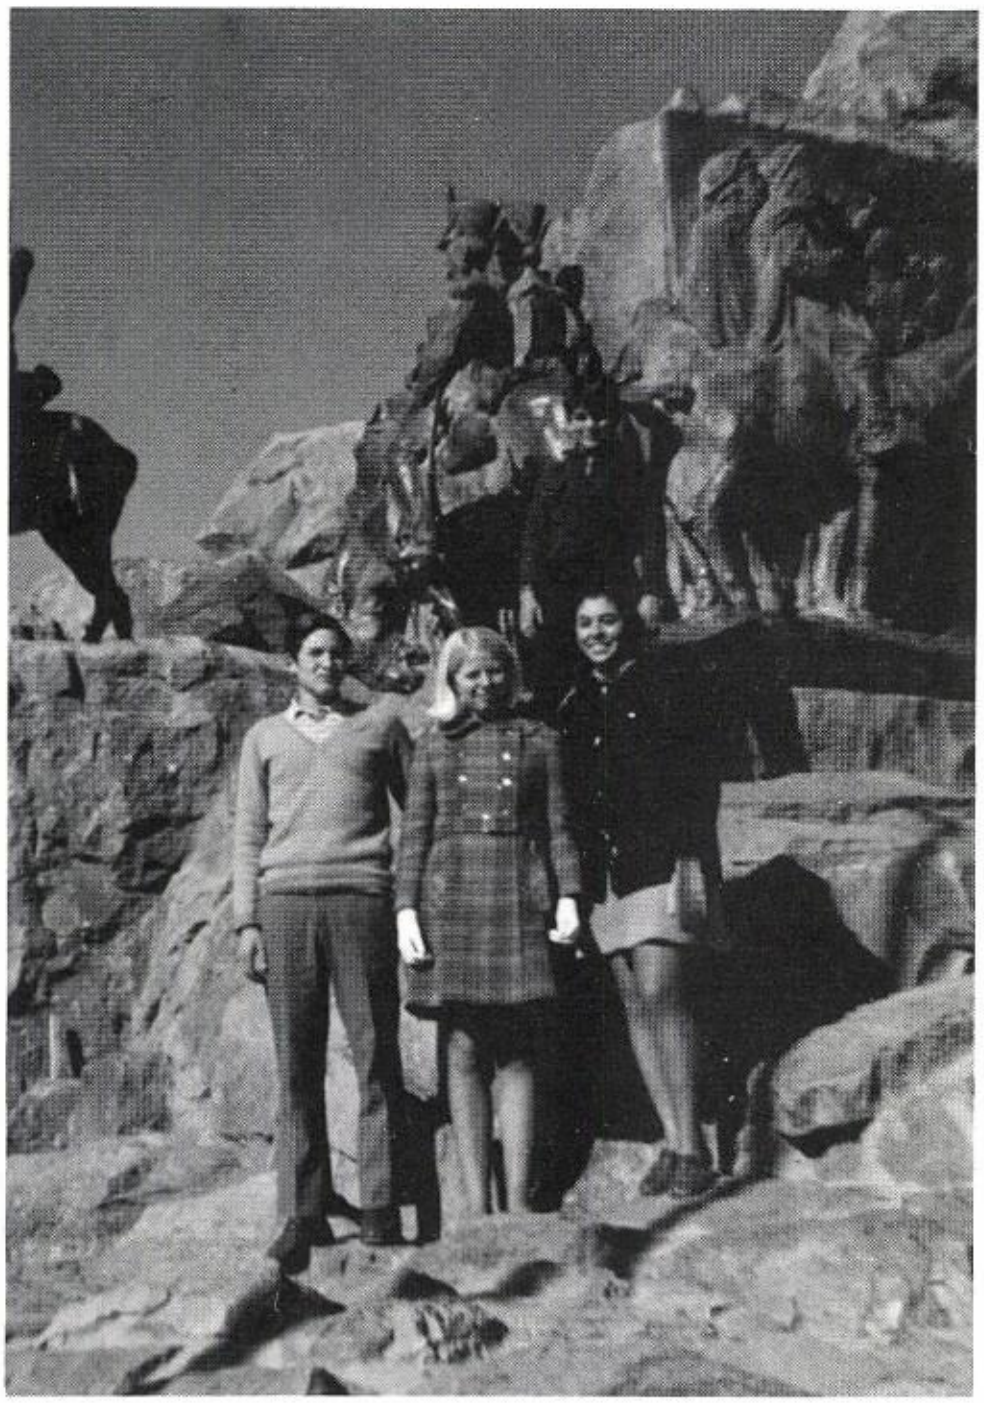
This year the Key Club sponsored a new contest at Garinger. They nominated two boys from each class for the title of "Dan Cupid". The nominees were Greg Belk and Chico Dunlap from the senior class, Charles Cathey and Richard Snider from the junior class, and Jim Courtney and Phil Hughston from the sophomore class.

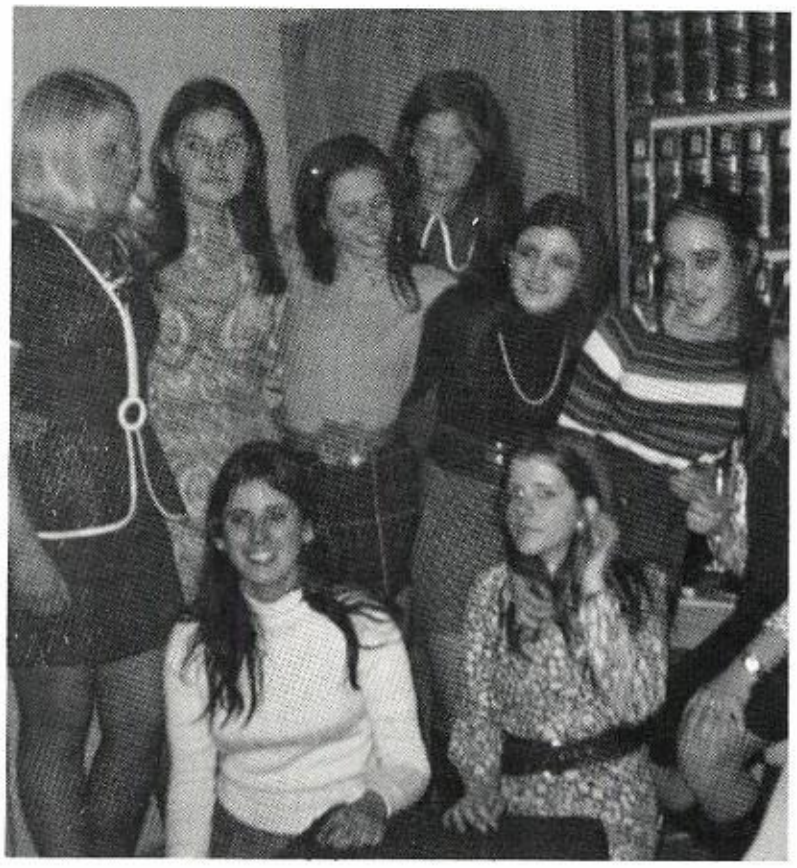
Greg Belk won in the penny-a-vote election with Chico Dunlap running a close second.



Sandi Spent Summer in Argentina

Each year, the Charlotte Student Exchange Program selects a number of area students to live as exchange students in other countries. Sandi Logan was one of the seventeen students chosen. Sandi spent the summer with the Basile family in Mendoza, Argentina, at the base of the Andes Mountains. Her "adopted" family included her parents, her sister, Ines, with whom she attended a Catholic girls' school, and three brothers, Daniel, Sergio, and Eduardo. Among her many activities, Sandi enjoyed traveling from her desert home to the snow-covered Andes and going to boites, or night clubs, with her friends. Above all, meeting the Argentine people was the most fascinating and rewarding experience for Sandi.





Sandi celebrated her birthday with friends from her school.

Sergio, Ines, and Eduardo posed with Sandi at Cerro de la Gloria.

Rosita Mickel from Venezuela

This year, Garinger was fortunate to have Rosita Mickel as an exchange student from Maracay, Venezuela. The Charlotte Student Exchange Program arranged for her to come to the United States to live with the Rogers family, from September until the end of the year.

Rosita was better prepared to come to our country than most exchange students, for she has attended an American school since the first grade. She has also been tutored in French, her favorite subject at Garinger, and in German.

In Venezuela, Rosita is an only child, but here she has two sisters, Pamela and Robin, a senior at Garinger. Miss Steele has been her faculty advisor who has helped her with any problems that have developed.

When asked what she liked best at Garinger, Rosita replied, "The people, because they are so friendly."

Due to the fact that elections were held at the beginning of this year, instead of last spring, the Student Council got off to a late start. Instead of the usual four officer committee, there was a nine member executive council this year. This change was made to give equal representation to all students at Garinger High School. The new committee was composed of the three white students and the three black students who received the most votes in the election. The next three people receiving the highest amount of votes filled the remaining positions.

To involve more students, representatives were chosen at random to attend the council meetings and discuss the problems and affairs of our school.

This year's activities included sponsoring the Miss Blue and Gray Beauty Pageant. The Student Council also gave out traffic tickets to those who violated parking lot rules.

This year's **Snips & Cuts** staff made several additions to the annual that hopefully pleased the Garinger student body. The **1971 Snips & Cuts** was larger and had more color than any previous Garinger yearbook. The staff also introduced a new section called "Student Life". This new division was filled with candid shots of students in their various activities.

Plans for the book started as early as May of 1970. The staff was chosen and jobs were assigned. During the summer, the editor-in-chief and three section editors were sent to Furman University for a yearbook workshop. This workshop proved beneficial in preparing them for the hard job that lay ahead. Hard work and cooperation given by each staff member allowed the **1971 Snips & Cuts** to become a reality.

Publication a Success

One of the symbols of Garinger that was brought from the old Central High School is the willow tree which stands beside our library. Each year, to further this tradition, Garinger students publish the literary magazine, **Under the Willow Tree,** a collection of short stories, poems, and essays written and illustrated by students. Written works are submitted to the literary staff for evaluation, and those chosen for publication are illustrated by the art staff. The end result is a magazine of which all Garinger students can be proud.

Wildcat Club Synonymous with Service

The responsiblity of promoting school spirit and well-being lies in the hands of the Wildcat club, who carried out this task with great success this year.

To start the year off right they put out a "welcome orientation sheet" which contained several of our cheers. To follow up this project they sponsored five very successful bus trips to our out-of-town football and basketball games. The members also helped the cheerleaders by making posters and sponsoring a basketball game.

After our football team's fantastic season, the Wildcat club presented Coach Wright and the players with an engraved plaque. As a money-making project the club sold booster badges for the football games. The Wildcat club's spring projects included sponsoring a "car wash station" for the Kidney Foundation's annual car wash and a Wildcat clean-up.

This year Garinger's Interact Club tackled projects that not only served our school but the community as well. The members of this club try to set good examples of citizenship for others to follow.

On February 28, 1971, the Interact Clubs of South, Garinger, and Myers Park, sponsored the "Serendipity '71 Youth-In". This was a city wide display of talent. The members also coached basketball teams for boys at the Johnson YMCA. This year the Interact Club formed a board of directors to give more people a chance to become involved in the activities and decisions of the club.

Pam Kidder, Interact's sweetheart, was honored at a club meeting with a club pin and a necklace. She serves as an honorary member and takes an active part in all club activities.

Key Klub for Kon - Krete

This year's Key Club provided responsible service to Garinger and promoted better understanding among students. Within the club's organization, many new committees were formed to utilize the available talent.

Key Club's social events included a Christmas Party in December and a Father-Son Dinner in January. Service projects included sponsoring the paving of the sidewalk outside of the 300 building and participating in "Operation Drug-Alert." The annual Key Klub Kapers, a talent show sponsored by the club, provided money for their scholarship fund.

Sophomore Club

Adelphians is a service club for sophomore girls. Throughout the year they carry out service projects for Garinger and the community.

This year's Adelphians helped several community projects including the Danny Thomas Lukemia Foundation, the Heart Fund, and the March of Dimes. During football season, the Adelphians sold football programs at all the home games. They were also a great help at the Junior-Senior Dance where they served refreshments.

For money-making projects, the club sold doughnuts and had a car wash. The money from these projects went to the Exchange Student Fund and the Scholarship Fund.

After a year of hard work, the girls relaxed by taking a trip to the beach in the spring.

Girls' Good Sports Club plays a very important part in the activities around Garinger and Charlotte.

During football season, G.G.S. sold twirlies, decorated the stadium, and sold chrysanthemums at Homecoming.

They were also quite active during the Christmas season. They decorated the Christmas tree in the Pit, sold Christmas tree cake pans, and had a tea for old G.G.S. members.

Throughout the rest of the year, G.G.S. had money-making projects to help pave sidewalks in the back of the school. With all this work these girls still had time to win the annual G.G.S. - Centrusa powder-puff football game. These projects, however, could not have been completed without the time and energy put out by their advisor, Miss Haney.

"Younger than Springtime"

For many years Centrusa has helped its members become leaders and has taught them to fulfill their main purpose in life—to help others. To attain their goal of serving Garinger and the community, Centrusa contributed to the Empty Stocking Fund and the Foreign Exchange Student Fund and collected for the Heart Fund. To raise money for these charities the members sold Garinger pennants. In December an Alumna Tea was held at Mrs. Hawn's and in October an Induction Dinner was held for new members.

The highlight on Centrusa's calendar was their annual fashion show "Younger Than Springtime" on February 18. Proceeds from the show went to scholarships for two senior girls. Despite all of these service activities, these girls still had time to square off against arch-rival G.G.S. in a hard fought football game and an exciting basketball game. At the end of the year, Centrusa takes a well deserved trip to the beach. There they celebrated all their triumphs and forgot all of their disappointments.

Y-Teens Get a Late Start

Although the Y-Teens got off to a late start, the club was still able to carry out several worthwhile projects for the community. During Christmas the girls dressed dolls for the Salvation Army. They also took part in the Late Start Program and held an Easter egg hunt for some under-priveledged children.

For self improvement the Y-Teens took a course in auto mechanics and a course in arts and crafts at the YWCA.

Unicef Sells Garinger Sweat Shirts

United Nations International Children's Emergency Fund provides money for food, clothing, and medical expenses to deprived or underpriviledged children throughout the world. The Garinger chapter of Unicef supports a thirteen year old orphan in South Vietnam.

Their projects this year included collecting for "Trick or Treat for UNICEF" and selling UNICEF Christmas cards. Money-making projects included the sale of Garinger sweat shirts in February and the annual Teacher Auction in April.

Youth Is You

Under the direction of the National Red Cross Youth Department, Garinger's Red Cross organization performed service projects on a school, local, and international level. Not only did they provide food for the needy during Thanksgiving, but they also helped to prepare and distribute favors to Memorial Hospital patients on Christmas Eve. To make life happier for the wounded men in Vietnam, scrapbooks containing jokes, cartoons, and puzzles were sent to the hospitals overseas. The Garinger Red Cross also took part in a Head Start Program to help underprivileged children for school. The enrollment drive was a tremendous success this year. It surpassed former record amounts that were collected.

During the summer, Red Cross recruits served as aides at Wesley Nursing Center, and Mercy Hospital.

FTA Builds Strong Leaders

Garinger's Future Teachers of America Club completed a busy year. Members aided teachers at various times and served as guides for Open House at P.T.A. The future teachers also planned to attend a state convention in the spring.

The main objectives of the F.T.A. are to encourage students to teach as a profession, to offer guidance to future teachers, and to build strong leaders.

Tournaments Provide Experience

To encourage the intellectual game of chess is the the main purpose of the Chess Club. The members of this club gain a higher mental achievement and fellowship while, at the same time, enter into match competition. This year, tournaments with other schools were held at the Charlotte Downtown Public Library on Sunday afternoons.

Offices Have Dependable Help

Office assistants help the teachers and secretaries in each office daily by performing such services as delivering mail and getting students out of class for counseling appointments and telephone calls. At the beginning of the year, office assistants help new students adjust to Garinger by giving friendly directions. These assistants are chosen on the basis of responsibility and dependability.

Bus Drivers Essential to School Operation

With more students relying on buses for transportation the bus drivers have provided an important service not only to their fellow students at Garinger but also to students of surrounding elementary and junior high schools.

The Charlotte-Mecklenburg school system owes these safety conscious students much gratitude for their devoted time and efforts.

Vica Goes to District Leadership

Garinger's Vocational Industrial Club of America is part of a national youth organization composed of students enrolled in industrial education programs. The motto of this group is "Preparing for leadership in the world of work". Vica provides its members with the opportunity to participate in educational, social, recreational, and vocational activities, while, at the same time, developing leadership, character, and self-confidence.

This year's projects included selling jewelry to raise the club's annual budget. Vica's members participated in the District VI Leadership Training Conference which was held at Shelby High School in February. During the spring, a social was held for the members.

C. O. O. Builds Up Treasury

Members of Cooperative Office Occupations Club are given the opportunity to mature socially by being able to work together and to share ideas and experiences outside the classroom.

This year's club carried out quite a few successful projects. At the beginning of the school year, C.O.O. had a special dinner meeting where they elected officers. During Christmas, the club was very successful in helping a needy child. Also over the holidays, the members met at Mrs. Shull's home for a Christmas party. Money-making projects included a bake sale in February, a paper drive, and a candy sale. Towards the end of the year, the club held its annual C.O.O. banquet.

Members Prepare for Health Careers

The Health Occupations Club gives an introduction of what is expected in a health career within and without a class atmosphere. The club, in its second year at Garinger, grew measurably. This growth allowed the Health Occupations Club to be a much more active organization here at school and in the community.

Meetings at different members' houses provided the club an opportunity to plan several service projects and social activities. One service project included giving a Bingo Party at the Rehabilitation Hospital.

The 1970-71 Garinger Choir was one every student at Garinger could be proud of. They practiced each day during third period to prepare for such programs as the Thanksgiving Assembly, the Community Messiah, the Christmas Concert and Assembly, and the Mars Hill Festival. During the half-time of the Garinger-Winston Salem Atkins football game, the Choir, along with the Girl's Ensemble and Marching Band, performed quite a memorable show.

The Choir was also rather active during the spring with such activities as the District Contest in March, the North Carolina State Choral Festival in April, the Easter Sunrise Service, and Honors and Awards Day.

The Sandrettes are a part of the Choir. These girls were chosen for their special talent in music. This group of girls, along with a select group of boys from the Choir, form the Garingertown Singers. Throughout the year, these special groups sang for different organizations in the community.

Ensemble Goes to Mars Hill

Girls' Ensemble is a group of junior girls who are capable of performing music of an advanced nature. Under the careful direction of Mr. Sanders these girls gain valuable musical training and experience.

During the year, this talented singing organization provided many audiences with captivating entertainment at various concerts and church programs.

After Christmas, the Girls' Ensemble participated in the Mars Hill College Festival and also a district choral concert.

At the end of this concert-filled year, the girls take a trip to the beach as a reward for their hard work.

The Garinger Lettergirls are a spirit and precision show group who perform with the Marching Band during games and parades. Practicing during seventh period with the band, the girls worked hard to perfect their routine which they performed during halftime at football games. Their prime purpose is to promote spirit and excell in performance. After football season, the girls kept busy by ushering at band and orchestra concerts.

This year the Lettergirls are comprised of fourteen girls who auditioned for their position at the beginning of the school year. Under the leadership of Nancy Feimster, the girls have done a fine job despite the short time they had to organize themselves. The Lettergirls have played an important part in promoting school spirit and adding to the half-time performance of our excellent Marching Band.

Twirlers March with Band

This year's Twirlers played a vital part in promoting spirit as they performed with the Marching Band. They entertained spectators at football games and parades with their precision and show twirling. Before being considered for a position as twirler, these girls had to be members of the band. Under the direction of Mr. Robert Maddox these young ladies spent many long, strenuous hours preparing routines.

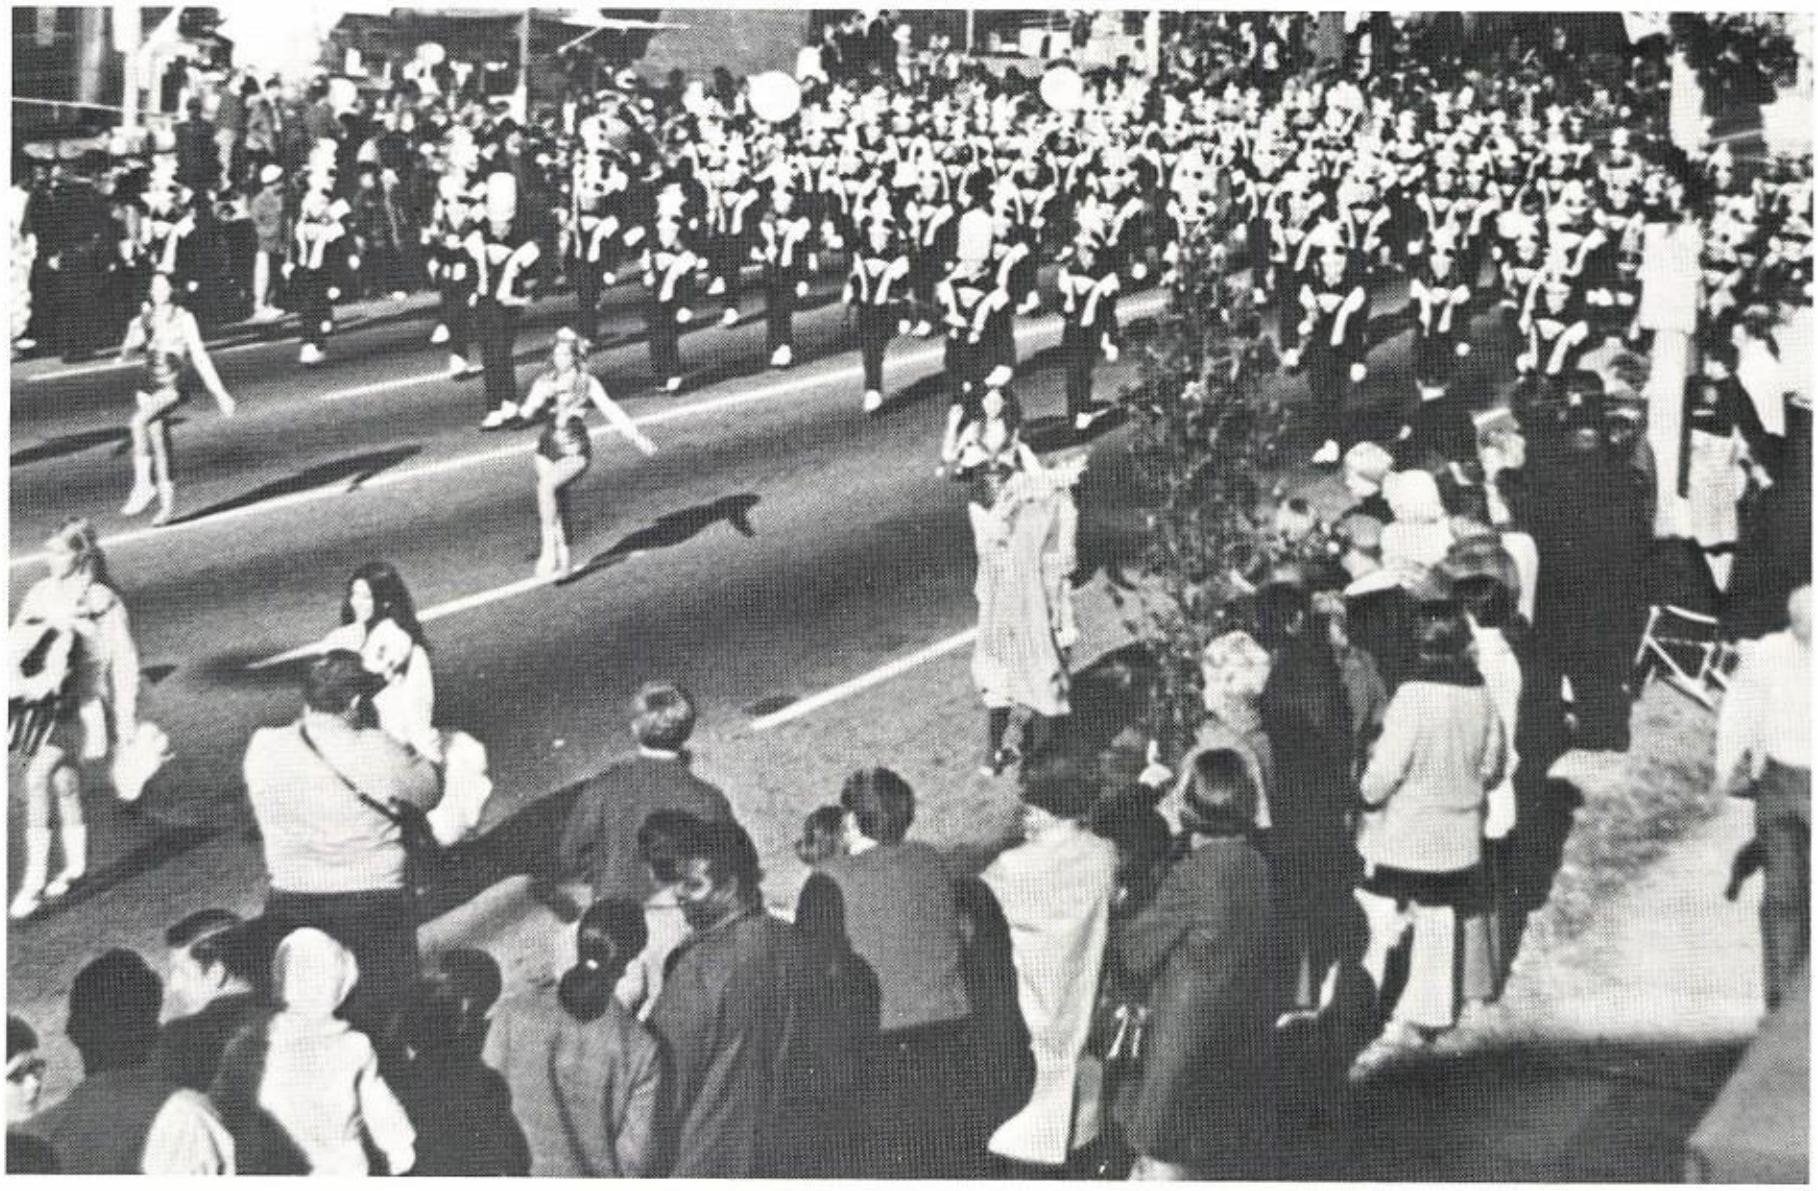
Garinger's spirited marching Wildcats spent many long, hard hours on the drill field this summer preparing shows for half-time ceremonies at football games. Unlike other school bands, Garinger's marching instrumentalists worked up a different half-time show for every game.

This year our band went to Chapel Hill for a Band Day and also played at the Shrine Bowl Game. They marched in the Carrousel Parade and the Huntersville Parade during the holidays.

Under the direction of Mr. Maddox, Garinger's Marching Band represented our school in a fine way this year and really added spirit everywhere they performed.



Symphonic Band Displays Much Talent

Everyday during seventh period in the band room, you could hear Garinger's most outstanding musicians playing contemporary and traditional music. These people made the 1970-71 Symphonic Band.

Under the direction of Mr. Maddox, this talented group explored various pieces of music written by famous composers. Mr. Maddox provided these instrumentalists with a laboratory experience in performing compositions of all types.

During the year the Band performed at concerts and football games.

This year an executive student committee was elected to represent the membership in business matters and student administration. Yvonne Morton was chosen as chairman of this committee.

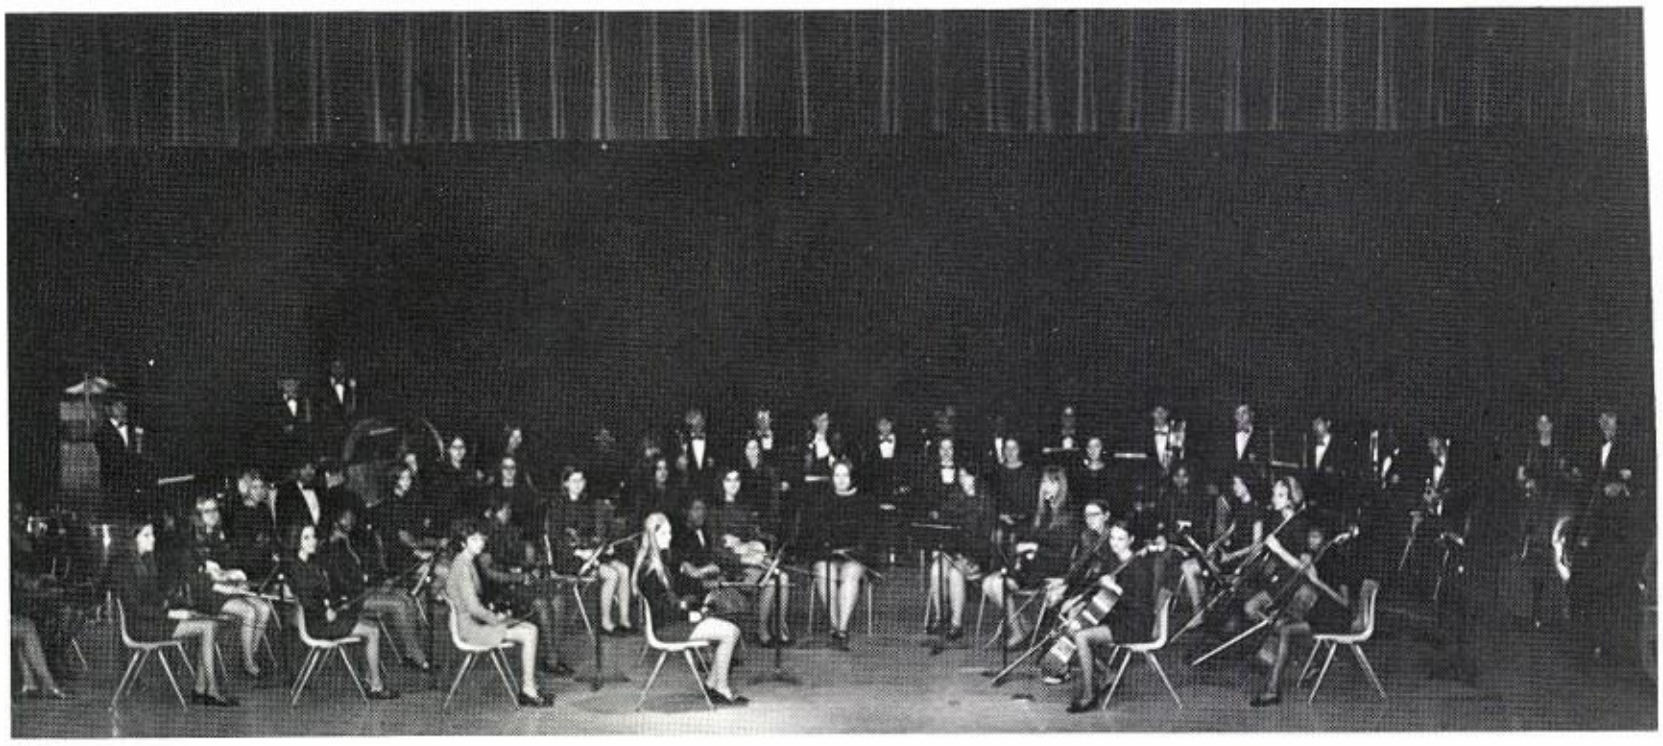
Members of the Concert Band made up approximately one-half of the Marching Band during football season and at parades.

Three concerts were given during the year to entertain students and parents.

Orchestra Blessed with Talent

Garinger's Orchestra, under the direction of Mr. Robert Maddox, rehearse, analyze, and perform music of the masters. Numerous concerts throughout the year provided opportunities for the Orchestra members to demonstrate their musical talents. Garinger is indeed proud of Beejie Funderburke, Shelly McEntire, and Jane Burgess. These girls were chosen for the All-State Orchestra in recognition of their talents.

Serving as the 1970-71 Orchestra officers, Kathy Norman, Melanie Hilder, and Mona Jones did a fine job in taking care of any Orchestra business.



All State Orchestra: Beejie Funderburke, Shelly McEntire, Jane Burgess.

Officers: Mona Jones, Secretary; Melannie Hilder, Vice President; Kathy Norman, President.

Wildcats Are Division 6 Champs

Under the guidance of Head Coach Ron Wright, 1970 was the year for the Garinger Wildcats as they took the Division 6 trophy.

The season opened with a defeat but the mighty 'Cats came back with victories over East, Myers Park, and South. Ashbrook broke the streak by defeating the Wildcats 27-0 but Garinger came back with impressive wins over Independence, Asheville, West Charlotte, Hickory, and Hunter Huss. Garinger then advanced to the State play-offs. Our first opponent was Winston-Salem Atkins and the 'Cats defeated the Camels 26-22. Garinger met Olympic in the semi-finals and the game was an exciting one ending in a 14-14 tie with Olympic being declared the winner as they had more yardage.

Coaches: Standing- Gene Gilleland, Steve Barnhardt, Jim Addison. Kneeling- Head Coach Ron Wright.

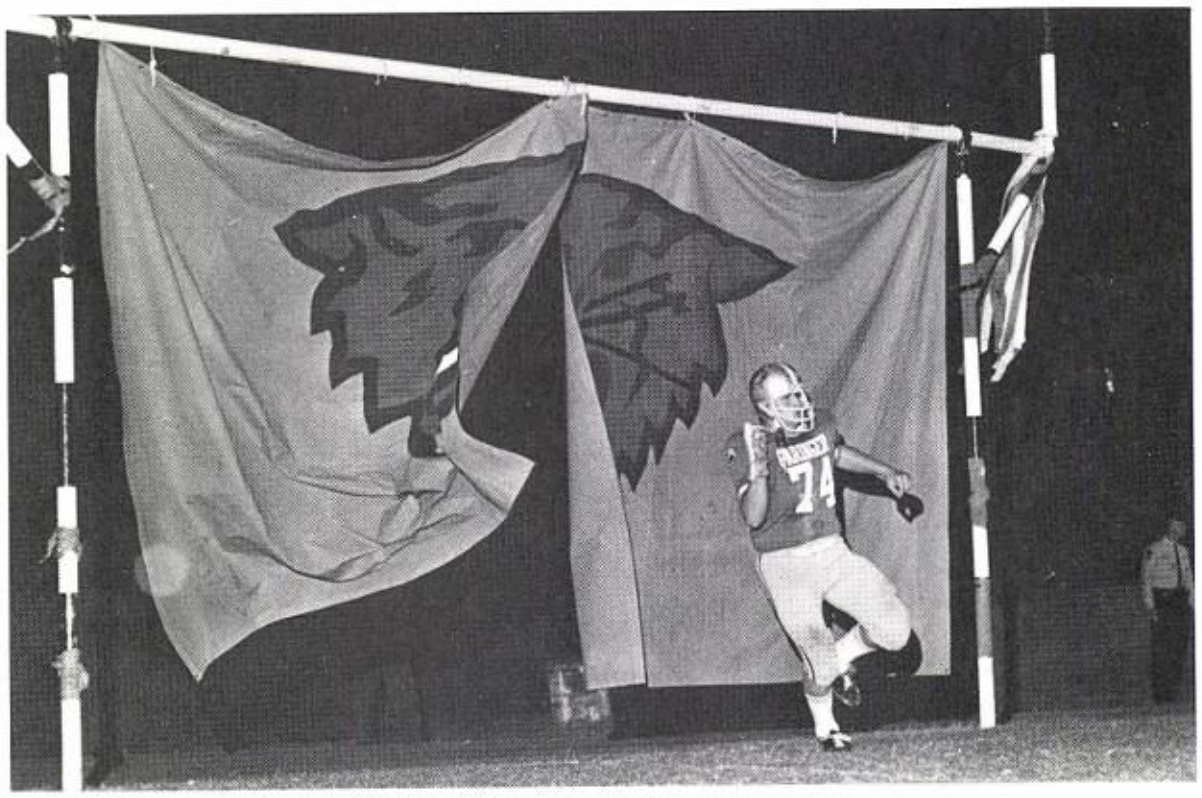
Cats Bow to Rebels

Playing far below their ability, the Wildcats lost their opening game to North Mecklenburg, 26-14.

Down 8-6 at halftime, the 'Cats attempted to bounce back behind the running of David Cook and Chico Dunlap but failed to put anymore points on the scoreboard until quarterback Rico Blake hit Richard Kalista in the end zone for 6 points. Chico Dunlap scored a 2-point conversion for Garinger's final tally, but it was not enough. The 'Cats were outscored 16-8 in the second half to complete the loss.



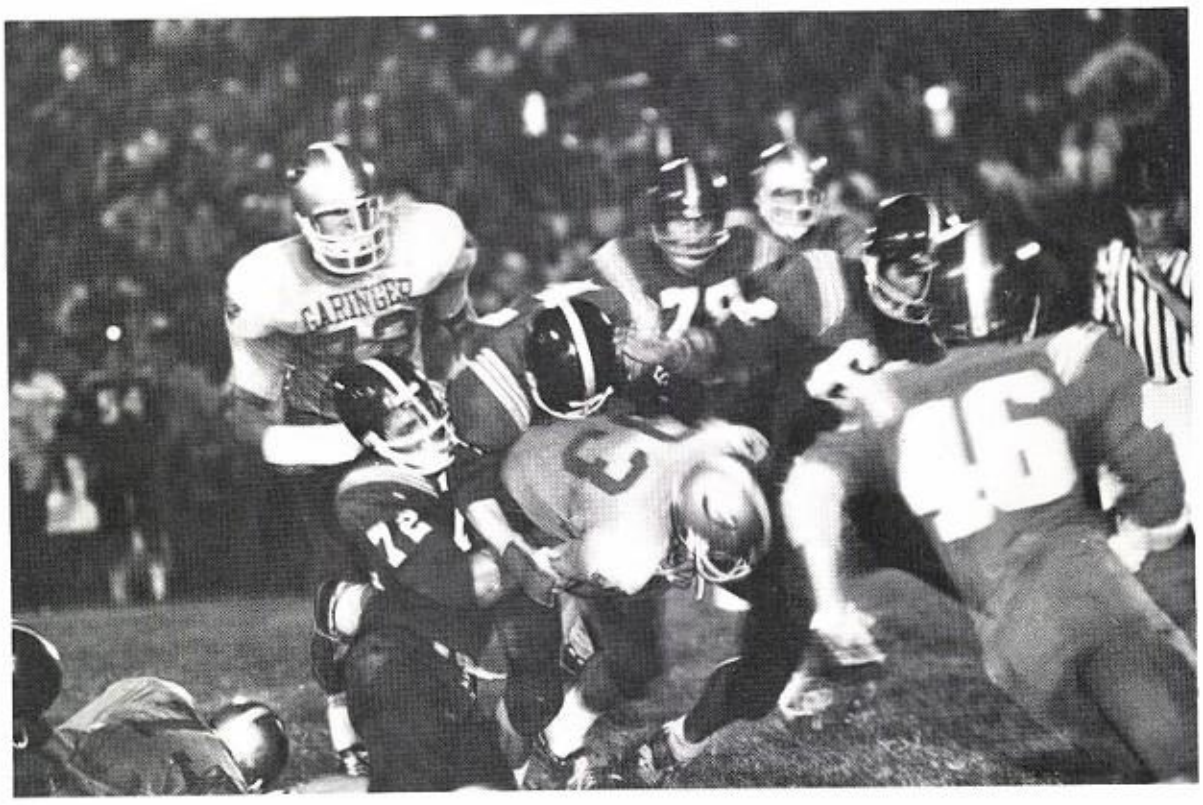
Grand Entrance

Wildcats Ruffle Eagles

Garinger invaded East Stadium in the second game of the season, determined to come back from a disappointing opening game.

After East scored first, the game turned into a brutal defensive struggle. The Wildcat defensive line, led by Co-captain Curtis Phifer, completely shut off East's running game and the Eagles were able to complete only 2 passes the entire game.

In the second half David Cook smashed through the East line time after time behind the blocking of Bob Creed and Mike Gathings. With the co-operation of the defensive the 'Cats had their first win 8-7.



Cook cracks over for six points against East.

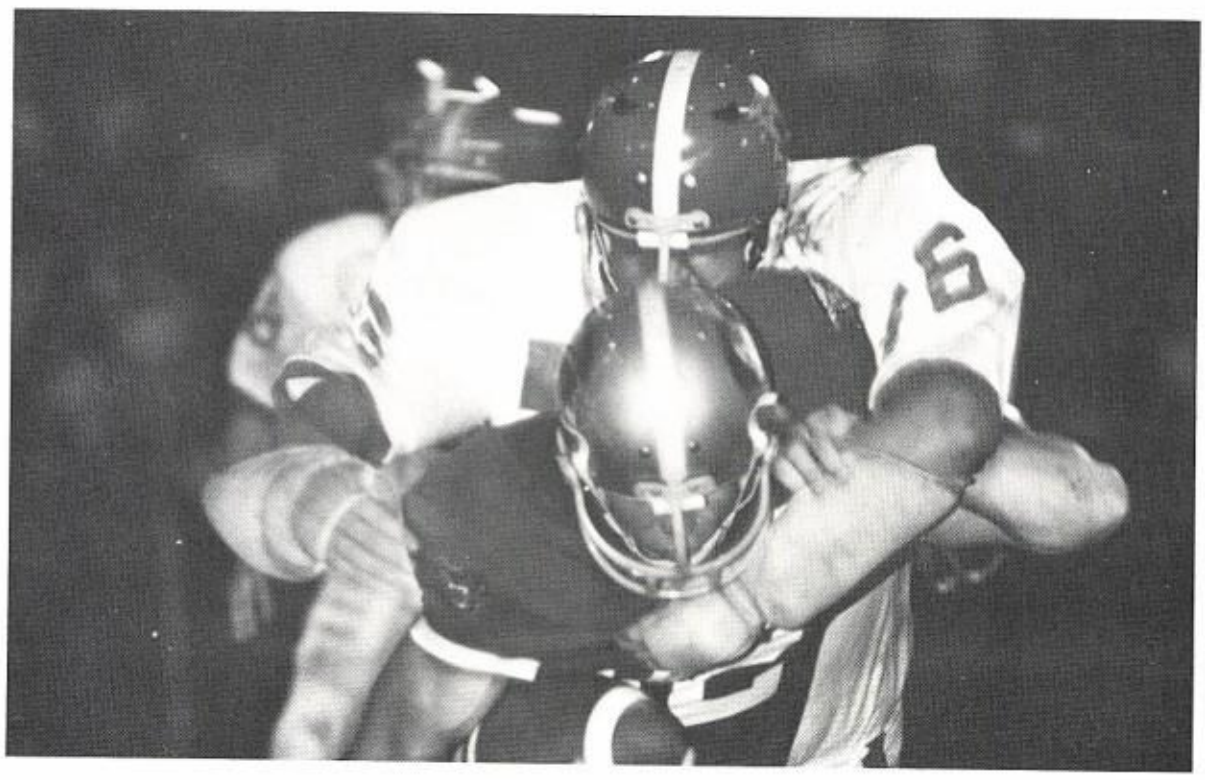
Phifer and Purser stop Eagle for no gain.

Garinger Mutilates Mustangs

Holding Myers Park's potent passing offense to only 5 completions, Garinger's defense sparkled in the Wildcats 12-0 defeat of the Mustangs. Charles Shaw picked off two of five Myers Park passes that the secondary intercepted.

Meanwhile, the offense dominated the game scoring twice in the first half behind the explosive running of Co-captain David Cook. The rest of the game, the Wildcats played good ball control and walked away with another victory.

Cook picks up another first down against Myers Park.

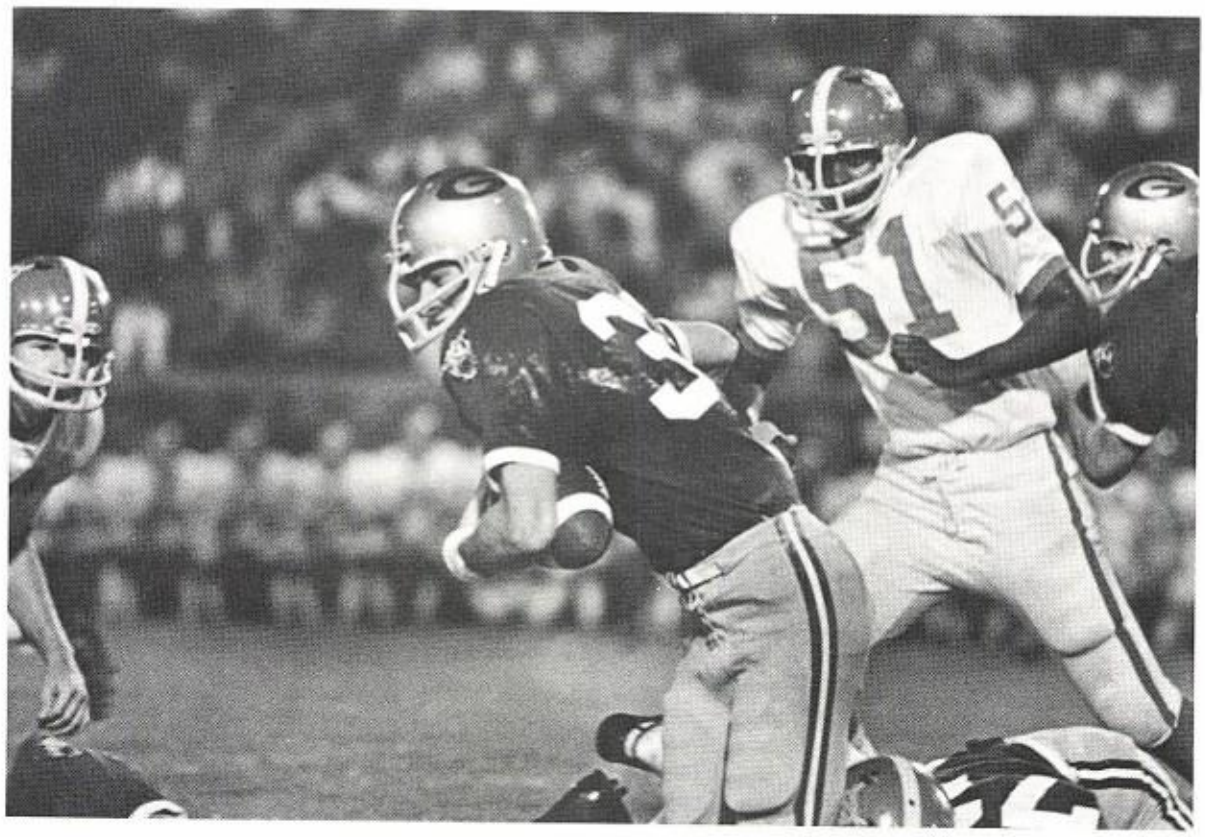


Richard Snider—a mover of mountains.

'Cats Claw Sabres

Garinger opened the game by clawing their way deep into South territory and scored 7 points but by the end of the half, South had added 7 points.

During the second half, Garinger scored once again but missed the extra point. South was in close range of the goal line in the last minute of the game but was stopped by Garinger's defense led by Co-captain Charles Shaw.



Cook slashes through the Saber line for a big gain.

Ashbrook Stuns 'Cats

After the tremendous South victory, the Wildcats took on undefeated Ashbrook in Memorial Stadium. For three quarters the only difference in the two teams was the six points scored by Ashbrook in the second quarter. Garinger's offense, led by Co-captain Richard Kalista, held an Ashbrook offense that was averaging over 30 points per game.

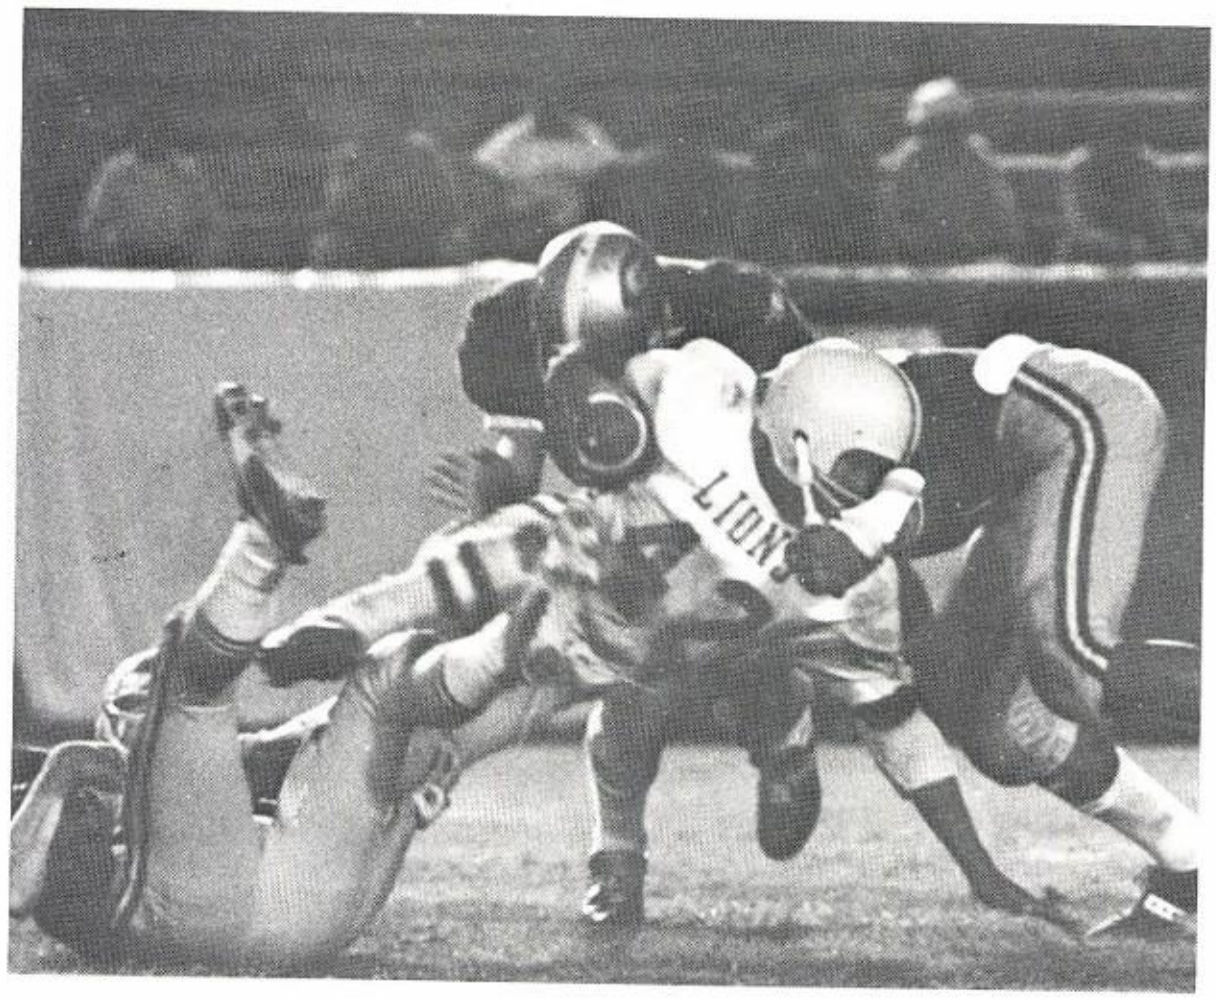
But in the fourth quarter it all fell apart for the 'Cats. Capitalizing on many Garinger errors, the Greenwave scored 21 points in the final quarter and rolled to its fifth straight victory, 27-0.

Wildcats Rout Patriots

Capitalizing on numerous Independence mistakes, Garinger racked up 43 points to defeat the Patriots. An inspired Wildcat defense led by Co-captain Don Purser forced 10 Patriot turnovers. Richard Kalista picked off 2 Independence passes and Greg Belk a pass and a fumble.

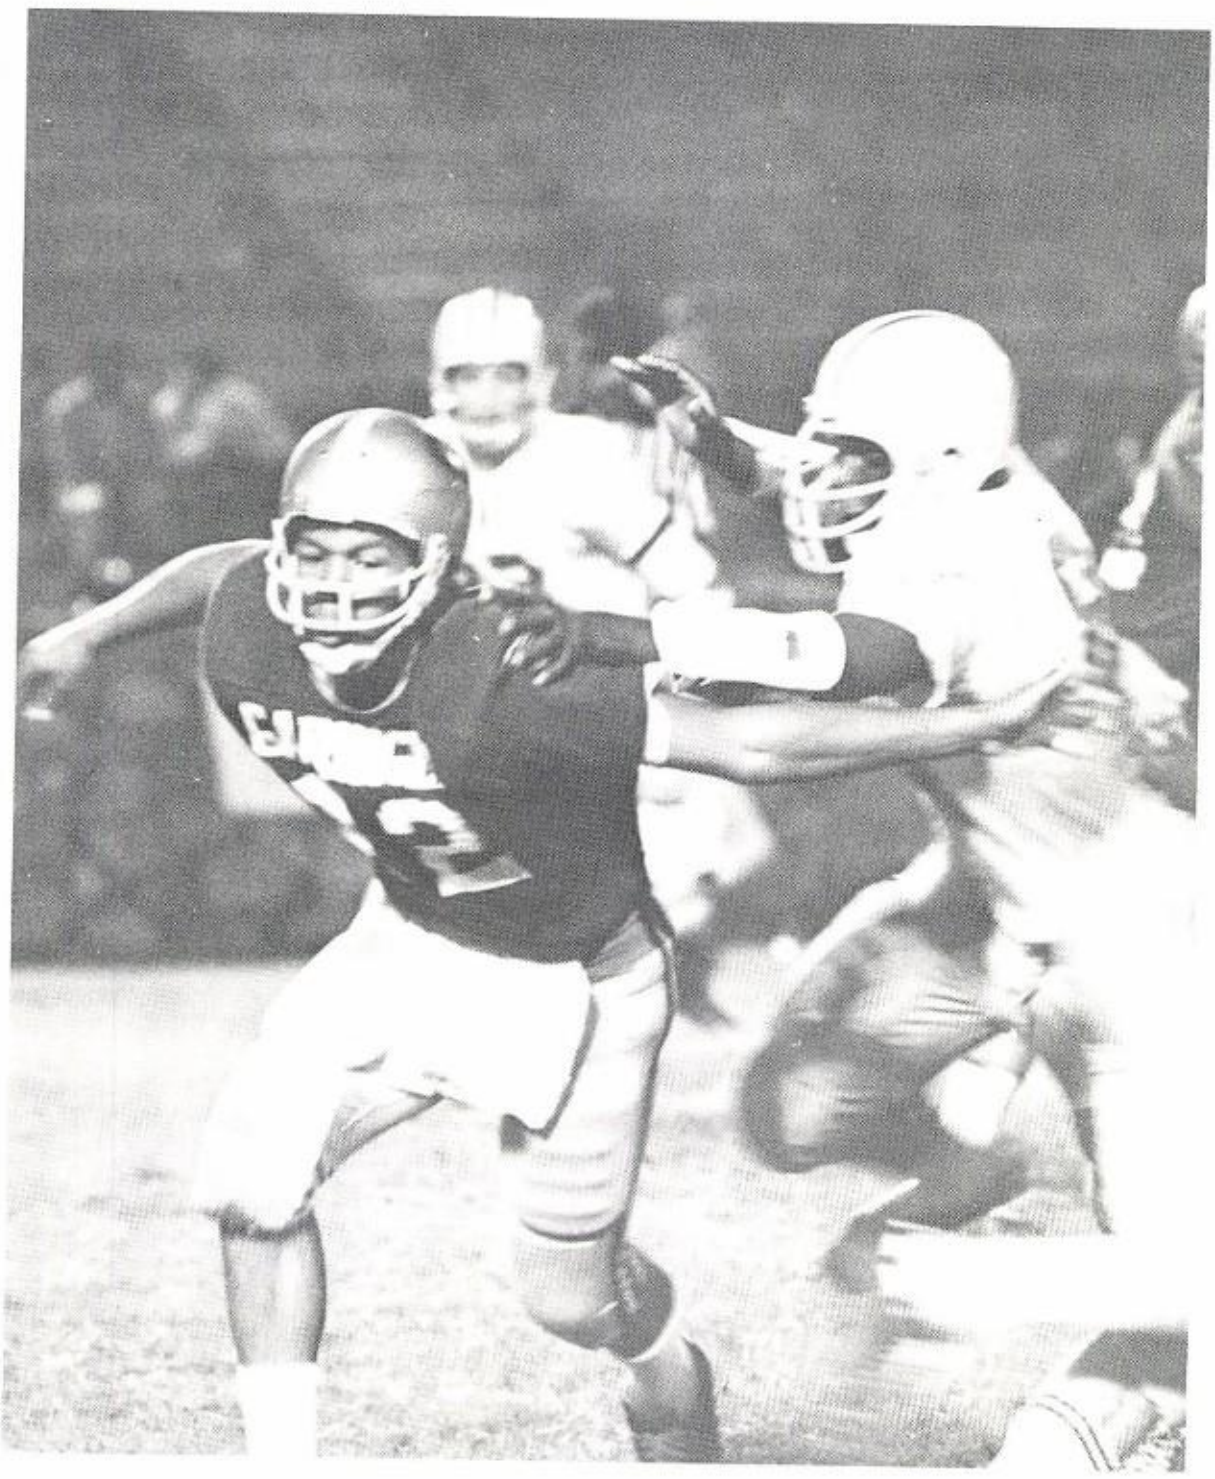
Meanwhile, Rico Blake led the offense to 26 first quarter points, starting with a surprising 21 yard touchdown pass to John Rowell. The 'Cats went on to score another touchdown before halftime and 9 more points in the third quarter. The Patriots managed one score with 20 seconds left to avert a shutout.

Garinger Slips by Asheville



Unable to stop the Wildcats' rugged ground attack, the Cougars could not prevent the first touchdown when Mike Gathings charged in from the 20. The lead changed hands several times throughout the game, however, and by the third quarter Asheville had scored 14 points to Garinger's 12.

The Wildcats broke loose midway in the third quarter relying on their ground attack made possible by Co-captain Howard Long's key blocks. Chico Dunlap's 45 yard run to the Asheville 43 was also instrumental in Garinger's fifth victory.

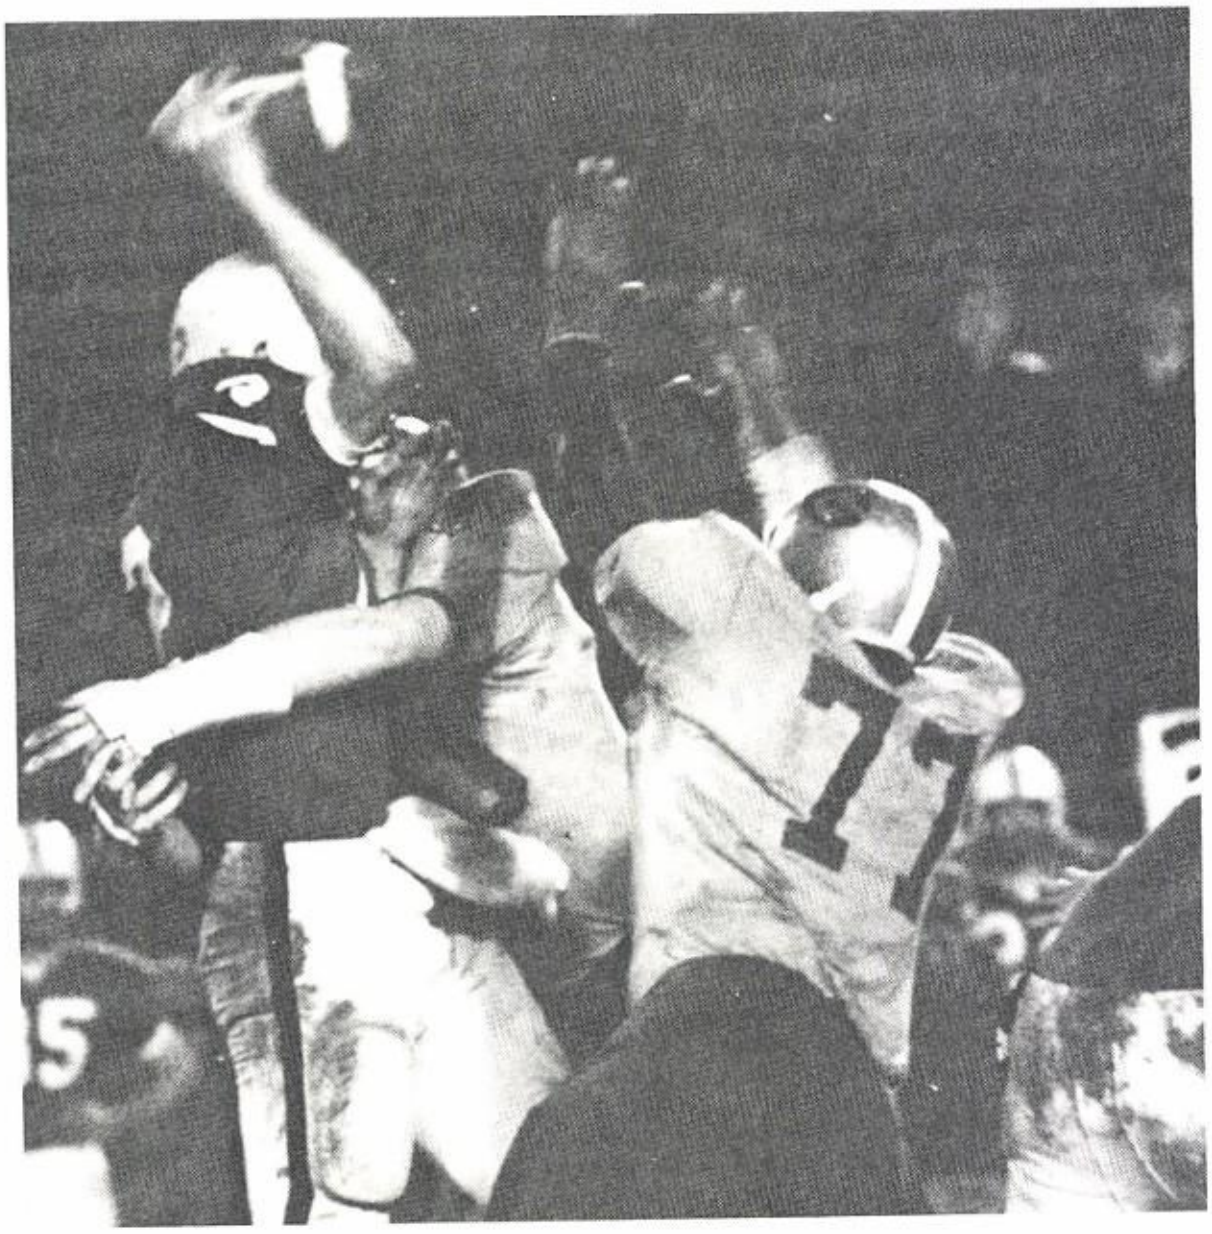


'Cats Scratch Lions

With Co-captain Rico Blake leading the way, a stingy Wildcat defense and an inspired offense demolished West Charlotte 27-8.

The defense held West Charlotte in their own territory for most of the first half. The Lions crossed the 50 yard line only once. Charlie Shaw intercepted 2 passes and Don Purser recovered a fumble to set up Garinger's touchdowns.

Scoring all its points in the first half, the offensive line, led by Howard Long, tore huge holes in West Charlotte's defense for David Cook and Chico Dunlap to run through.



Garinger Smokes Hickory

Garinger got its chance for revenge for last year's loss when it took the field against Hickory amid an autumn down-pour. The rain made no difference to the 'Cats or their loyal supporters as a good crowd was on hand for the victory.

The Wildcats scored on their first play from scrimmage — an 11 yard run by David Cook. That was only the beginning as everyone got into the act. Co-captain Chico Dunlap got off a 34 yard run up the middle, and Cook scored again in the first quarter. Mike Gathings, Tim Shirhall and Richard Snider all scored touchdowns for a 41-0 lead. In the last 2 minutes Hickory managed to score 6 points to make the final score 41-6.

This victory clinched a State playoff berth for the Wildcats.

'Cats Muzzle Huskies

Garinger's last game had a slow start as the 'Cats scored the only touchdown of the first half.

The defense, led by Co-captain Jesse Blount, held Hunter Huss repeatedly, and Richard Kalista made an interception on the last play of the half.

The 'Cats came back fighting in the second half, scoring 14 points in the third quarter. Chico Dunlap returned a punt 70 yards for one tally, and Rico Blake found John Rowell in the end zone for a 40 yard bomb. Junior defensive back Charles Cathy got 2 interceptions. It was easy coasting as reserves played most of the fourth quarter.

Huss scored in the last 30 seconds for a final score of 20-6.

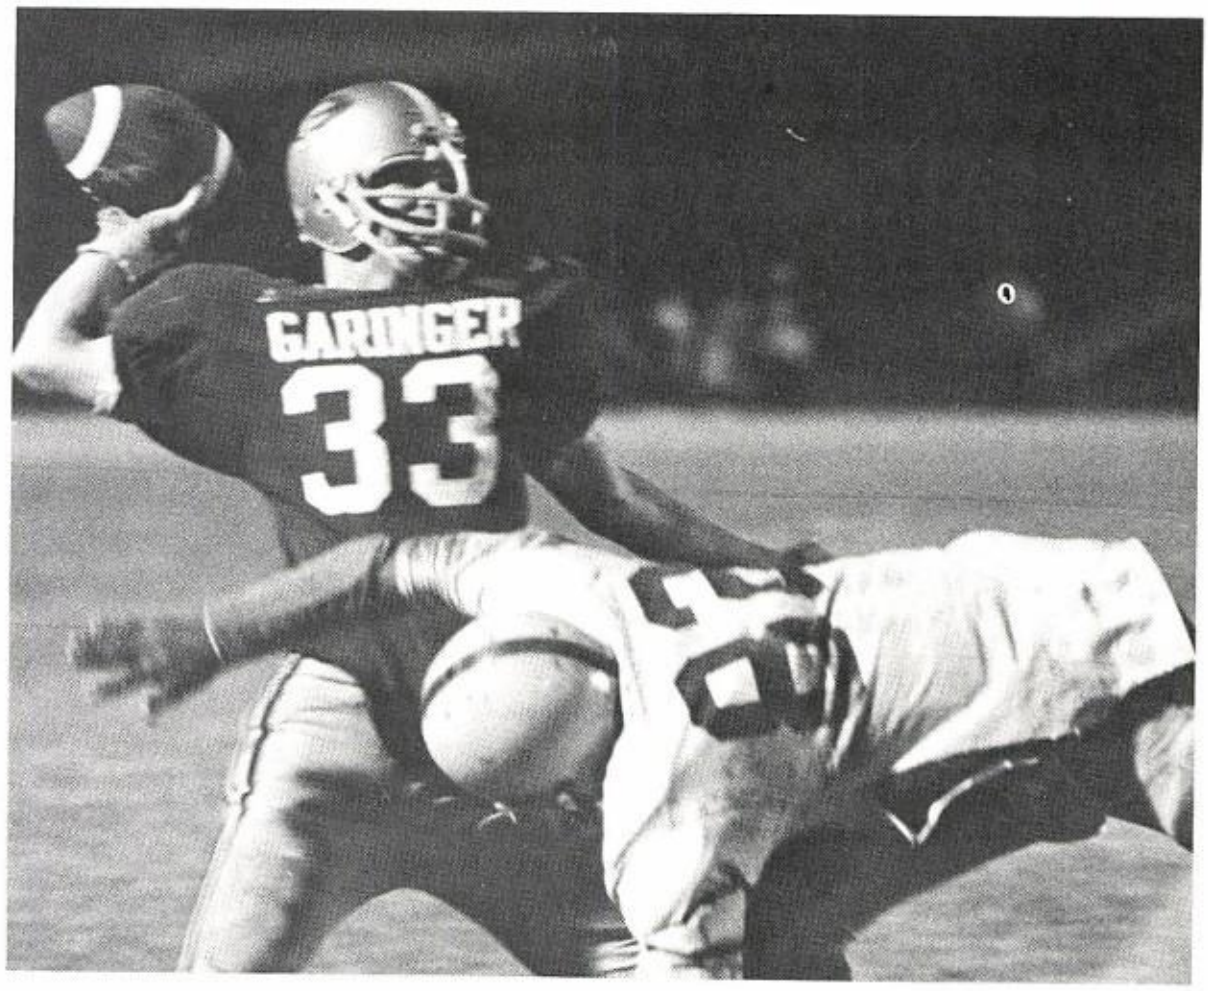
'Cats Advance to Play-Offs

On Friday, the 13th, the mighty Garinger Wildcats met the Camels of Winston-Salem Atkins in the quarter-finals competition for the State championship.

The teams seemed to be evenly matched, and by the end of the half, the score was tied — 6-6. In the third quarter, Garinger broke loose and the offense drove the ball down field to score and made the two point conversion. Later in the quarter, Chico Dunlap returned a punt from the Garinger 12 to Atkins' 12 yard line. It was only a matter of time before David Cook carried the ball across the goal line. The score stood at 20-14. Atkins then scored again and took the lead with the 2-point conversion making the score 22-20.

The Camels could not hold the Wildcats back when Gary Robinson recovered an Atkins' fumble in the Garinger end-zone giving Garinger a 26-22 victory.

The Wildcats moved a step closer towards the State championship.



"Now you listen to me!"

Trojan Yardage Beats Cats

On November 20 the Garinger Wildcats met Olympic's Trojans to decide which team would go on to compete in the final State play-off game.

Neither team held a commanding lead and the Wildcats were unable to take advantage of the number of Trojan errors in the first quarter. The scoreboard remained 0-0 until the second quarter when Garinger's Chico Dunlap broke loose for a 65 yard run to put the first score on the board. In the third quarter Olympic came back with a 67 yard drive to score. In the fourth quarter the Trojans scored again, changing the score to 14-6, but the Garinger spirit never died. In a series of well planned plays Charles Cathey scored and Chico Dunlap make the crucial 2-point conversion making the score 14-14.

In a play-off game which ends in a tie, the team with the most yards gained is declared the victor. Agony was felt by every Garinger player and fan when it was learned that Olympic had gained 48 yards more than Garinger.

Although Olympic was declared the winner, the Garinger Wildcats will always be No. 1 in the hearts and minds of every Garinger student and supporter.

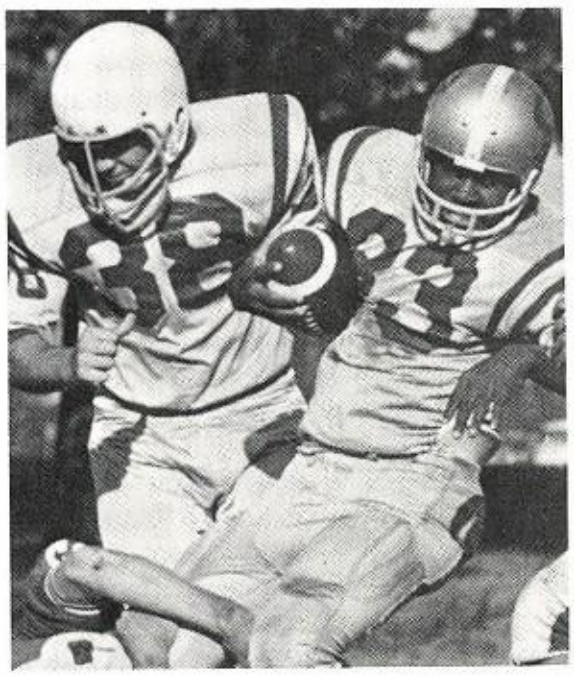
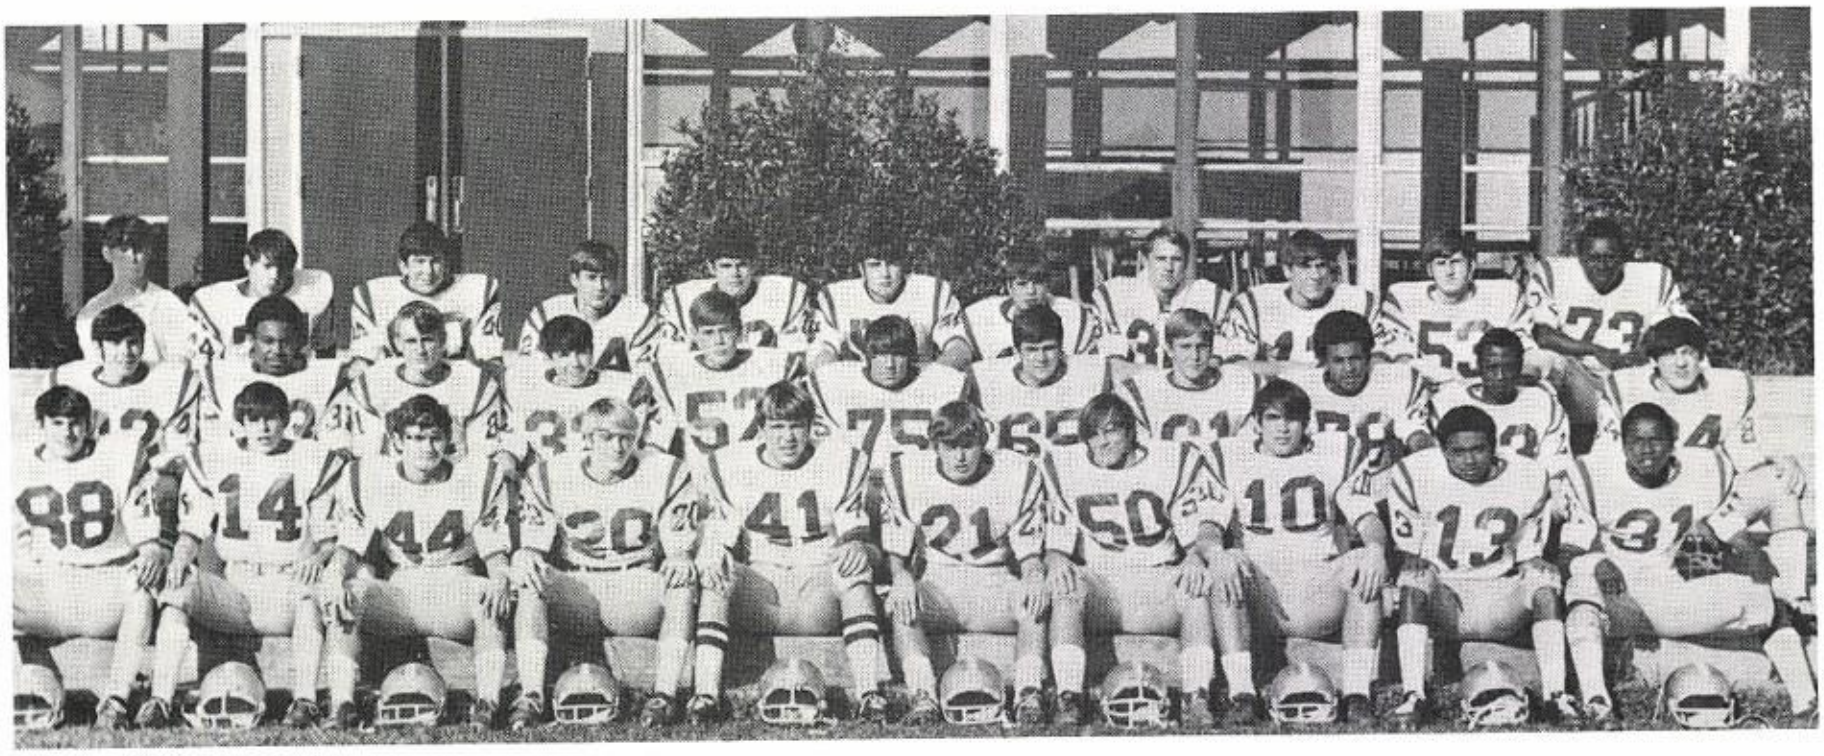
J.V.'s Succeed

This year's Junior Varsity had an extremely successful year, and the players should be an asset to next year's Varsity.

Coaches Godwin and Robinson took an excess of raw talent and molded it into the most successful J.V. team ever at Garinger.

The Wildkittens rolled to a 6-3-1 record and were undefeated in conference play, thereby following in the footsteps of the Varsity and capturing the conference crown.





FRONT ROW: Jerry Spear, J. P. Laizure, Jody Jordan, Tony Carter, Hugh Leatherwood, Doug Smith, Larry Shoemaker, Mark Cambria, Donald Grier, Dexter Feater. **SECOND ROW:** Decky Dennis, Larry Anderson, Tal Owen, Mike Austin, Terry Morgan, Doug Alexander, John Sanders, Steve Bakley, Joe Crosby, Kenneth Archie, Carlyle Taylor. **THIRD ROW:** David Martin, Kim Cousar, Winn Barkley, G. C. Richie, Greg Bumpus, Jim Courtney, Brad Bradshaw, Harold Smith, Phil Hughston, Henry Westbrook, Bobby Thompson.

Harriers Work for Better Record

This was a rebuilding year for Coach Joe Tomanchek's Harriers. Inexperience was the main problem as Chuck Hughston was the only senior on the squad. Junior captain Dale Talbert was the only returning letterman. Helping Talbert was another talented junior, David Threat.

Two bright spots on the team were sophomores Bobby Burrell and Tony Matthews.

With so much underclass strength, next year's squad should be a major contender for the state championship.

Cagers Fought Long Hard Season

Garinger's Varsity basketball team ended its hardwood contests with a 6-13 record for the 1971 season. Handicapped by a lack of participation, the G.H.S. cagers were constantly defeated in battles under the backboard.

While the campus cagers found themselves in the hollow of disaster's hand, several Wildcats stood out. Seniors Chuck Hughston and Arthur Frazier helped to set the pattern while Don Hughston and Dave Hughston gave added height to the squad.

Sports are meant to build the participants in both mind and body. Winning is not all, for even in losing the purpose of sports activity suceeds.

Wildkittens Show Good Prospect

1971 was a good year for the J.V. basketball team under the guidance of Coach Steve Camp. The Wildkittens powered their way through a tough season with the help of Jim Courtney and Dexter Feaster. The J.V. basketball team had some good prospects for next year's Varsity.

VICTORY

Preparations for the coming school year are begun with practice and planning by the Varsity cheerleaders.

The duty of the cheerleader—to instill within each student that extra spark of vitality called school spirit—requires careful planning and concentrated effort. This year, Garinger experienced a successful School Spirit Week with the participation on the part of all Wildcats and the cheerleaders.

KNEELING: Peggy Melson-Head. **BACK ROW:** Delores Griffin, Marilyn Long, Roxanne Blume, Sharon White, Angie Mardin, Pam Kidder, Marion Winchester, Susan Query.

Wrestling

Matmen Overpower Opponents

Garinger's mighty Matmen powered their way through the season scoring 8 victories out of 11 matches with the team being dominated by veteran wrestlers.

In a match with Hickory, Garinger kept Hickory from scoring a single point while Garinger scored 48. There was a difference of only one point in the loss to East in their annual Invitational tournament.

Wrestling is growing in popularity at Garinger and it will continue to do so as long as we have a winning team such as the one we had this year.

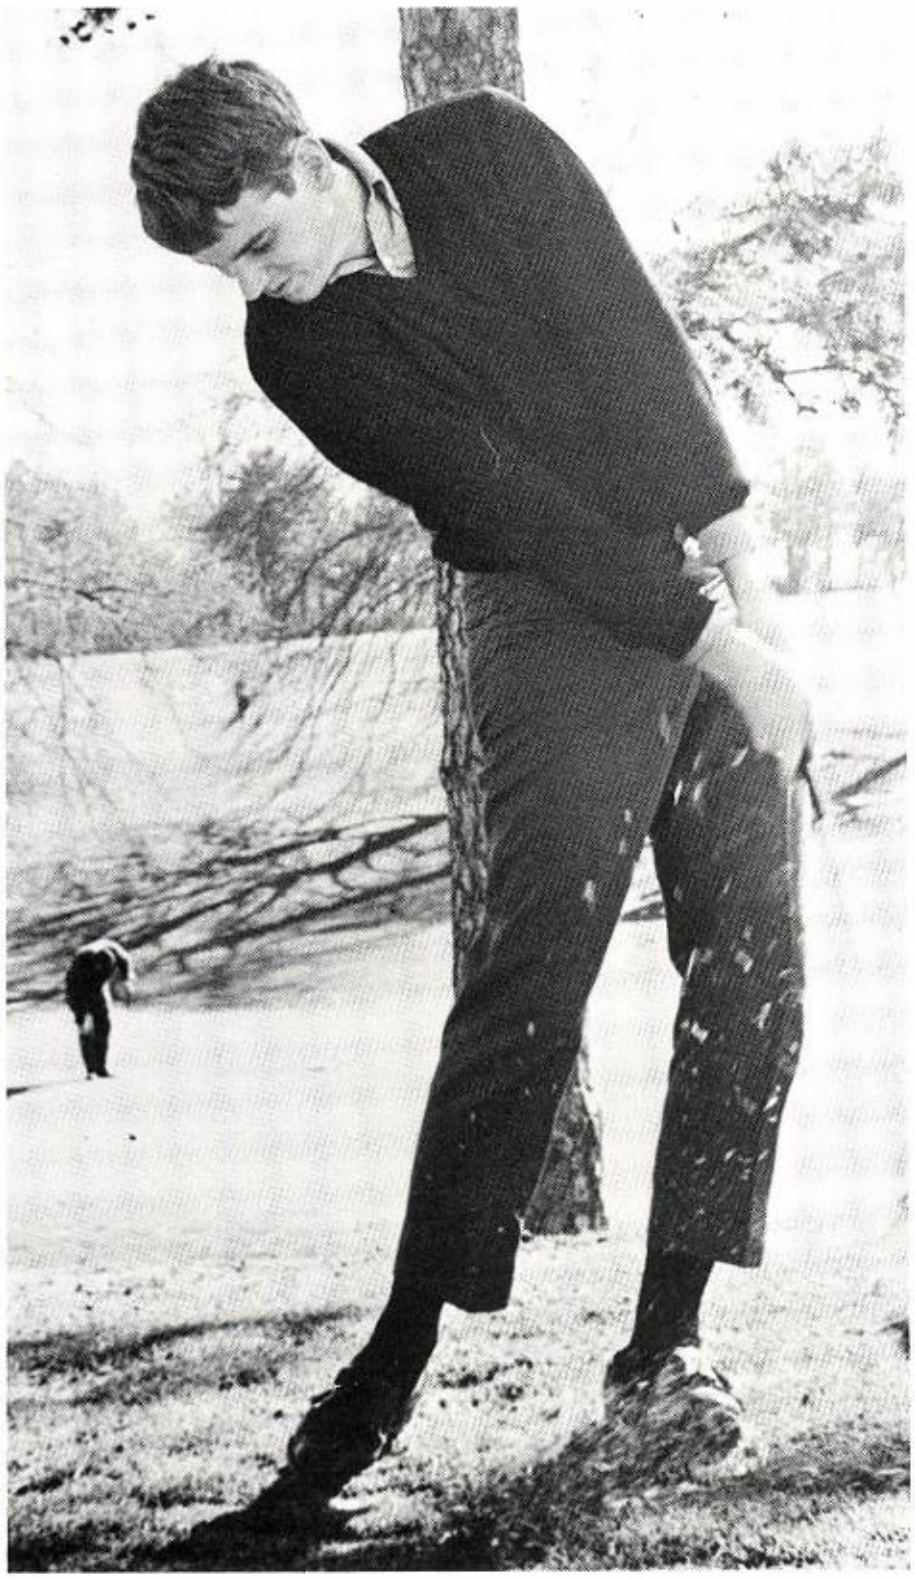
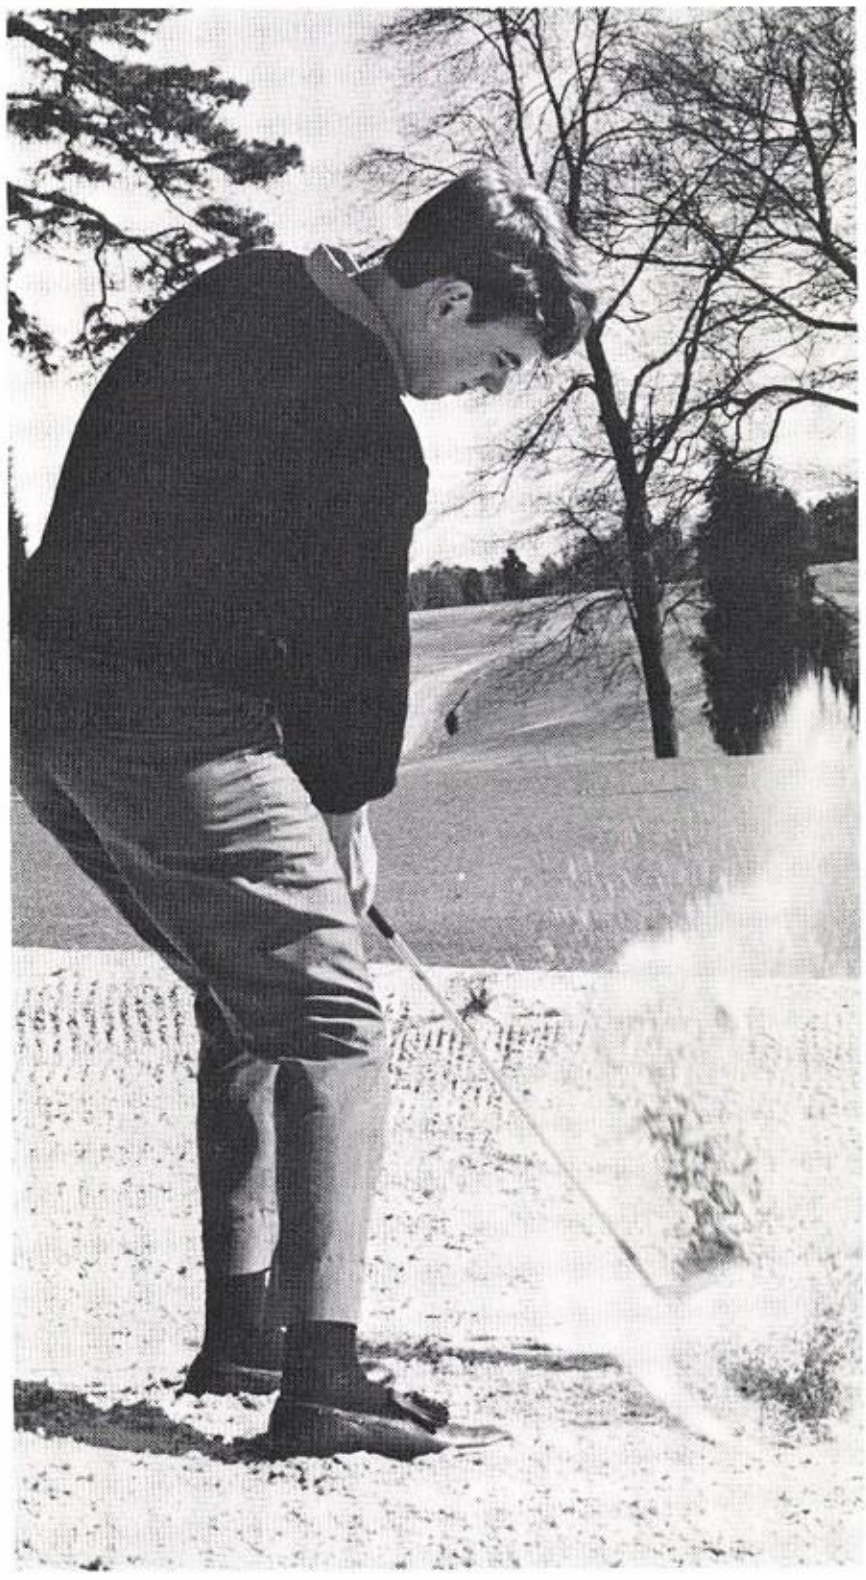
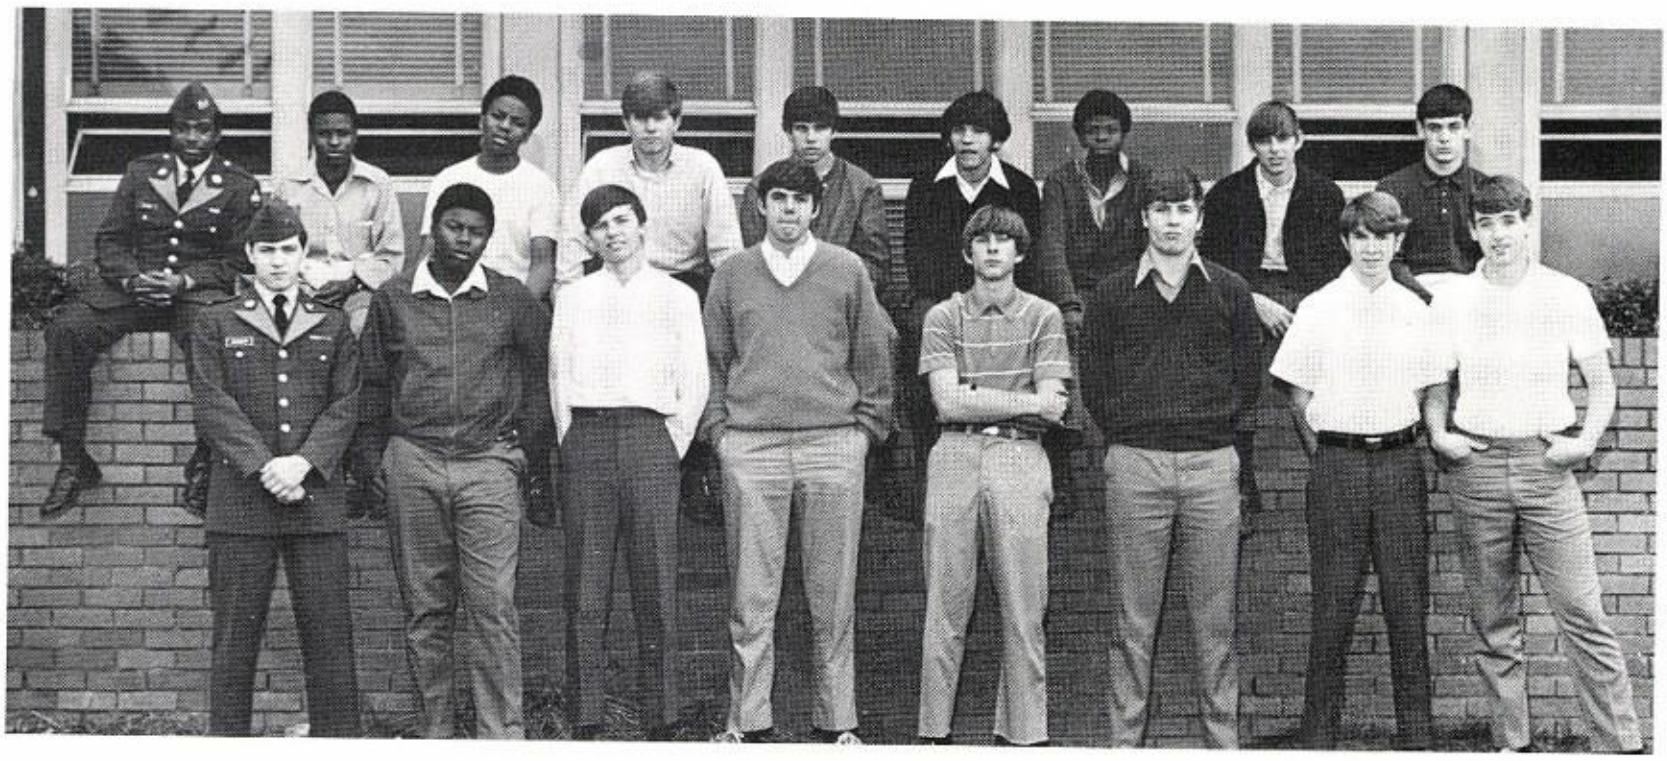
Duffers Led by Underclassmen

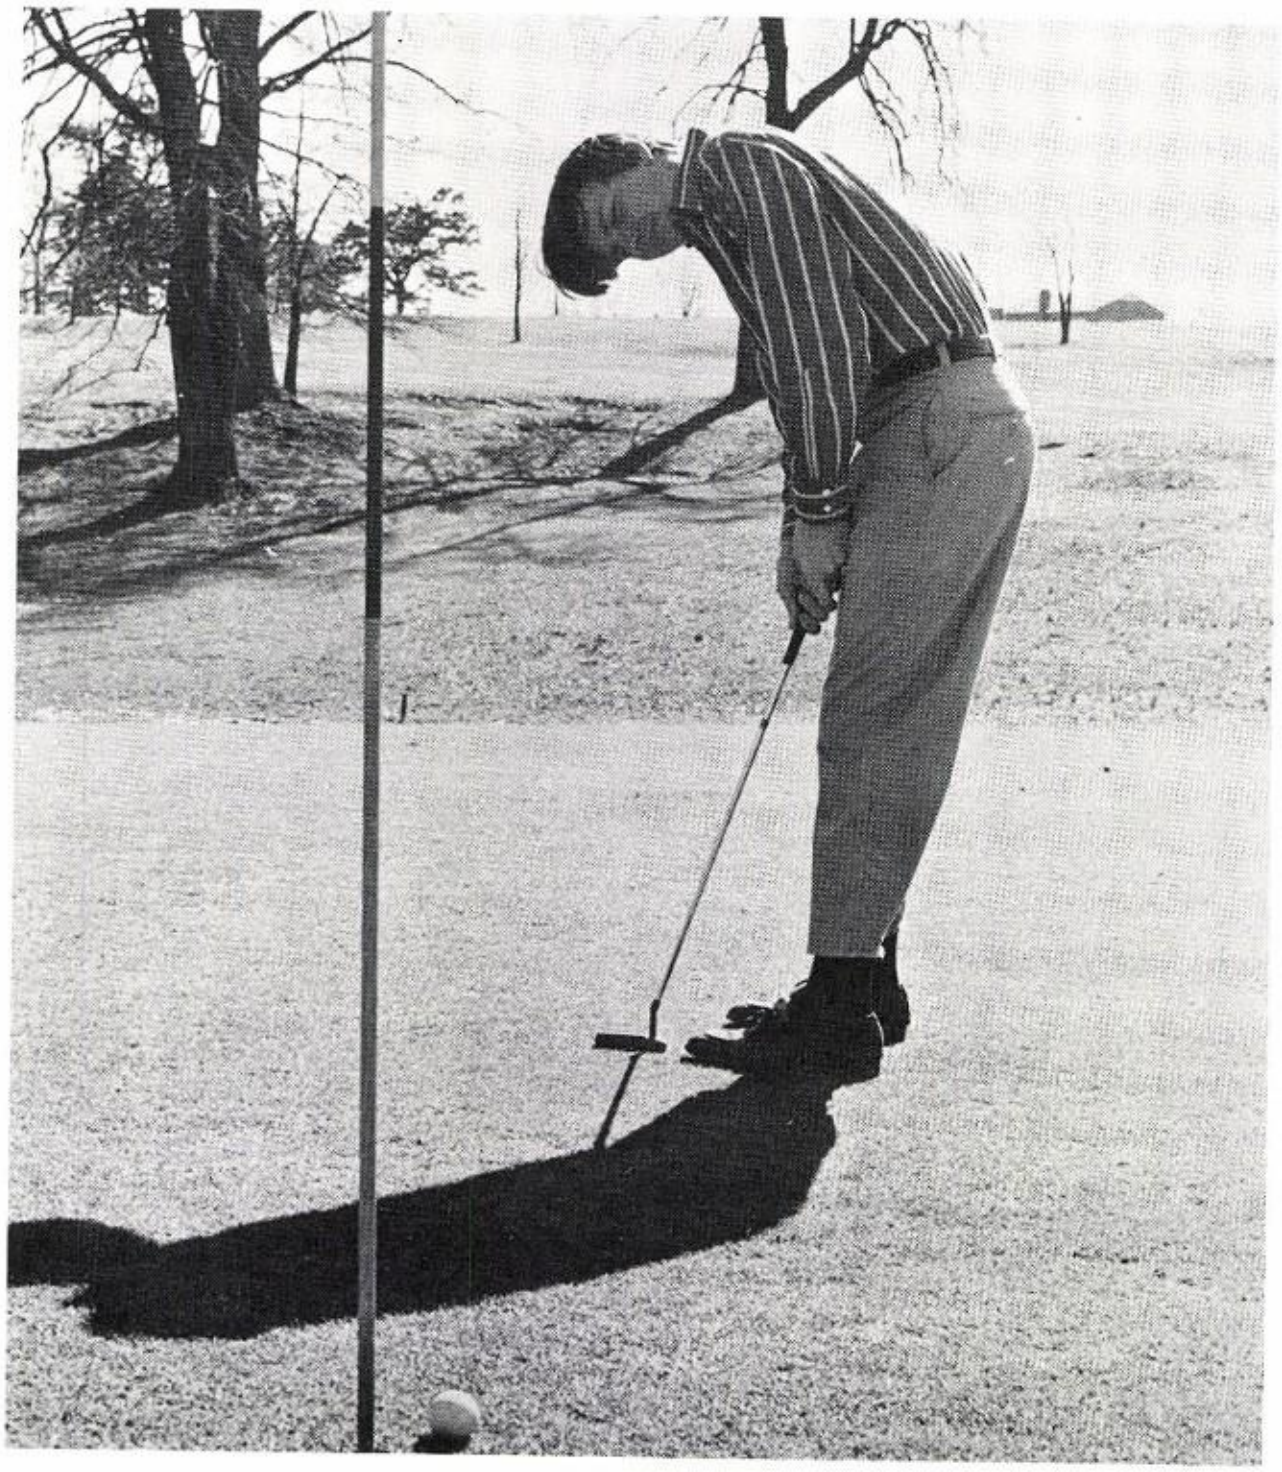
Garinger's golf team for the 1970-71 season was hampered by inexperience, and Coach Bob Godwin looks forward to next year's season.

The team was dominated by sophomores and juniors and it was those boys who helped the team have a successful year. Led by Ben Davis and Robin Shipman, the Duffers had a rewarding and successful season.







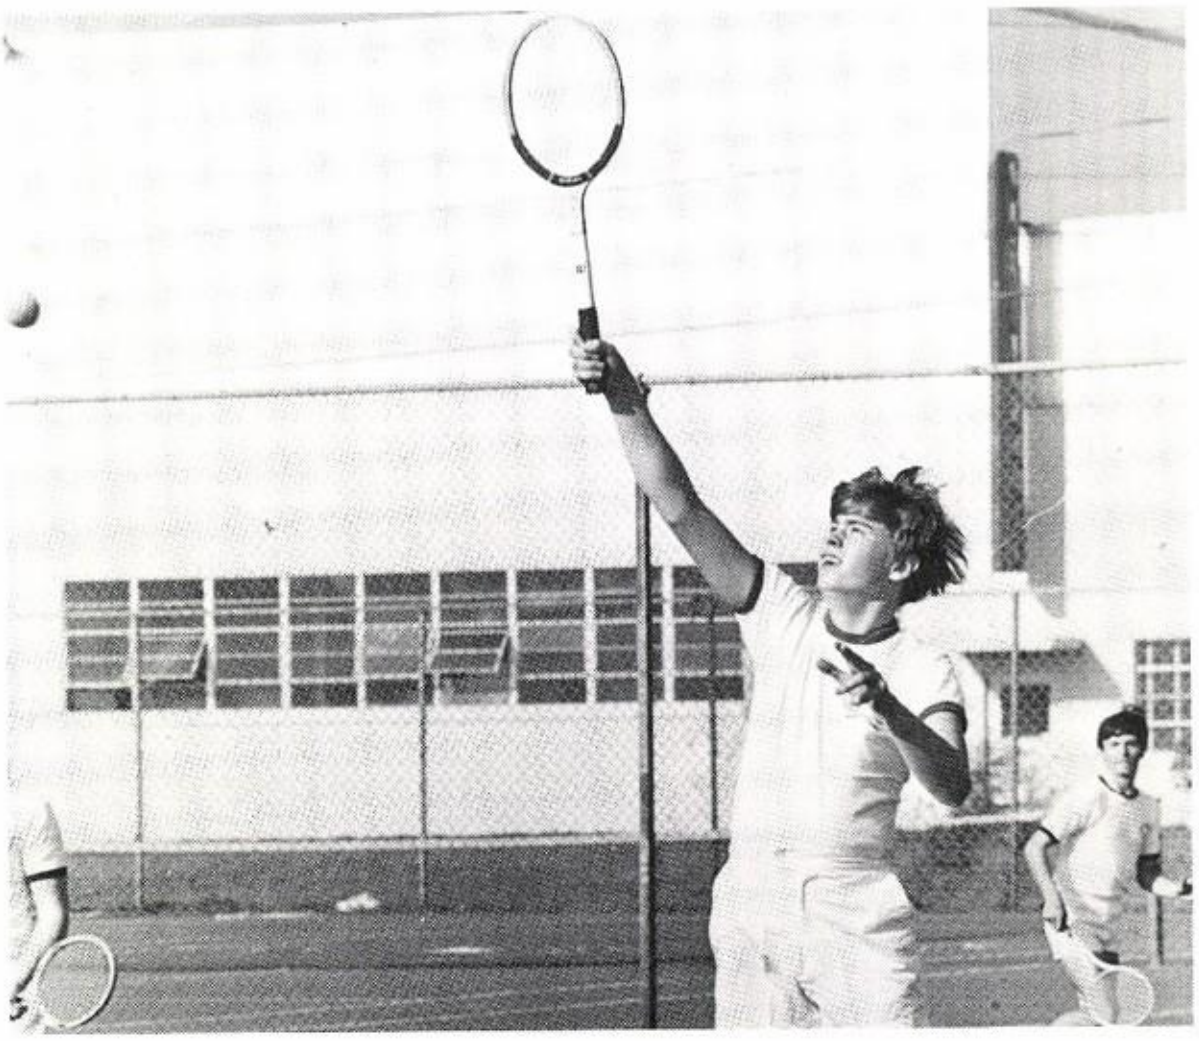


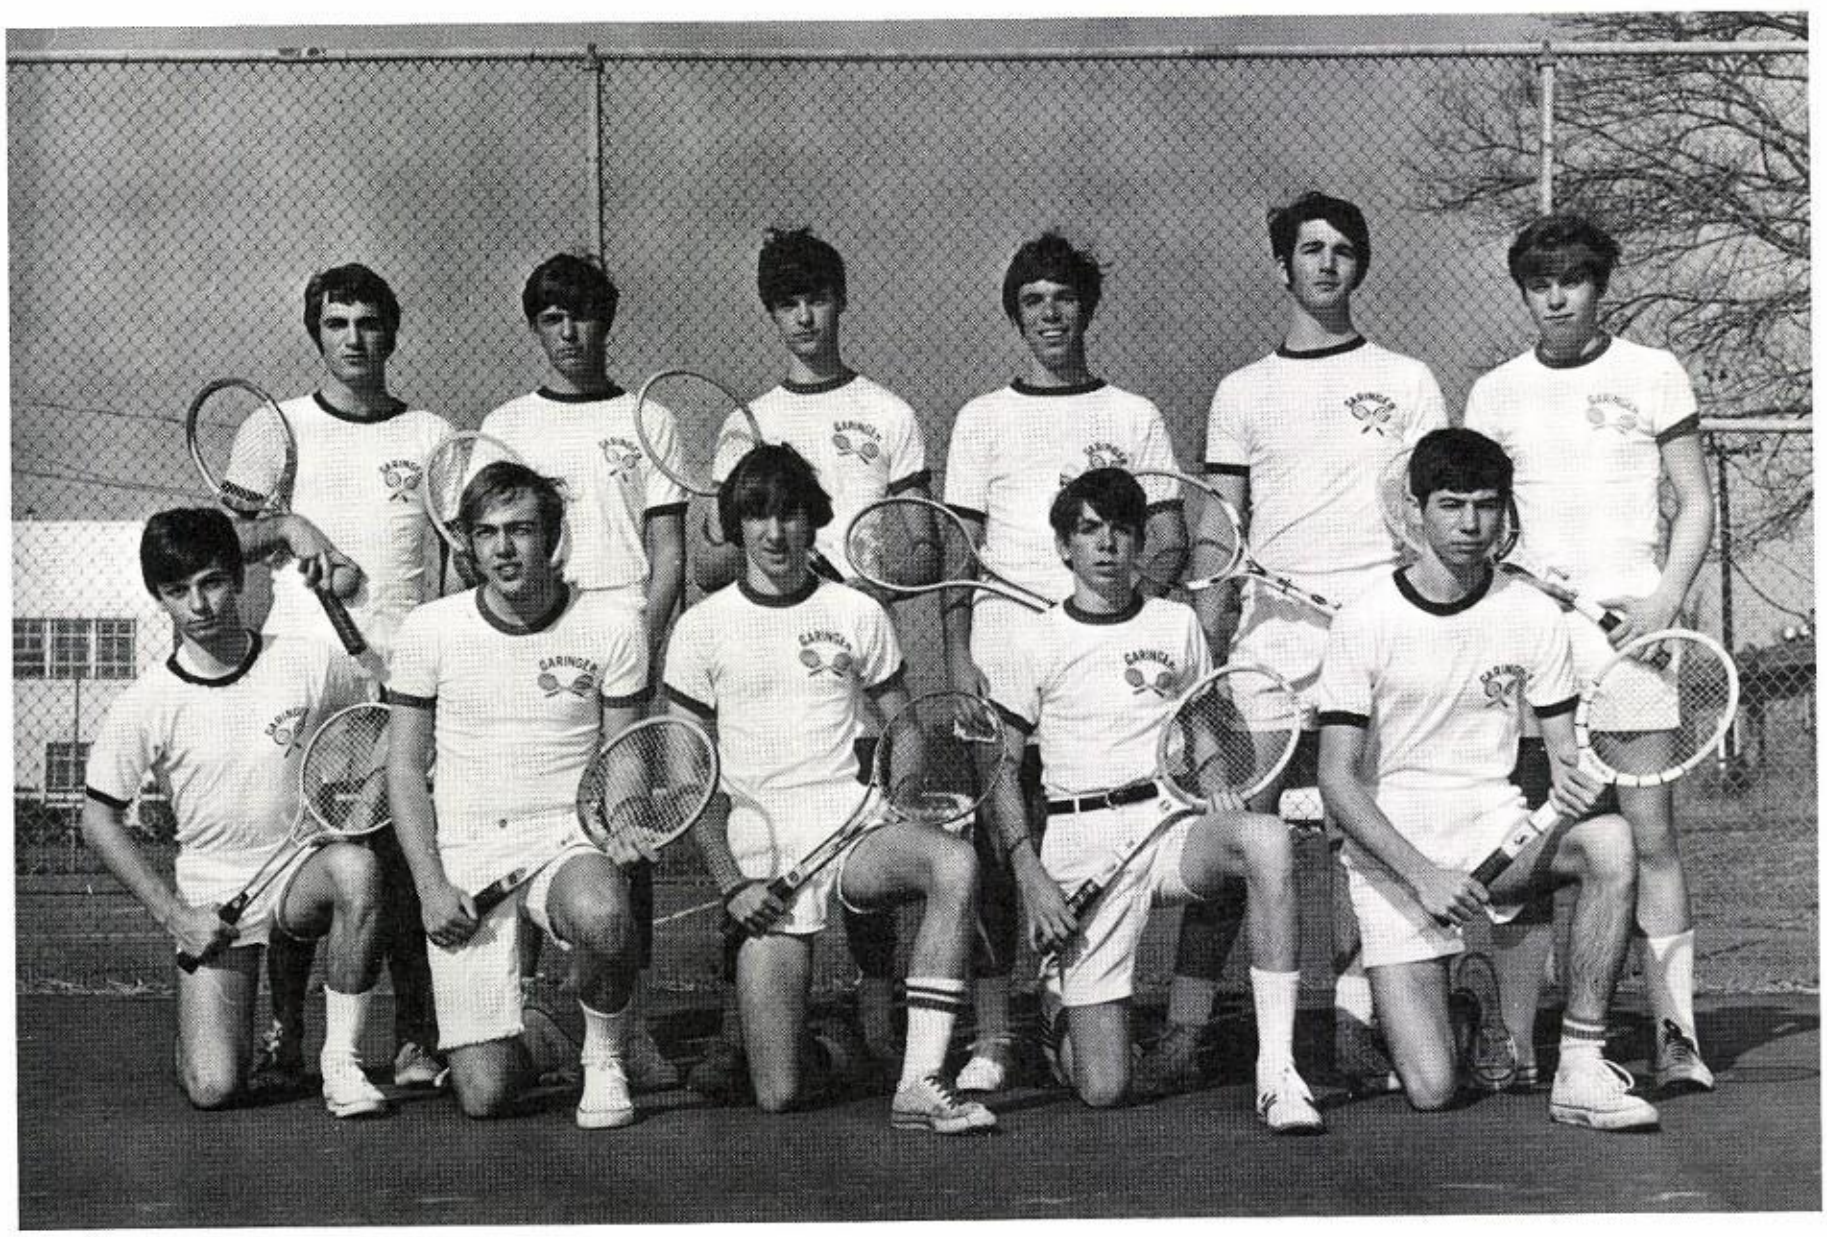
FRONT ROW: Terry Johnson, Kenneth Wilson, Ben Davis, Robin Shipman, Rick Lynn, Jimmy Ware, David Frick, Paul Killough. **BACK ROW:** Willie Jackson, Carl Graves, Willie Jeffries, Bobby Crump, Tripp Barclift, Tommy Economos, Larry McLaurin, Billy Richardson, Jeff Davis.

Netters Gain Experience

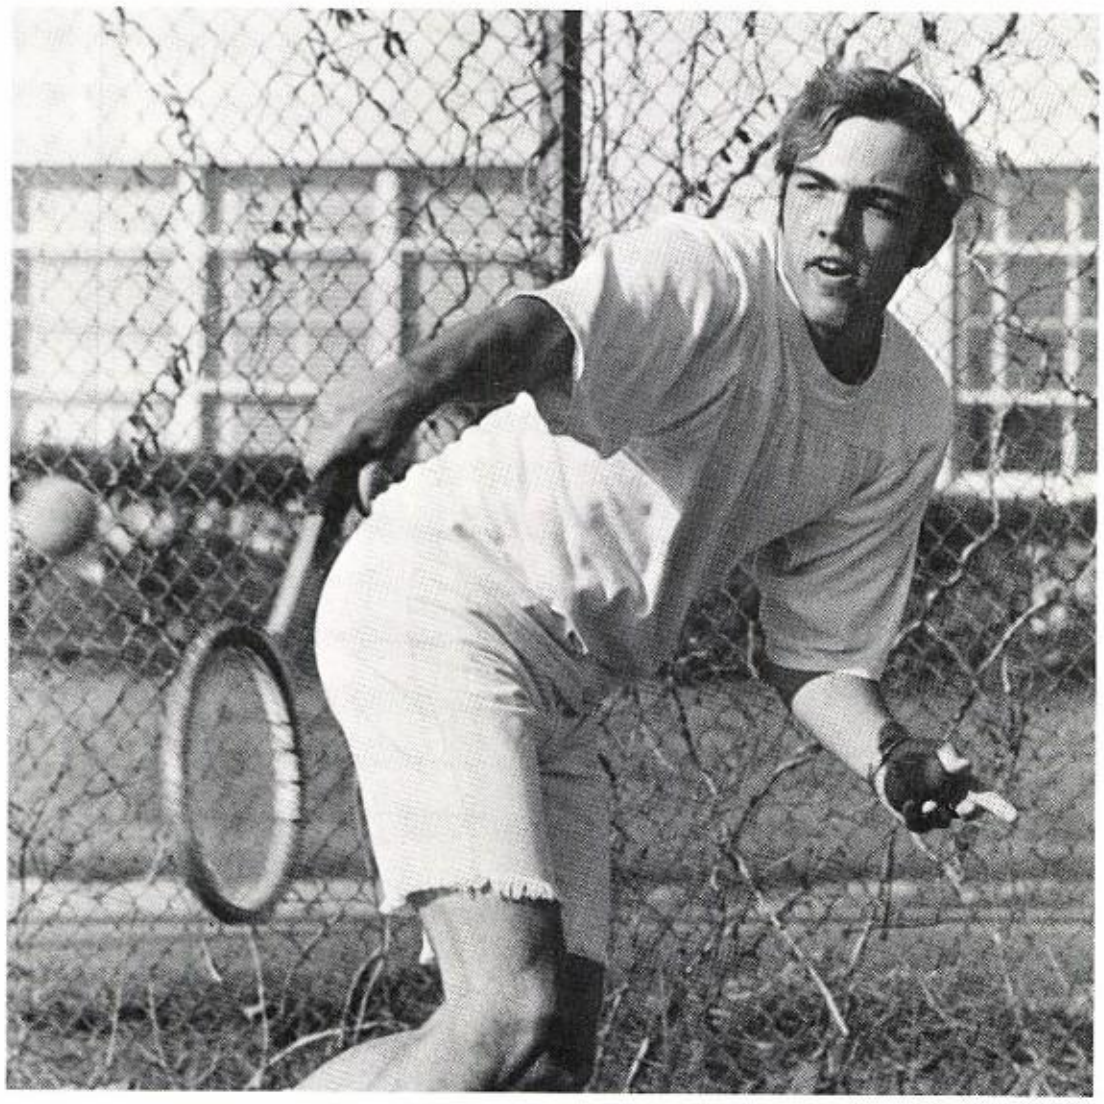
Garinger's Tennis team for 1971, coached by Mr. James Dixon, had the necessary quality of experience. The teams foundation was built around Ray Boardman, captain, and veteran players like Neil Carrol, David Eddy, Mike Padgett, and Jeff Ethington. The team was also fortified by the aggressive new members of the squad.

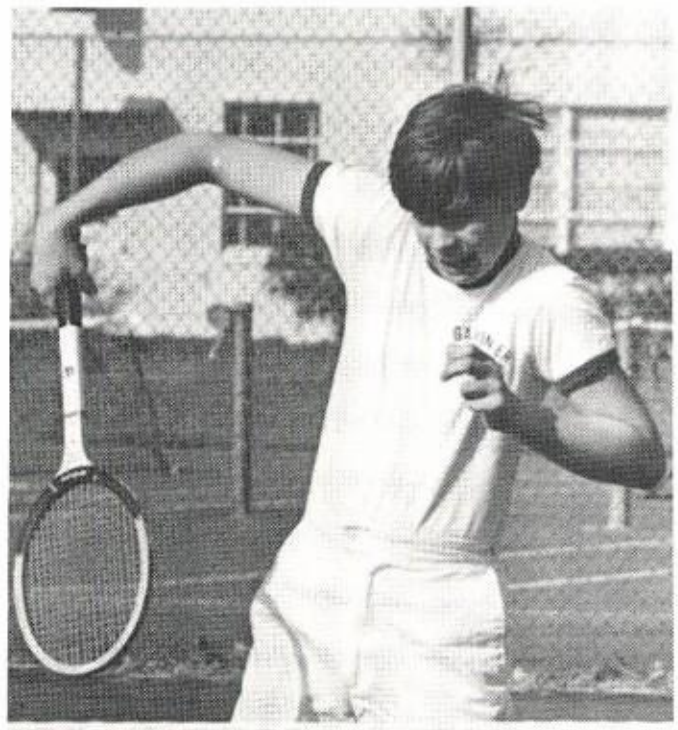
This year the netters showed a great deal of potential and with enough practice and a lot of school spirit, the Garinger Netters will go all the way to the top.

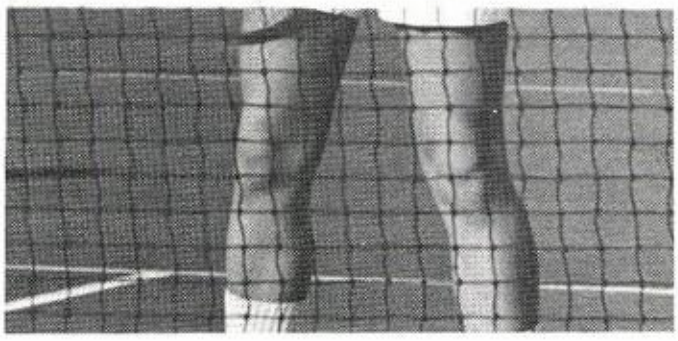


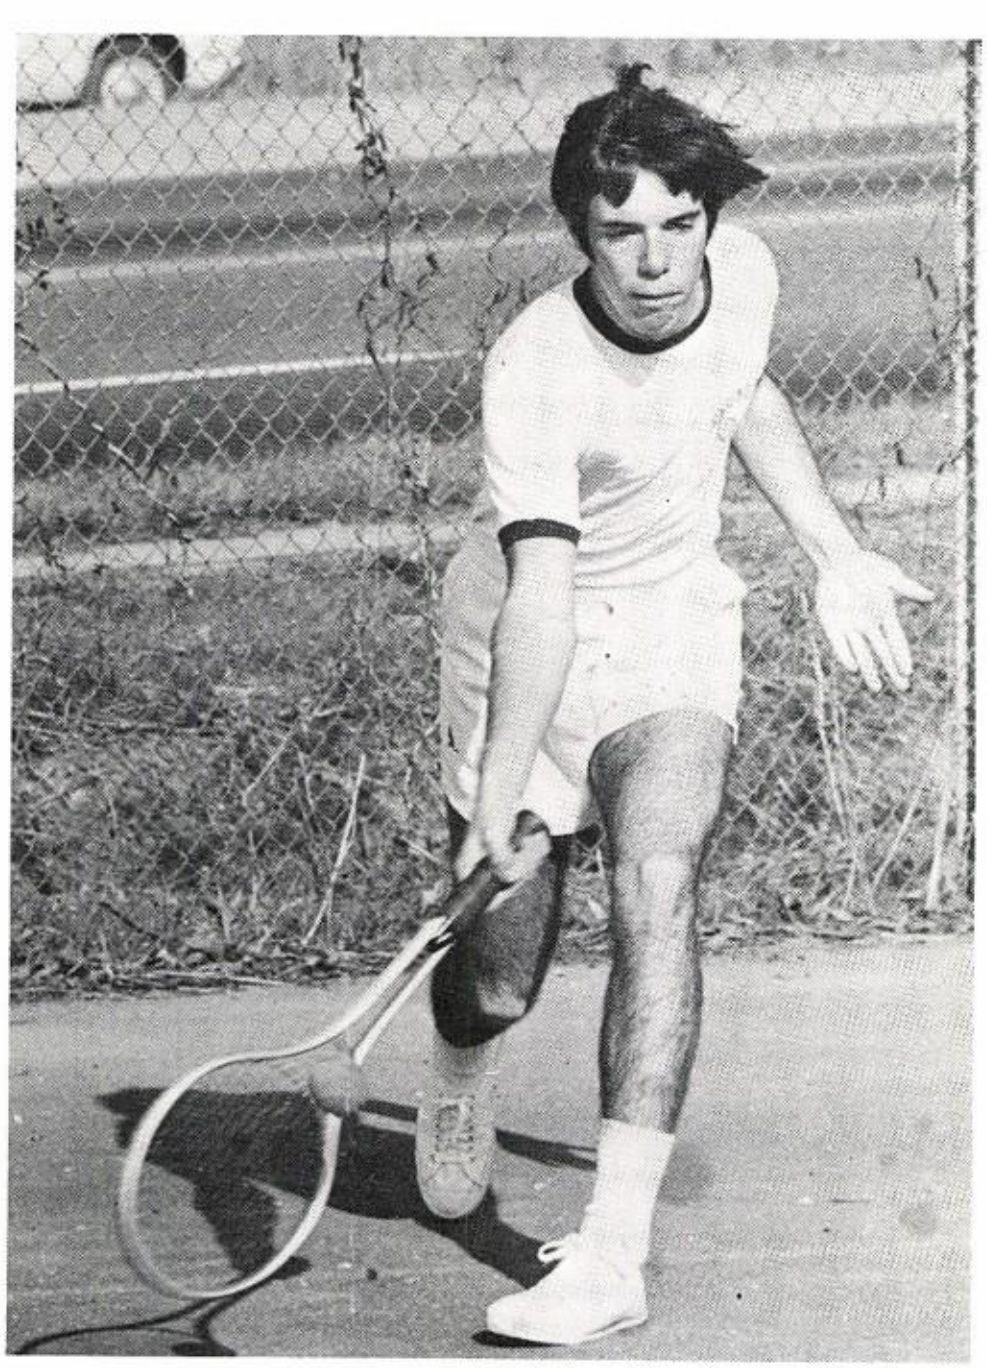


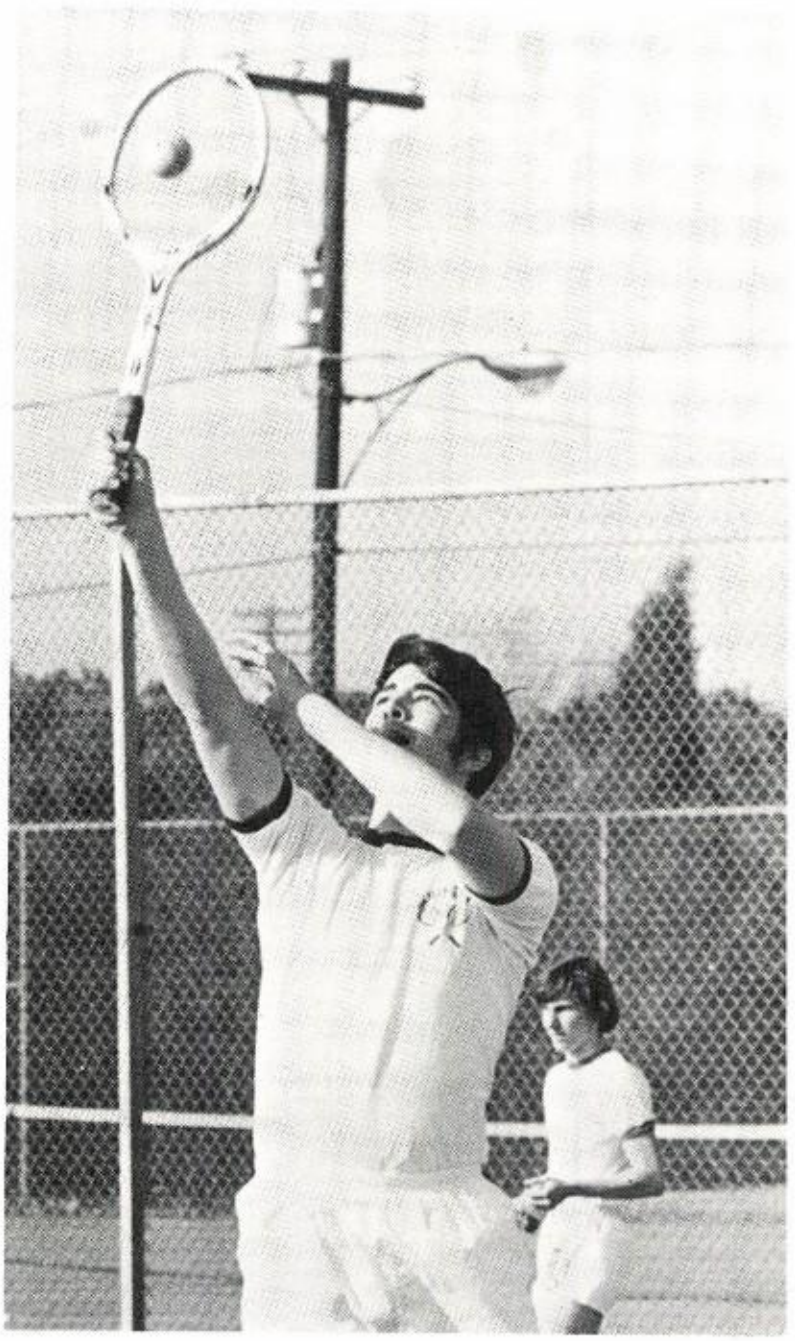
FRONT ROW: Mike Greer, Jeff Ethington, Mike Moody, David Eddy, Mike Padgett. **BACK ROW:** Randy Sandsbury, John Hancock, Neil Carroll, Ray Boardman, Craig Wallace, Marshall Short.



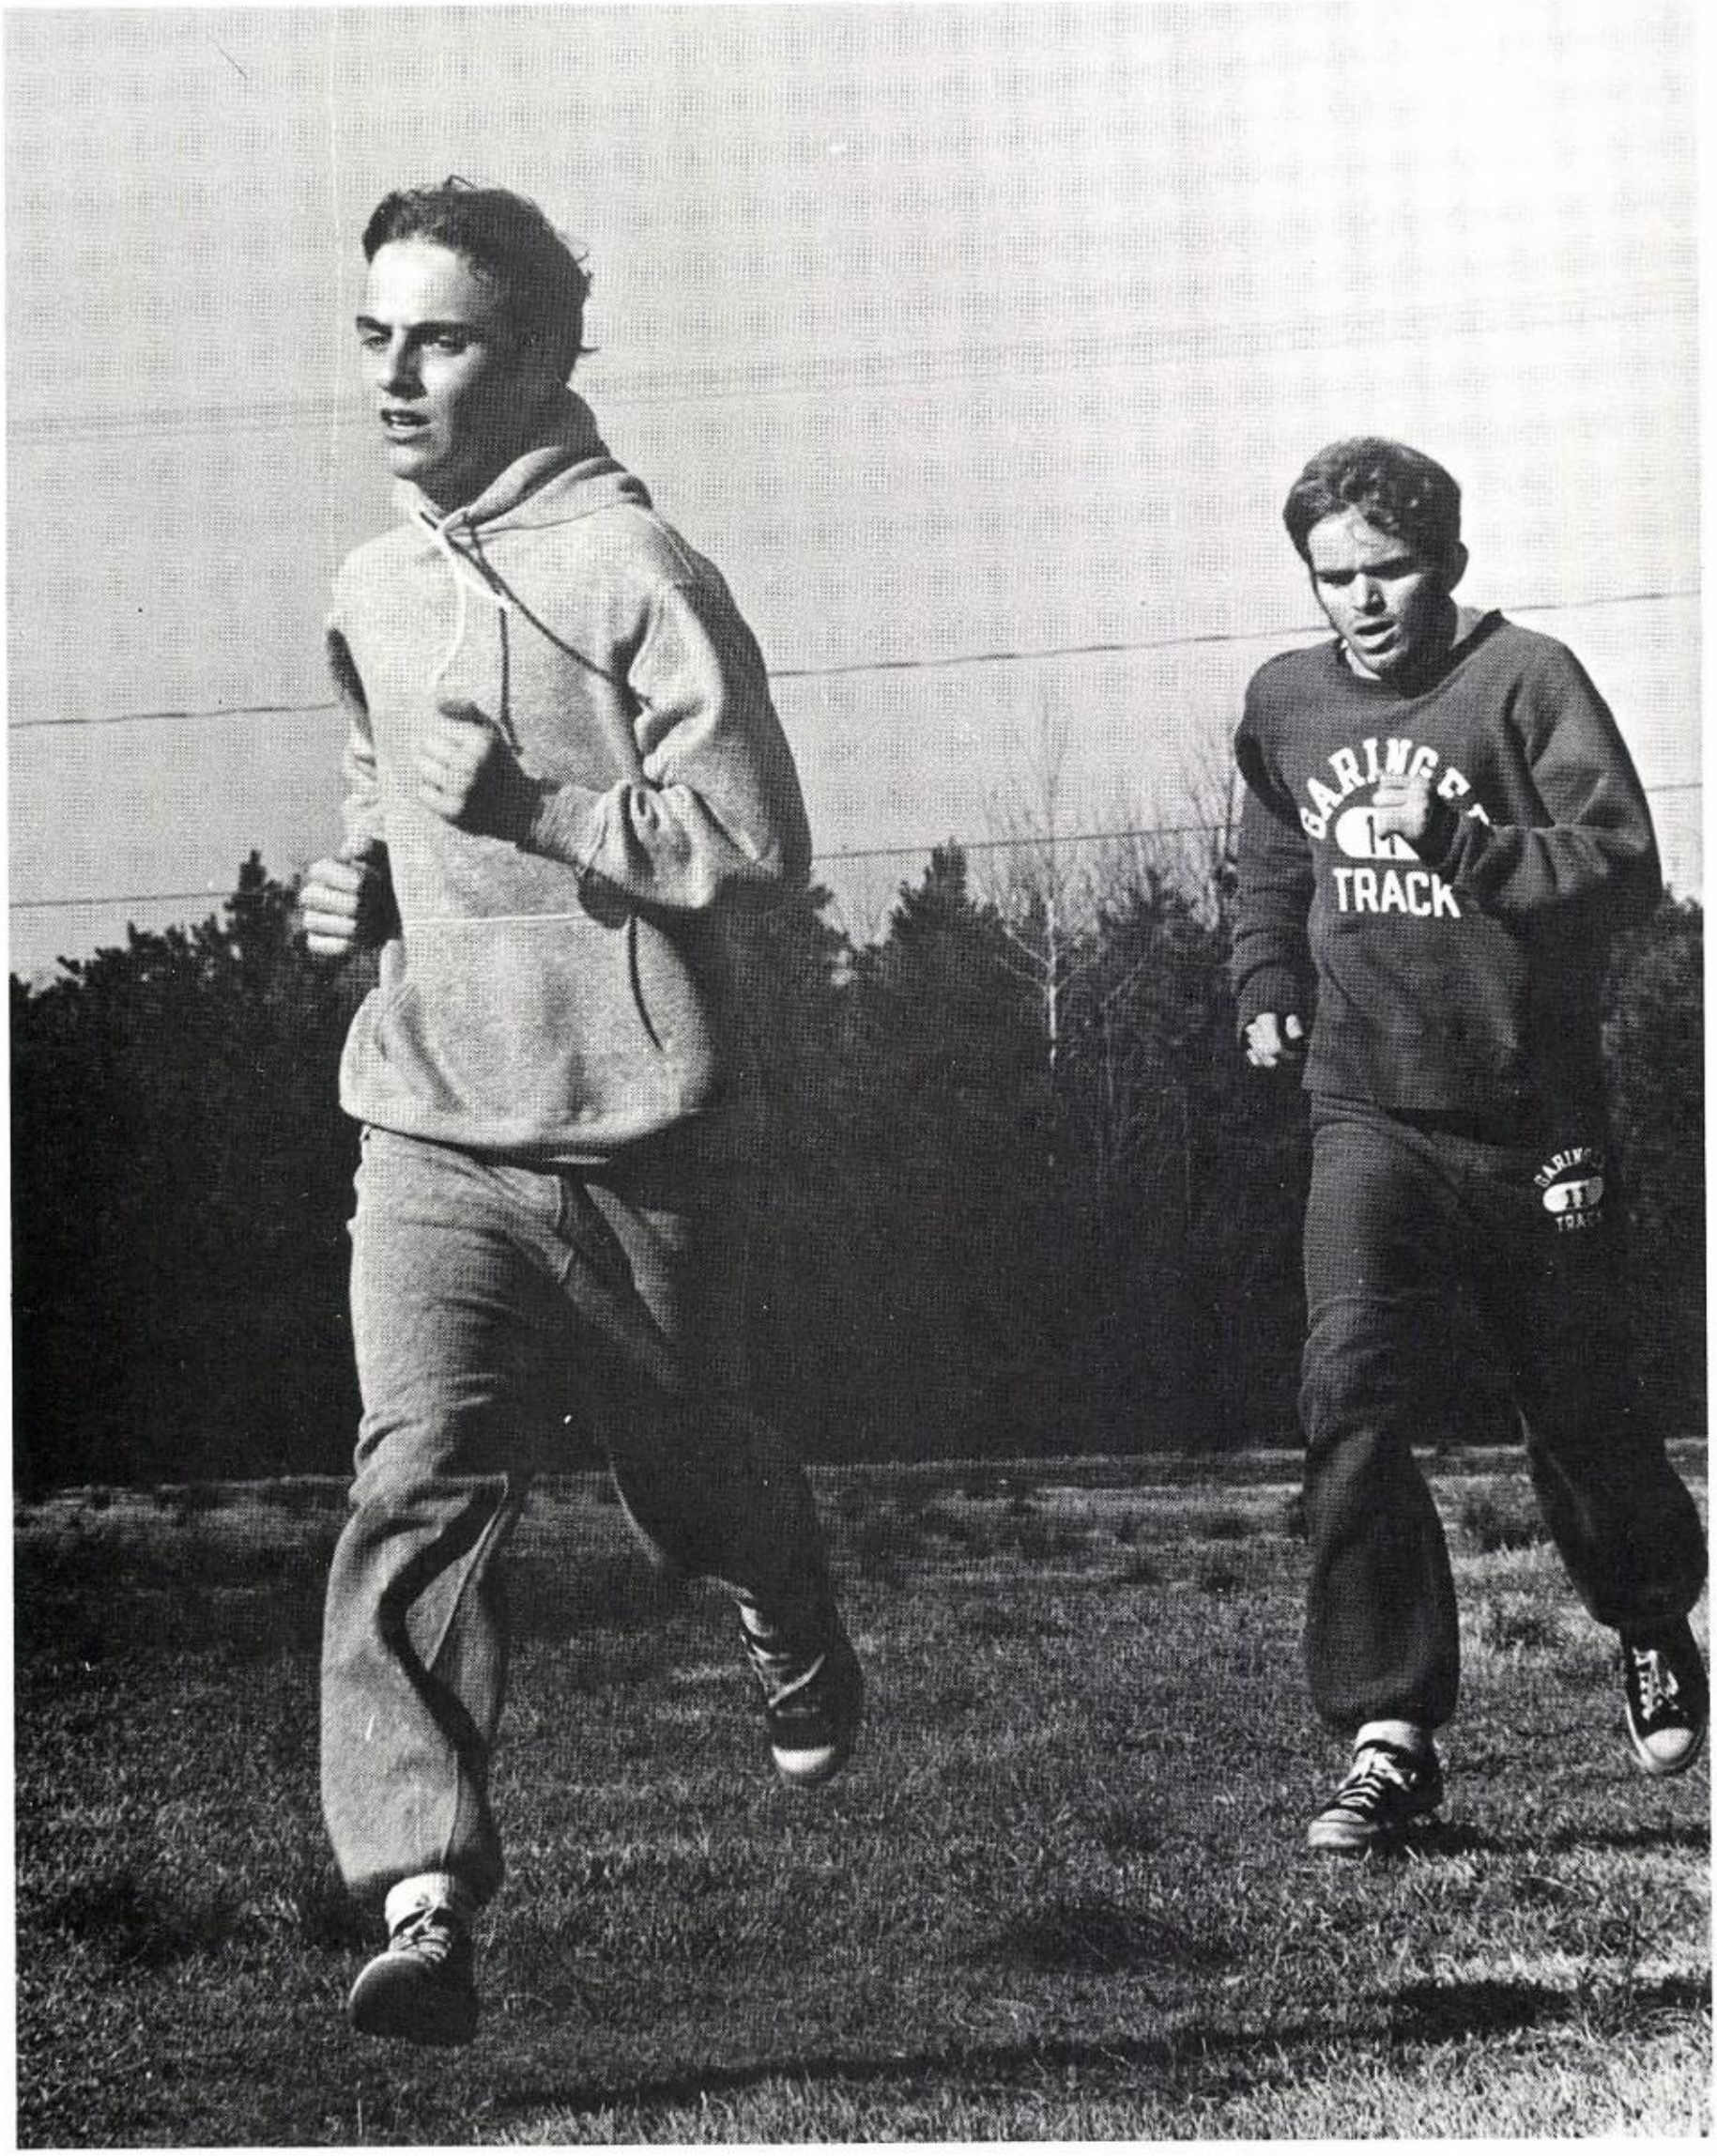








Cindermen Eye Conference Crown



After capturing the Division 6 championship last year, this year's Cindermen are looking for a repeat performance.

Although the squad has few returning seniors, Coaches Jim Addison and Joe White are counting on juniors Charles Gulledge and Dave Hughston to guide the team through a tough schedule.

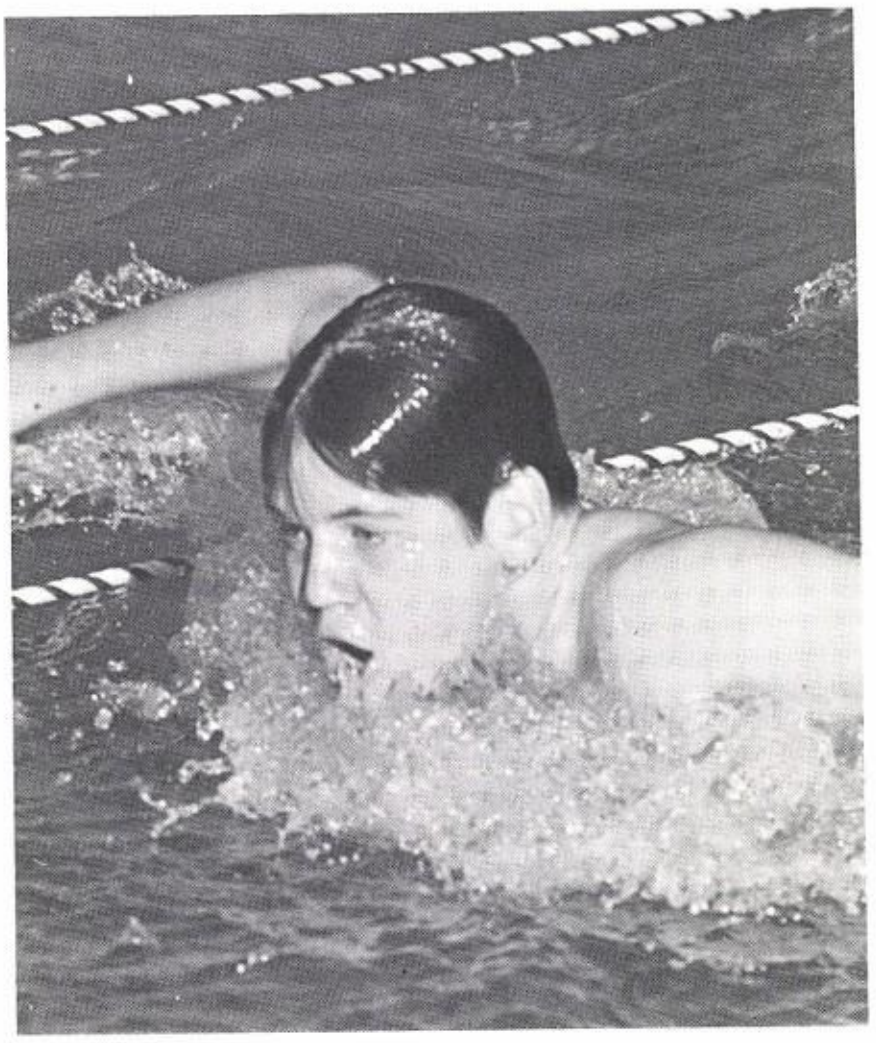
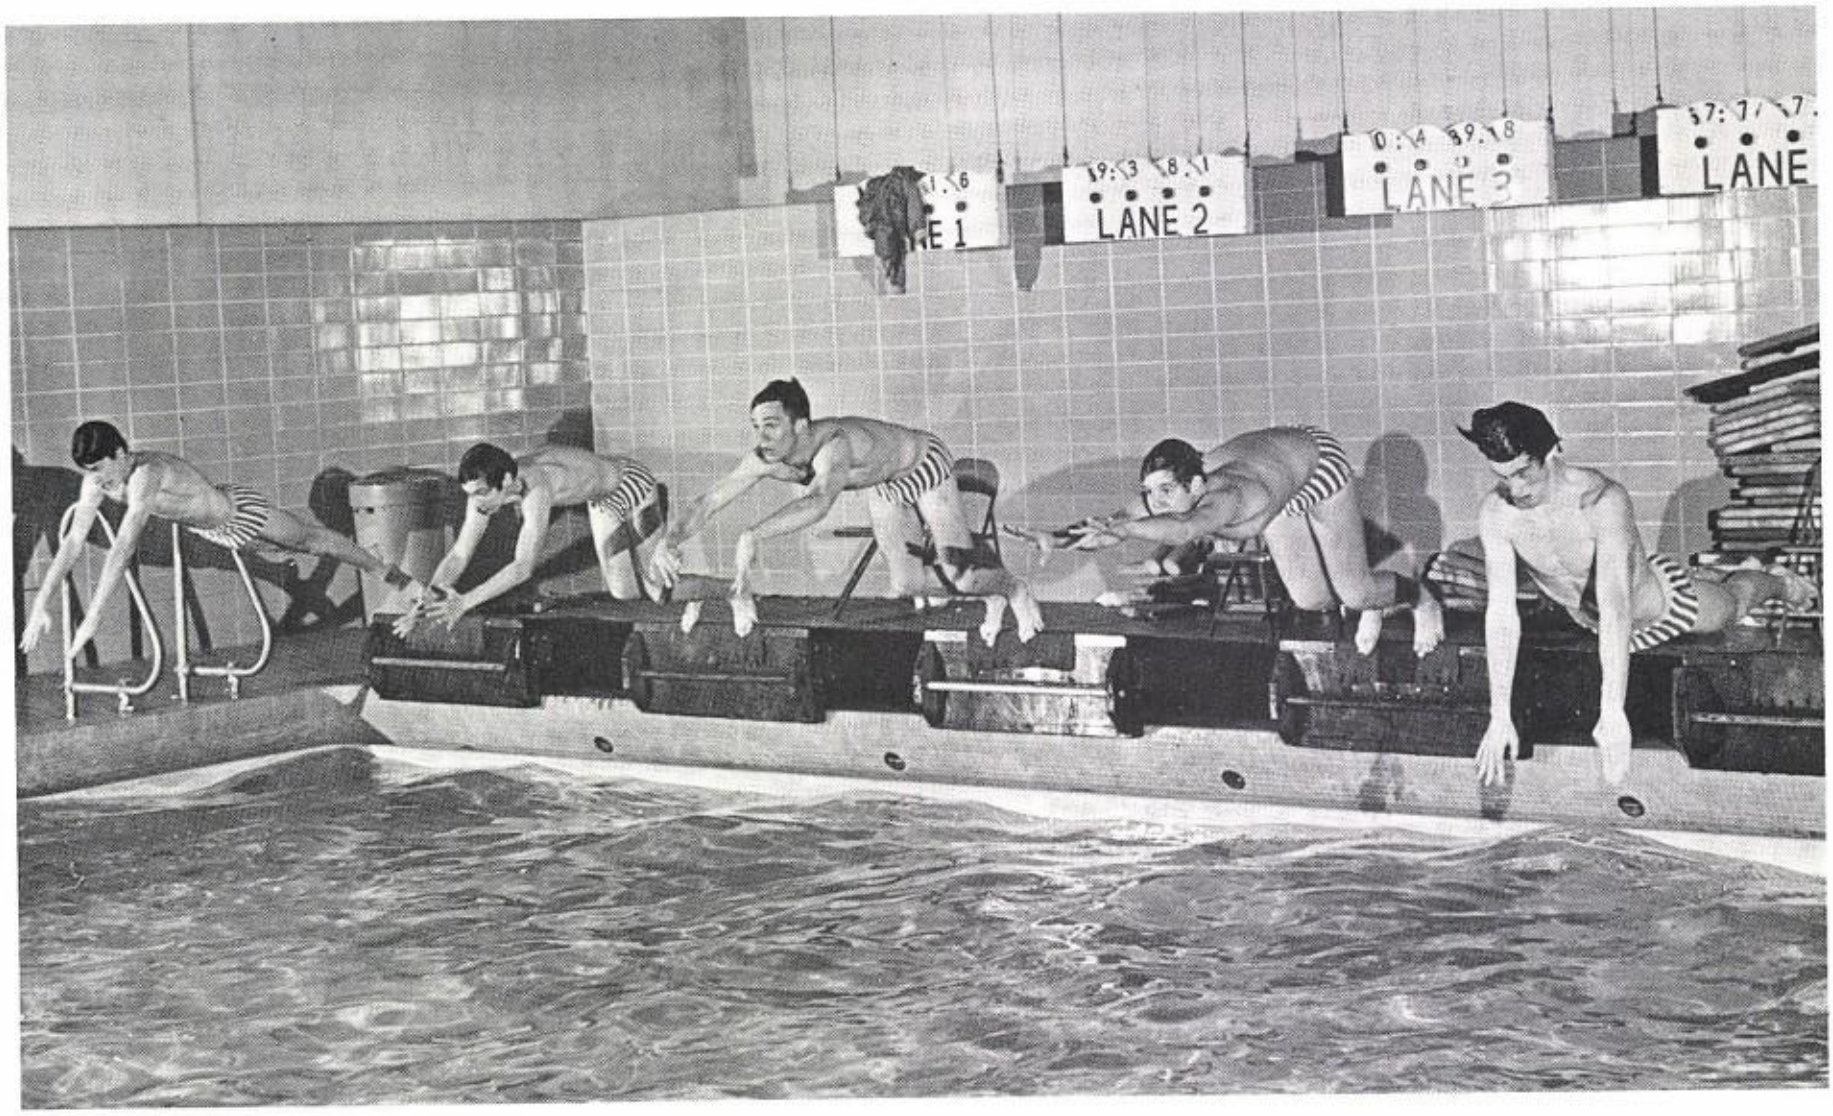
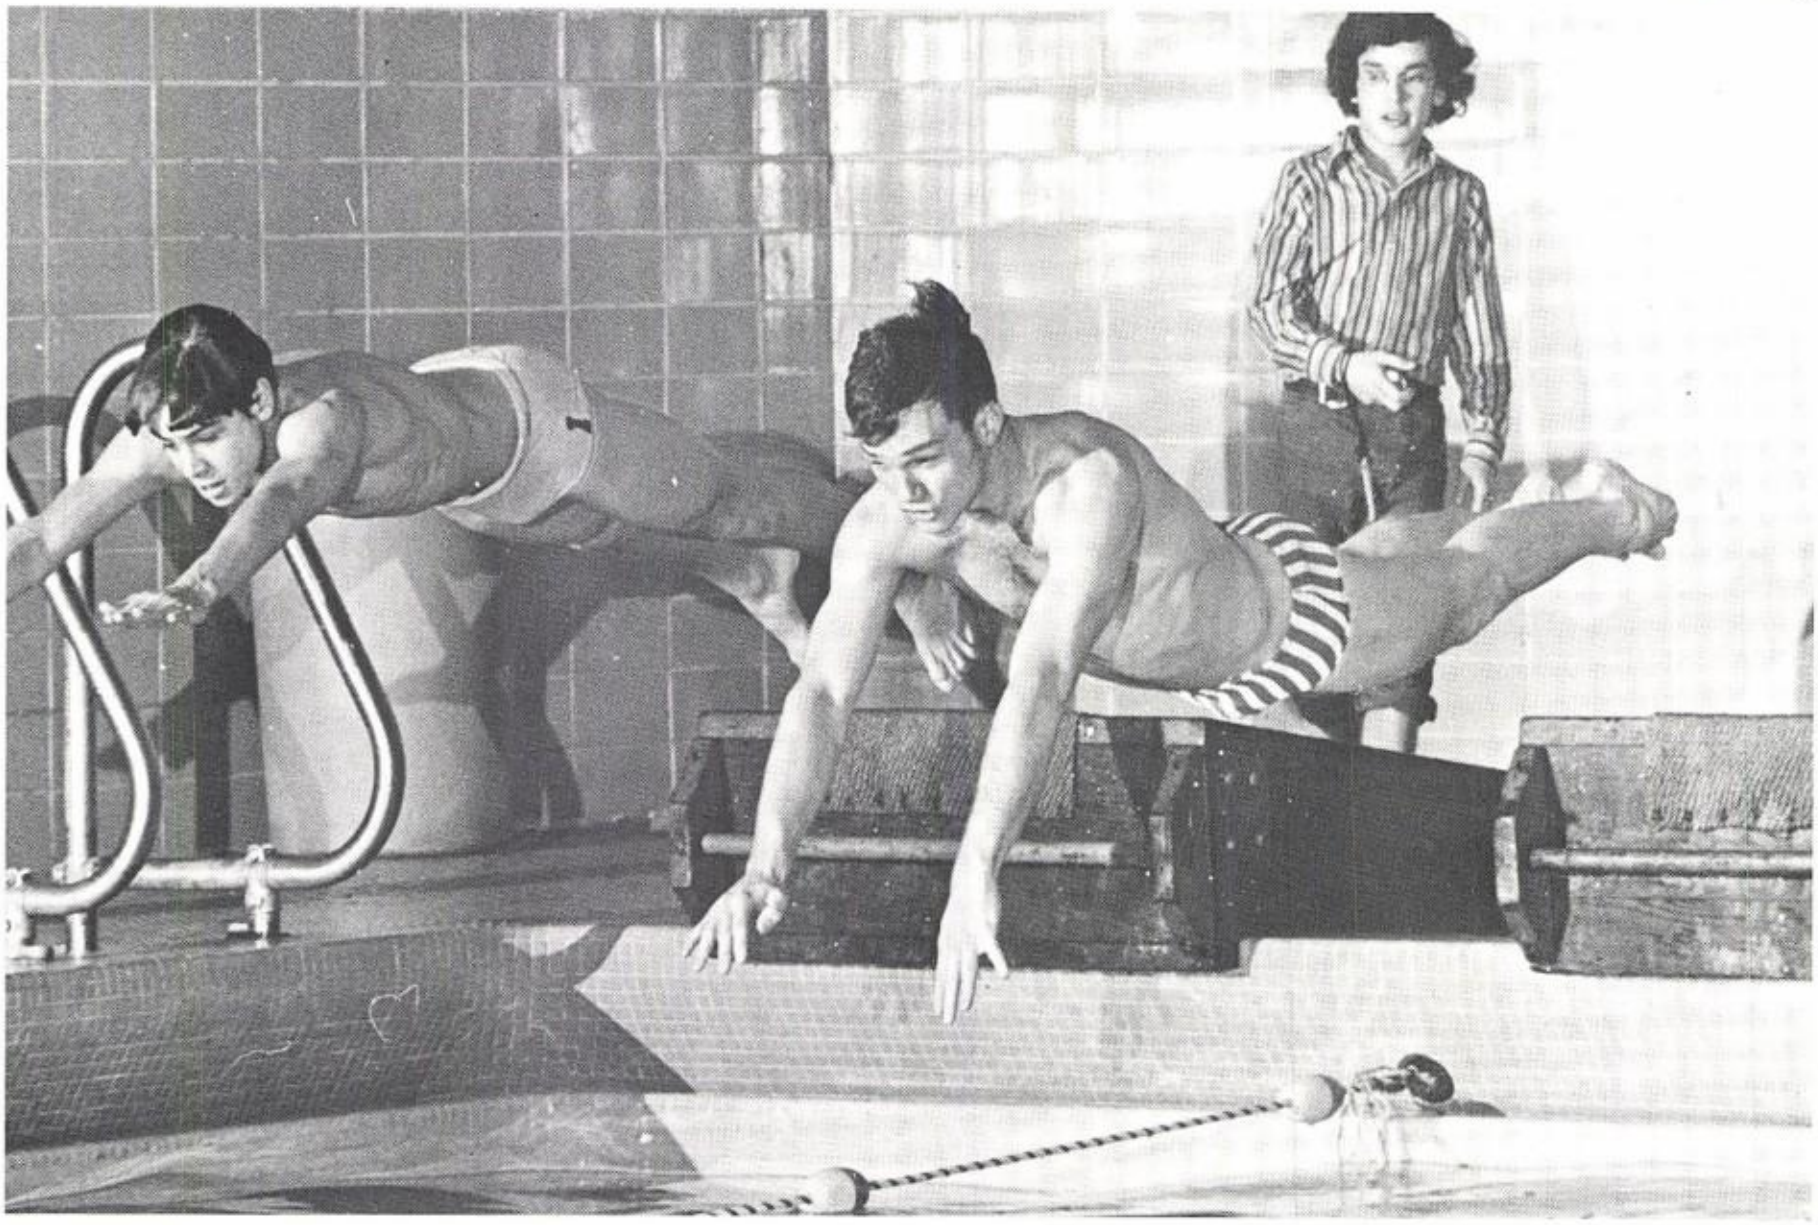
Aquacats Lack Support

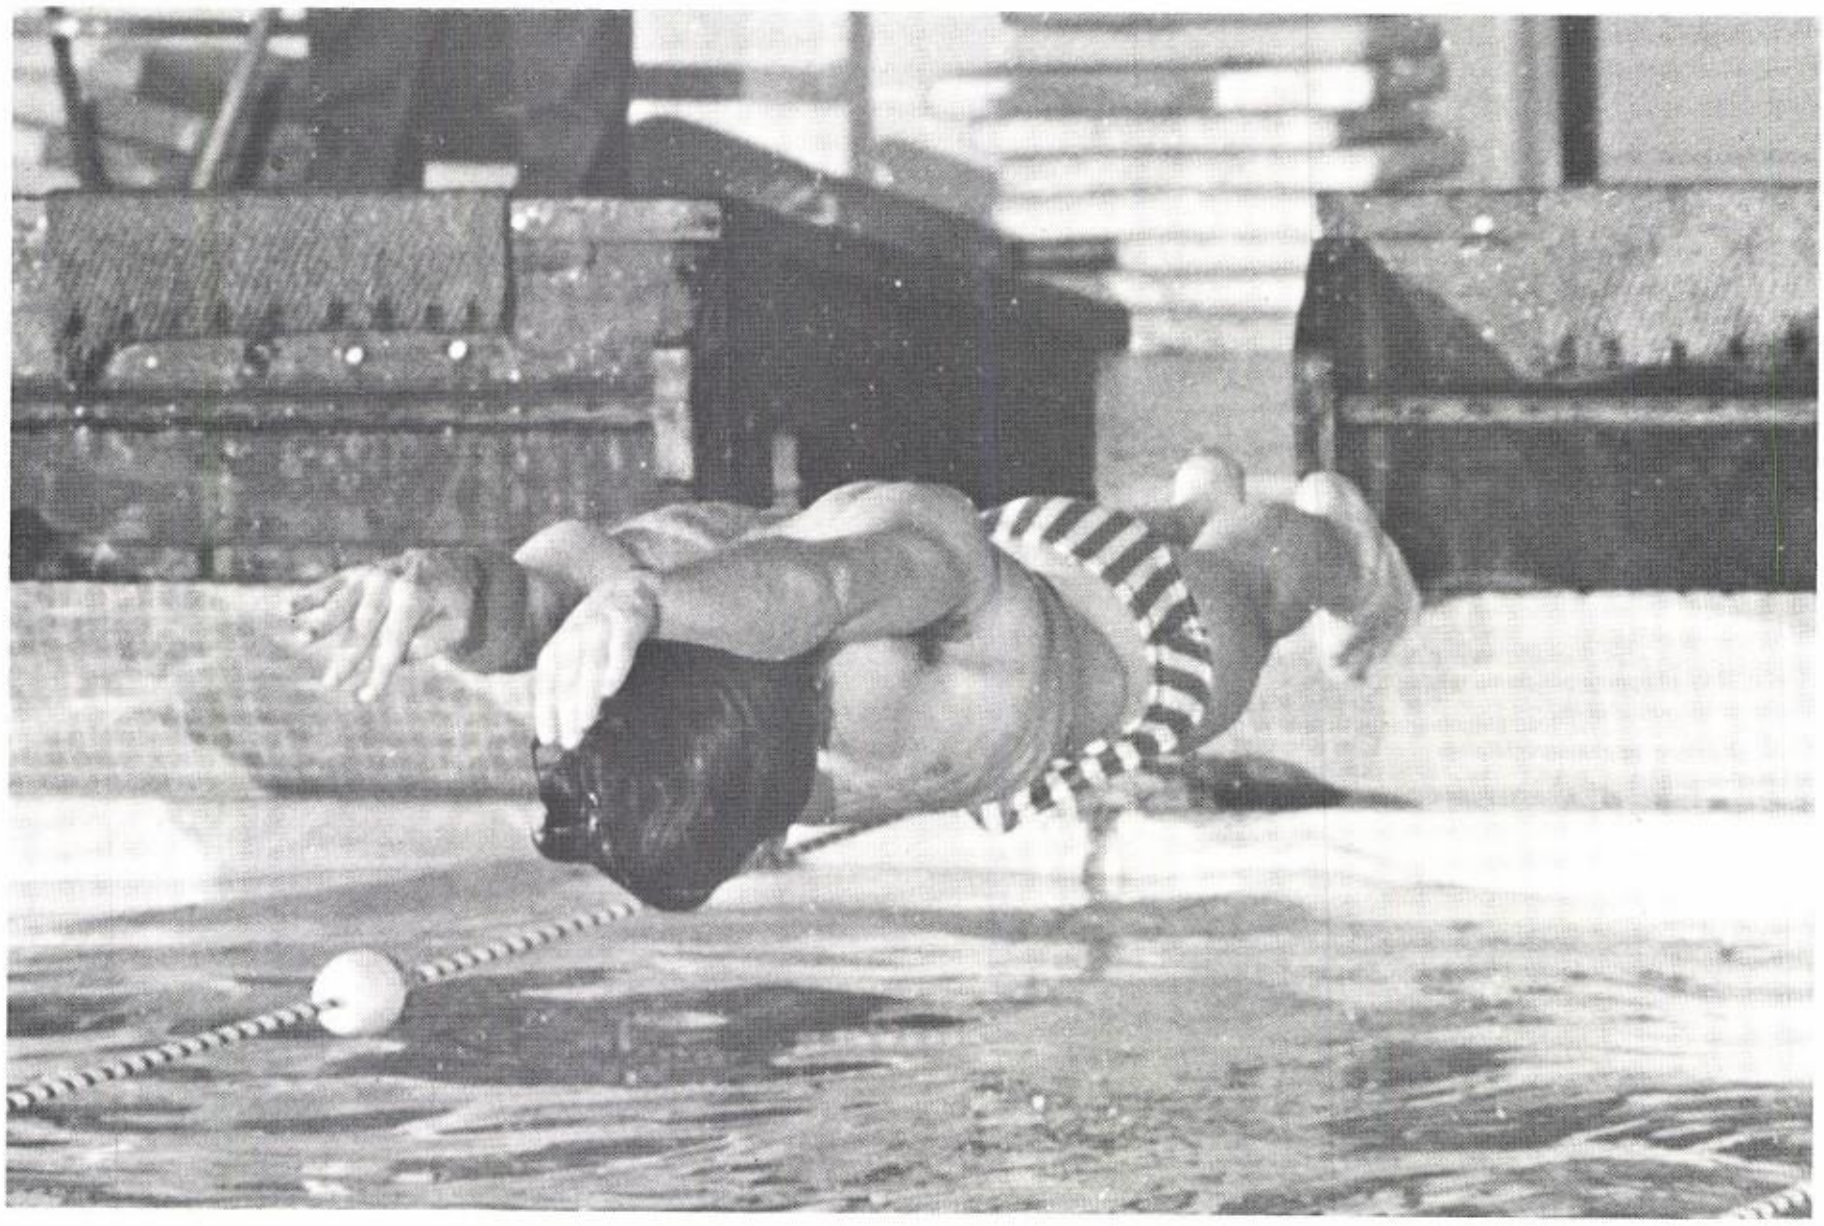
This year's swim team came on strong at the beginning of the season but after a few meets the team started getting smaller. By the end of the year, the team consisted of only five members. These five members were good competitors, but they were unable to fill all the vacant positions.



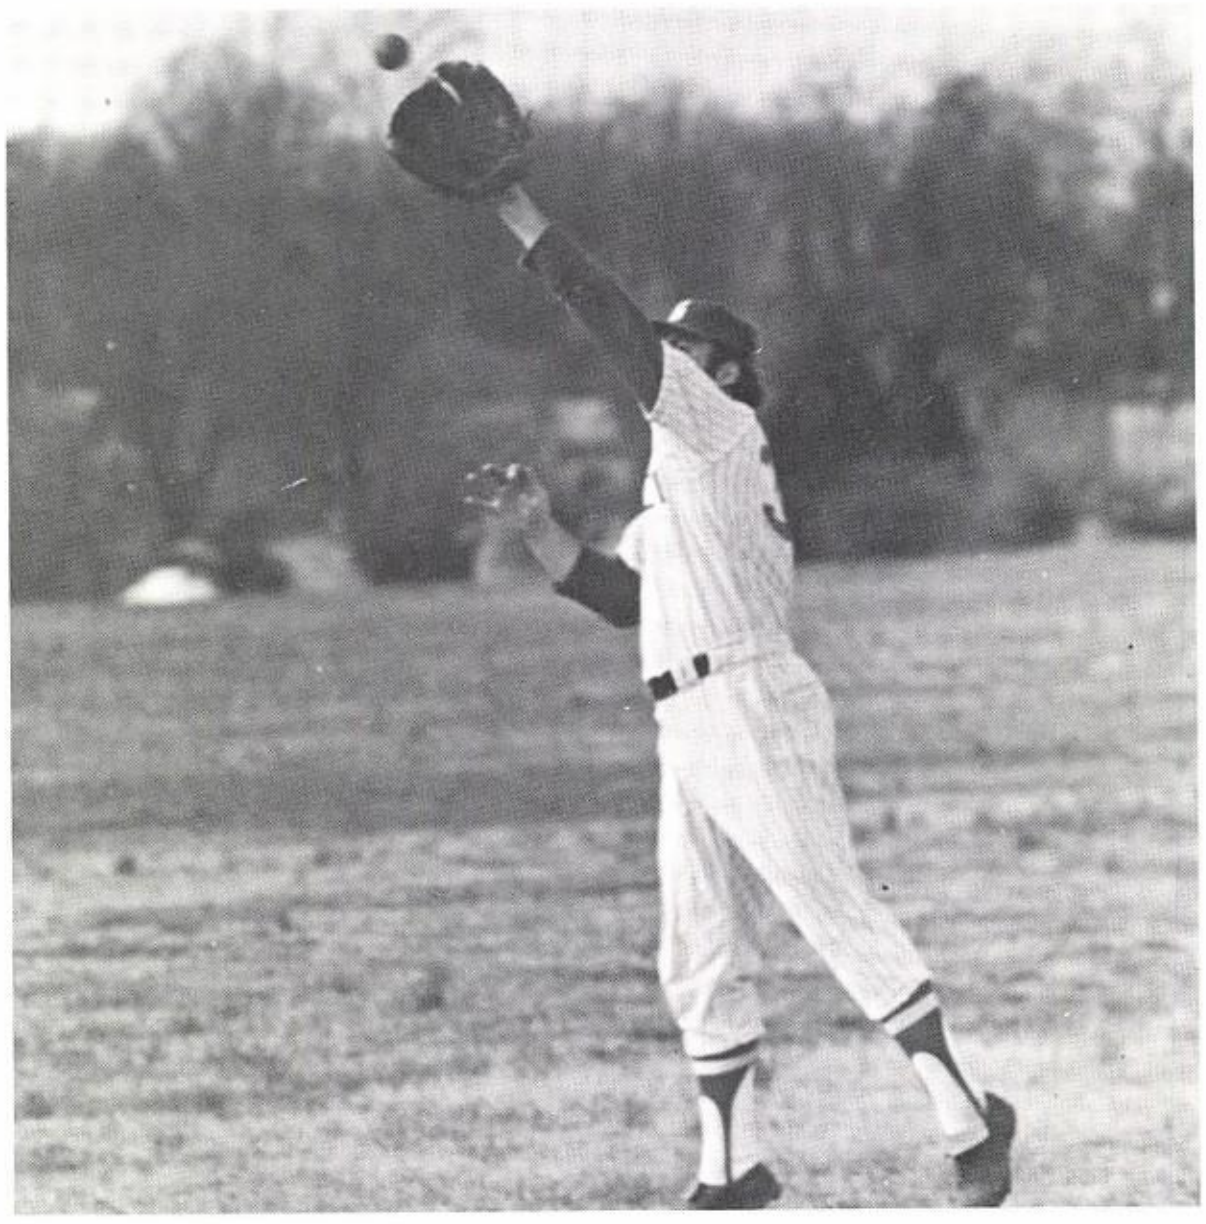


Left to Right: Danny Moore, Wayne Reynolds, Dan Lefler, Kurt White, Mike Primm.





Baseball Prospects Bright



Baseball has traditionally been a strong sport at Garinger. The team should repeat last year's performance as conference champs and go on to state championship competition.

Although we lost a number of last year's players, the team does not lack skill and experience. Veteran players such as Greg Belk, Gary Robinson, Charlie Shaw, David Cook, Keith Isaacs, and transfer students Mike Gathings and Rico Blake will provide the talent for this year's victories.

Reddy To Rock

Reddy Kilowatt never misses a party. In fact, without him, things would be pretty dull. Think of it: no stereos, televisions, electric guitars or ice cubes.

Thanks to Reddy there are over 160 flameless electric servants that make modern living comfortable, economical and fun. When you have a home of your own, there will probably be even more.

'Cats have got the power.

Editor's Note

In spite of all the confusion surrounding the 1970-1971 school year, the **Snips And Cuts** staff finally completed a year of hard work, tears, anxiety, and fun. At times it seemed impossible but with a little help things always turned out right.

I would like to express my deepest gratitude to the many people who helped me. First, Mr. Jesse Reich, my advisor, the people in 300 office, the Garinger faculty, and Beverly Studio for their patience and help, Mr. Ron Norman of Keys Printing Company for his efforts to make this book the best yet, and my family and friends for the encouragement and interest they showed. Finally, I would like to offer a special thanks to the 1971 staff members for their devotion and time spent in making this volume of **Snips And Cuts** a reality. Without them it would not have been possible.
